

## AUSTRALIAN SCHOOLS' ENGLISH, MATHS, SCIENCE, WRITING, SPELLING AND DIGITAL TECHNOLOGIES COMPETITIONS – 2018

Welcome to the 2018 Australasian Schools' English, Maths, Science, Writing, Spelling and Digital Technologies competitions.

These competitions were first introduced in Australia in 1981 and form the largest independent assessment program for schools in Australia, New Zealand, Asia, India and the Pacific region. Students who participate will each receive a certificate and detailed individual results letter indicating skills covered with correct and incorrect answers. Recently they have included Year 2 in the competitions except for Digital Technologies and Writing which are 3-6 only.

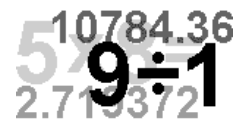

Dates for this year's competitions are shown below.

**The closing date for all competitions is Thursday 15th March 2018. No entries can be accepted after this date.**

**IMPORTANT:** Please note that the competitions will be held BEFORE school on the day. Students will need to arrive at school by **7.50am** for an 8am start.
