

FLAT STANLEY

Flat Stanley arrived at Peregrine Springs, Sunshine Coast, Queensland on the 27th May 2015, it was a bright and sunny day.

Flat Stanley has been a great help around the house, helping with the housework and cooking, chocolate cake was his favourite. He always remembered to clean his teeth afterwards.

Flat Stanley enjoyed helping me print these photos.

Flat Stanley loved to keep Benji (our dog) company.

Flat Stanley even helped the builders, building our new Pergola.

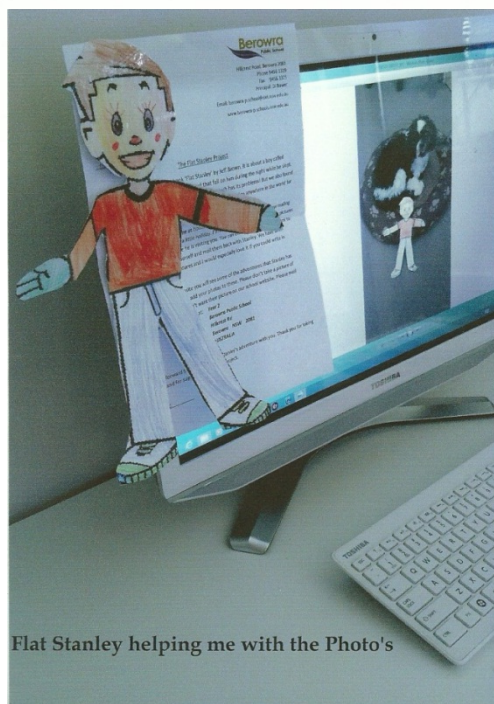

Flat Stanley would start his mornings exercising on the bike, he would then water the herb garden.

Flat Stanley loved going for a swim and climbing the Tiger Grass, always making sure he had a hat and sunscreen on. At the end of the day, Flat Stanley would sit with us and enjoy the afternoon sun.

Although Flat Stanley's visit was short, we enjoyed having him here; he was always happy and willing to help

Thank You Charlotte Sutton for sending Flat Stanley to us for a visit.
