Book Parade

On Wednesday, the 19th August we celebrated book week. It was a lot of fun seeing which character and book everybody was representing. As usual, we had a parade to see all the fabulous costumes that everybody was wearing. But this year, the parade was a little bit different. Because of COVID-19, we couldn't do the parade in the hall and parents couldn't come this year either. So, we ended up doing the parade around the asphalt area. It ended up turning out really well and was a lot of fun. Years 5 and 6 also got to go in groups instead of classes! There was a book week trivia that we did on Kahoot but there isn't much to say about that because everybody did it in their separate classrooms. Overall, Book Week was heaps of fun and we should all thank the teachers for setting it up and making it possible!

Interview With Mr Griffin

This week we interviewed Mr Griffin who is the Library and Learning Support teacher.

Everyone has some hobbies they do in their free time, so we were wondering what Mr Griffin's are. In his free time Mr G loves to play sports. Mostly soccer but cricket in the summer. He said that he has played for a whopping 24 years and that this is his first time not playing. We also found out Mr G loves to go whale watching. And lastly, he just likes to be an all-round good guy.

As most of you know, on Monday and Tuesday Mr Griffin is the library teacher, so we asked him what he does as the library teacher. He said that his favourite part of being a library teacher is teaching kids to love and appreciate books, but he also liked how the lessons can go in any direction and they're less structured. On Wednesday to Friday Mr Griffin is a Learning Support Teacher and works on helping kids reach their full potential in literacy and maths. He says this is one of many reasons he enjoys his job.

Everyone has a favourite food, and Mr Griffin's sounds delicious. His favourite food is a traditional wood fired margherita pizza, but it has to be traditional

Finally, we asked Mr G what he liked about BPS. He said he really likes the great attitude all the students and teachers have, as well as the community vibe and how it really feels like a part of Berowra
