PETER LEARY Berowra Public School TEACHER

arden Club is up and running every Wednesday during the 2nd half of lunch.

The students have been having a lot of fun and working hard prepping the garden beds by harvesting older crops, pulling out weeds and turning over the soil for the planting of new crops for the term and new season (Autumn).

GARDEN CLUB

WOOLWORTHS JUNIOR LANDCARE GRANT

Berowra Public School has been chosen as one of the lucky recipients of the 2024 'Woolworths Junior Landcare Grant'. The grant money will be used to develop a brand new 'Bushtucker garden' which is at the entrance of our veggie garden. A big thanks to Woolworths and Clare Salke, a member of Berowra's P&C, who helped with and encouraged the grant submission. Work on our 'Bushtucker garden' will commence in term 3.

PETER LEARY Berowra Public School STAGE 1 TEACHER

Recipient of a 2024 Woolworths Junior Landcare Grant
