## Guide to Money

Everyone loves to spend money but when it gets to the part when you're out of money that's when you don't know what to do next so here is the solution to spending and saving money.

Step 1: Get a piggy bank to put all your money in or, open a bank account. The good parts of opening a bank account is every month you get some extra money into your account

Step 2: Make a goal of what you want to buy. Let's say you want to buy Minecraft Java Edition, that would cost you \$30, so what you would do is get a piece of paper work out how much money it would cost you and how much money you have. Let's say you start off with \$10, what you would need to do is every time you get more money add it onto your saving list and once you've got to that \$30 you can go and buy the game.

Step 3: When spending money, you need to be careful, so you don't run out of it. Something I suggest you do is leave \$10 or \$20 for yourself so if you want to buy something while you're saving up, you can.

So that's my guide to money, if you have any questions(which you wont because I'm an expert and covered everything) then just ask me(but you wont have to because I'm an expert and covered everything).

## 5 Ways to Sneak Candy into School

We all crave a sweet treat now and then, sometimes we just need a chocolate, or some gum to get us through class. So, today I'm going to be giving you five ways to sneak Candy into school.

### Sneaky Scrunchies

1. Cut a slit in your Scrunchie, long enough to hide a lolly in.
2. Sew some Velcro into the slit to make it close.
3. Carefully put some candy inside the Scrunchie.

### Radical Rubbers

1. Cut the top off an Eraser.
2. Hollow out the inside of the rubber
3. Place some candy into it and put the top back on.

### Push Pop Paste

1. Remove the stickers from a glue stick and stick them to the outside of a Push Pop (You may need some tape to make them stick).
2. Scrape off the brand on the lid of the Push Pop and enjoy!

### Tasty Tape

1. Find an empty tape container (Thoroughly washed).
2. Get a roll of gum and wrap it around the container.

### Perfect Pen

## Book Report

### The Baby-sitters Club

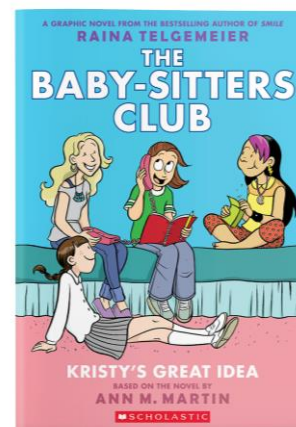

The Baby-sitters club is one of my favourite book series. I have read 1-6 which we have at our school library. It's about baby-sitters forming a baby-sitter's business, The Baby-Sitters Club. They deal with problems from lost kids to business idea stealers. They can solve anything.

My top 2 favourite books are: The Truth About Stacey and Dawn and The Impossible Three. I like these 2 books because they both have a bit of drama and keep me drawn to the book as the reader.

Books 1 - 6 are written by 2 different authors and 1 - 4 is by Raina Telgemeier. 5&6 are both made by Gale Galligan. The original book was written by Ann. M Martin.

You can get these books at our school library, Berowra library, at book club and book shops.

## Interview With Mr Daykin

This week we interviewed Mr Daykin, who is our school handyman. We found out quite a lot about him, such as how long he has been working at the school

Mr Daykin's job at BPS is the general assistant (GA) and he takes care of many jobs needed, such as painting walls or getting people's hats off the roof. He has done this for 3 years so far and is thoroughly enjoying it

Everyone has once been curious about what their teachers do when they're not teaching, so we've answered the question. After working at school, Mr Daykin likes to tend to his garden and his lovely fruit trees and vegetable crops. Why didn't you lettuce know sooner!

Another question we asked Mr Daykin, was 'what is your favourite thing about BPS'. he told us that his single favourite thing was seeing all the children so happy. So, keep smiling.

Mr Daykin also told us that his favourite food is Fish 'n' Chips, which all people know is delicious.
