Congratulations to all our community on an amazing Education Week at Berowra. The theme for **Education Week 2011** was, "**Creating the Future**". Here at Berowra we certainly create the future.

Education Week is our chance to show you what we do and do well. Most of you would be aware of the huge positives in education and opportunities at Berowra. I'm learning of the extraordinary things that make Berowra so special. There are three aspects in particular that stand out and make this school unique and all three directly reflect on the people involved in any school.

Firstly the students display a happy welcome and positive attitude to each other that is a delight to see. The students are focussed, achieving well academically and in sport and appear happy to be at school – a huge achievement.

Secondly the staff (both teaching and office) is dedicated, focussed on achievement of outcomes, development of positive behaviours and relate well to each other as a professional group.

Finally the parents and grandparents I have met are totally supportive of the school and the greater community. The parents and teachers work as one with similar expectations of the children.

In the spirit of Education Week, let's continue the year with enthusiasm as we create our unique future. Let's be explorers and enthusiasts not sightseers!

Congratulations to all our wonderful children and their talented teachers for the entertaining **Open Day Concert**, last Tuesday. I loved each and every performance as I am sure you did, also. Many thanks to the children for their performances; to the teachers for their hard work and vision; and to Mrs Vincent for her wonderful organisation both on the day and in the lead up. Thanks also to our parents and relatives who watched the entire concert with interest and pride.

I would also like to thank all our staff for their support and enthusiasm in implementing our K-6 **Athletics Carnival** last Thursday. This was a big day for all concerned and I thank you all for your support. Many thanks to Wayne Bingham for his assistance during the day. Wayne set up all the equipment and lent us the timing gear for the day. Many thanks to all the parents who helped either with field or track events, with the canteen or with packing up the equipment. We greatly appreciate all you do for us. Many thanks to Mr Pritchard, Mrs Layson and Mrs Whitford, as carnival convenors, your organisation of the day was terrific.

Please begin collecting the vouchers and receipts from Coles and Woolworths. Coles is again giving away sporting equipment and Woolies is giving teaching resources. Please don't forget about our local IGA who support us each and every day of the year with the Community Benefits Scheme.

Many thanks to the kind person who helped one of our students from BOOSH Cottage, the other afternoon. Whilst we are very appreciative of your help - for your safety could we please ask adults not to enter the girls or boys toilets alone, please go to BOOSH and they will organise help for any child in distress.

Last week was also "SASS Recognition Week" - School Administration and Support Staff. On behalf of the teaching staff and our children I would like to thank all our office, learning support and grounds staff – Mrs Kitchener, Mrs Rode, Mrs Lee, Mrs Steel, Mrs Watson and Mr Kitchener – for their dedication to our school. The grounds always look immaculate and there is never anything too difficult for Mr Kitchener to do. Our office ladies always welcome newcomers with a smile and our school runs smoothly due

to their dedication and professionalism. We are indeed lucky to have these people at BPS.

Good luck to our recorder group and choir with their rehearsals for the Opera House Concert this week. I am looking forward to seeing these children perform later this term.

Included in this issue of The Crest is a parent survey on Assessment and Reporting. This is going to every family in the school. Please complete and return to class teacher or the office by Friday 26th August.

Library - Open Day Book Fair - Once again we are grateful to all the parents, grandparents, friends and relatives who supported our Book Fair this year. Your generosity is amazing in such difficult economic times.

Sixty books were donated to the school library and \$3,500 worth of books sold. The school receives about \$680 commission which we will use to purchase some audio visual resources for the whole school to use. Thank you again everyone. Special thanks to Mrs Lynne Lee and Mrs Julie Steptoe for their invaluable help on the day.

Premiers Reading Challenge 2011 concludes at the end of August. Please complete reading lists online and notify the Library when you have completed reading your 20 books for Years 3 to 6 and K to 2 are having their 30 books read to them in class although many children are independent readers and doing it themselves.

Well done all those students who have participated in this years challenge. Certificates will be distributed in November.

Book Week is almost upon us again. This years theme is "One World, Many Stories". We are lucky to have two amazing authors and performers attending our school on Tuesday 23 August.

James Knight has written autobiographies of cricketers the Lee brothers and Mark Waugh and has travelled extensively through Africa, India and South America. He has taught orphan children in Ethiopia and played cricket with boys in India. His stories will enthral the children in Years 3 to 6.

Lucky Phewa is an outstanding musician and performer of Zulu culture and belonged to the Soweto Dance Company. He will entertain and delight the children from Kindergarten to Year 2.

Please encourage your children to attend this special Book Week event at \$4 per student.

Our **Book Week Character Dress Up Parade** and **School Trivia** day will be on Wednesday 31st August. Thinking caps on in preparation!

Drama - Congratulations - What a wonderful performance the children gave at NIDA last Thursday. Both the Senior Drama and the Junior Drama gave their best effort on the day to an appreciative audience. The children were excited and enthusiastic and did a fantastic job with both plays. Well done all! A big thank you to Mrs Sheldon, Mrs Braham, Mr Levy and Mrs Macura for all their help.

Also, thank you parents for your wonderful costumes for the children and your ongoing support for Drama in our school. Children will now concentrate on Book Week plays and Christmas plays!!

Dance Group - Last Monday, girls from our Dance Group travelled to Manly to participate in a Simulaunch for Education Week 2011. The Dept of Education Arts Unit co-ordinated this dance spectacular, which occurred at 8 locations around the state, all at the same time. Video will be on Youtube very soon. It was an honour to be selected to be a part of this - and great fun to join in with other schools, dancing on the Corso! The girls worked very hard to learn the dance in only two weeks and they represented their school brilliantly on the day. Well done.

Dance teacher

Music - Band - Congratulations to both bands on the performances at Open Day. FANTASTIC! The behaviour of both Training and Concert bands was exemplary. A really professional performance from all musicians. Special thanks to the few parents who were able to help on the day as all the children benefit. We have more performances coming up so keep focused everyone! Please make sure you keep up to date with the band emails. Any questions or queries? MONEY COLLECTION DAYS

Please note that money collection days at Berowra Public School are **Tuesdays** and **Thursdays only**.

For security of payments it would be appreciated if money only be sent to school on these days in a signed payment envelope.

We have only two days a week allocated to receipt money so please remind your child to give it to their teacher in the morning as receipting and banking are completed during the day. Correct money is appreciated as the office is unable to hold change.

Please do not hand payments in after school.
Handing money into the office may result in confusion and your child's name not being marked off as paid for excursions, sport and activities.

Any payments for the choir, drama, interschool sport or extra curricular activities as well as P&C or Support Group fundraisers can also be handed to the class teacher.

Thank you for your cooperation.

What sport do you do in Summer?

Do you play a sport that involves running around or standing about on those HOT! HOT! summer days. Why not try a sport that keeps you cool and, at the same time, is a lot of fun?

You and your family can enjoy the wonderful waterways of the Hawkesbury River and experience the fun & sport of sailing at the same time.

Our Club operates most Saturdays during the sailing season (Sept-March), and is located at Lookout Bay (also known as Dead Horse Bay) Brooklyn, not far from the Parsley Bay boat launching ramp and car park.

The Club is affiliated with the **Hornsby PCYC**, and has been training children since 1968.

Our sailing instructors are AYF accredited, and sailing is taught through participating in our theory sessions on Thursday evenings and followed up with sailing on Saturdays.

Parental participation is an essential part of the running of the Club and sailing membership is open to all sailors, both experienced or beginners, from the age of 9 years. Boats are provided for beginners, and are maintained by the Club at our Lookout Bay boat shed.

Club racing classes are Manly Junior, Flying 11, 125 skiff, and VEE ESS class (senior).

Sound like fun?

Please contact the Hornsby PCYC, or the names below and find out more about this safe and enjoyable family sport.

PHONE RECYCLING

You don't have to donate your money to help young Australians survive cancer.

All you have to do is give us your old mobile phone.

We can recycle it and raise money to build specialised youth cancer centres across Australia.

Currently in Australia your chances of surviving certain cancers decreases by 50% the day you turn 16! These youth cancer centres will help reverse this fact.

That old phone isn't coming back into fashion so donate it today.

Come on, no one likes a hoarder.
Ask around at work and collect a few old phones.

Phone recycling box is located in the school office.
www.youcan.org.au

Our last phone recycling box collected **71 phones**.
