

"WHAT'S UP AT BPS"

Welcome Back to Another School Year!

Welcome back everyone to another year at BPS! We are sure that you are all very excited to see your friends again.

We would like to welcome back all the teachers and welcome any new students to our school.

This week kindergarten 2020 have enjoyed their first week at BPS, we hope they have had lots of fun. We would like to ask everyone to look out for the Kindy's and to help make their first year awesome.

Interview with Ms. Wallace

On Thursday we were lucky enough to be able to interview Ms. Wallace, our Principal.

What is your favourite thing about BPS?

"My Favourite thing is talking to the students, teachers and parents."

What is your favourite subject?

"I loved teaching Math's, reading, writing, English, technology, art and sport."

What was your best achievement at school?

"Having a love of learning, it's good to have a love of learning because you learn new things every day!"

If you couldn't be a teacher, what would you be?

"I would want to be an architect (someone who designs building's)."

Finally, what is your dream car?

"I'm not really into cars, but I guess I would want a nice dark grey colour, with a coffee holder and good air conditioning!"

We would like to thank Ms. Wallace for her time.

Riddle

A man dies of old age on his 25 birthday.
How is this possible?

OUR AUSTRALIAN GIRL

The "Our Australian Girl" series is about 8 girls who lived in the past. I like it because they are fictional tales based on real incidents. The first book in the series is "Grace", who lived in 1808. There are four books about each character and the first three end in cliff-hanger's, which makes you want to read the next book. All the "Our Australian girl" books are written by different people. They can also be found in the school library.
