General Permission Note - 2018

At various times throughout the year, teachers may arrange learning activities within our local community. This will necessitate walking to venues outside the school grounds, including places such as the Community Centre, the shopping centre and neighbouring streets. All activities are within a 2 kilometre radius of the school. This general permission note covers those events. It allows your child to participate in the full range of learning and school activities.

Please complete the form and return it to the class teacher by Thursday 15th February 2018. If you wish to withdraw permission at any time, please do so in writing and give it to your child's classroom teacher.

Photographs

Children at Berowra Public School participate in many activities. Taking and viewing photographs of these activities can enhance the learning experience for the children. Photographs may also be used to raise awareness of the school's achievements in the wider community. Sharing of photographs can be done within class and across the school via the school's intranet. These images cannot be viewed from outside the school.

Wider sharing of the photographs can be done in the Newsletter, which is distributed to families and friends of the school, in occasional media stories about events at the school, and on the school website.

We recognise that some parents may not wish their child's image to be publicly available. Please indicate below if you will allow your child's photo to be published.

Yours sincerely,

Di Bower
Principal
