STAGE 3 STUDENTS

Berowra Public School is celebrating Anzac Day on Friday 12th of April. Stage Three has made ANZAC Day lanterns to pay respect to the people who fought for Australia in the world wars.

The lanterns will be lit and placed around the hall to add to the atmosphere for our ANZAC DAY service. We are hoping this will encourage all students to show respect and remember those who fought for us.

Student leaders will place a wreath underneath the flag pole, students and teachers will be making poppies to place under the flag pole as well as a sign of remembrance and appreciation.
