

Flat Stanley visited Ongerahi, Whangarei
in New Zealand (Aotearoa) May/June
2015.

1 Stanley arrived safely & is seen here
making friends with Uncle Les -
he travelled around in his beard.

2. Stanley tried to make friends
with Griffin, but she had not met
anyone like him & just curled up
in a ball

3. We had a bonfire one evening &
Stanley got a bit too close &
nearly went up in smoke.

4 Stanley came to help us on our boat Amy which is having her hull anti-fouled. We could not find a life-jacket to fit him so he had to stay on dry land.

5 Stanley reckoned he could float OK with the life ring but Aunt Patricia said 'no life-jacket no adventures on the water.'

6. He went up the mast to fix up the windvane instead - great job.

7. Here he is in the ship's bucket ready to go home.
