

Thank you Finn for sending flat Stanley up to spend some time with us in Cairns, Queensland. Stanley arrived safe and sound and has had a good time for the last few days. He has spent time with myself, Auntie Amber and our dogs Chloe and Hera.

He met our dogs and went for a ride in our

four-wheel-drive ute. Stanley
also came with us when we
went swimming in the freshwater
creek. He has also helped me
out in my shed.

Thankyou finn for sending
flat Stanley to stay with us.
