beyond blue FUNDRAISER

In the last Crest I mentioned the Berowra PS Student Parliament beyond blue Fundraiser. I apologise to BOOSH as I failed to mention their efforts in supporting this worthwhile cause.

The photograph in the Crest showed Michelle from BOOSH and Hayley presenting the cheque from the funds raised by BOOSH to Graeme Gates as well as the student parliament students.

BOOSH staff and parents volunteered their time for a sleepover at BOOSH Cottage last term with over \$600 being raised going to this charity. I know the children had a fantastic time at this sleepover and it was just another event where BOOSH supports our students and school.

I again apologise for not mentioning their efforts in the last Crest.

NAPLAN 2013

The NAPLAN results were sent home after the last edition of the Crest. Here are a few highlights of our results:

- Year 5 (Boys) have improved by 57 scale scores from the 2012 data in the test aspect of Grammar & Punctuation.
- Year 3 (Girls) are 40 scale scores above the state average in the test aspect of Numeracy.
- Year 5 (Boys) are 7 scale scores above the state average growth in the test aspect of Numeracy.

In comparison with the Hornsby Network of Schools, we have made significant improvement this year:-

- Year 3 above local network of schools in Writing and Number, Patterns and Algebra.
- Year 5 improving the gap, especially in Number, Patterns and Algebra.

The results also indicate areas for improvement and focus for 2014. An analysis of Naplan is included in the annual school report and is reported on the My School website at: <http://www.myschool.edu.au/>

FLASHMOB

Congratulations to our amazing dancers. A group of our children performed around the Hornsby Mall Fountain last Thursday evening. These children performed with Hornsby North and Belrose PS children. We were indeed fortunate to be asked to be part of this initiative. I was so excited to see our children dance and I heard many positive comments from the spectators as the children were performing. Many thanks to Mrs Kelly Lukic for her dedication and expertise with these dancers. Thank you also to all parents who support this wonderful group of children.

MaDD NIGHT

We are indeed fortunate at Berowra...our teachers and students are spectacular!

We were entertained by our outstanding children at the MaDD Night on Monday. These children are led by our band of equally talented teachers. Many thanks to Liz Sheldon, Jennie Smith, Kelly Lukic, Jan Layson, Megan Carroll, Amanda Gillard, Mike Gordon and Sue and Eric Thorvaldson. Many thanks to our teachers who supervised the children in the classrooms and in the hall. Also, thank you to Jaime C (5/6G) and Jesse F (5/6J) for compering the evening. Congratulations to our soloists – Tamara B (5/6T), Eileen L (5/6G) and Isabella G (5/6J), who also entertained us.

Of course, this night would not have happened if not for Liz Sheldon's exceptional organisation and passion. This night showcased our amazing students and the variety of programs and groups available to Berowra students.

To help with our class planning for 2014, please indicate below if your child / children will not be returning to Berowra Public School next year, and return this slip to the office or class teacher as soon as possible.
Alternately, phone the school office on 9456 1319.

PAYMENTS AND NOTES

Could all outstanding payments for textbooks, Mathletics, excursions, sports etc be sent to the office as soon as possible. All schools have a 'financial roll over' in November and it helps if all finance is up to date.

All notes for December activities will go home (and be uploaded onto our website) on 28th November due to our financial end of year 'roll over'.

All families will be aware of money due around this time as these dates/funds were included in your child's Term 4 Letter.

YEAR 7 SELECTIVE HIGH SCHOOL APPLICATIONS

Offers for selective high school placements are determined mainly on the basis of the Selective High School Placement Test (SSPT) results and school assessment. The SSPT will be held on 13th March, 2014. If your child is currently in Year 5 and you wish to apply for selective high school placement in 2015, you need to apply soon, using one of the following options:

1. Apply on the internet and submit your application on-line. Instructions can be found at www.schools.nsw.edu.au/shsplacement **OR**
2. Complete and return the printed application form (available from the school office).

KINDERGARTEN ORIENTATION PROGRAM -

The Kindergarten Orientation Program, Ready, Steady, Go, is drawing to a close and I sincerely thank teachers, buddies, parents and our new Kindergarten students for their successful contributions. The teachers and I have enjoyed meeting our 2014 students and never cease to be impressed by the confidence, joy and enthusiasm they all display. Tomorrow, 31st October, will be the final day of the program. Parents and 2014 students are invited to the school hall for our Kindergarten Orientation on Wednesday, 13th November at 10:00am.

PLANNING 2014

The 2014 planning process has now begun. Please let the school know as soon as possible if your child will be enrolling in a new school for next year (except Year 6). Likewise, if your child will be taking an extended summer vacation and returning to Berowra after 29th January 2014, you will need to complete an exemption form. These can be obtained from the office.

CONGRATULATIONS AND THANKS!

Natalie S 4P – Grade 2 AMEV Piano exam - A+

Orla P 5/6G – Auditioned (through three rounds) and is a possible contestant for "The Voice, Kids Australia".
(Fingers Crossed for Orla's selection!)

Stage 3 Canberra Camp 2013

Our Stage 3 students have just returned from an education tour of the national capital and surrounding areas. Students participated in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

Australian Government
Department of Education, Employment
and Workplace Relations

It gives me great pleasure to acknowledge all students for their outstanding behaviour throughout the three day excursion. I am sure that many of you will be hearing about the wonderful experiences for quite some time.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families, the Australian Government contributed funding through the PACER program. This reduced the cost of the excursion by \$20 per student.

Adam Spencer
Assistant Principal, Stage 3

Principal

On Wednesday 23rd October, Berowra Public School held the annual Maths Fun Day. It was run between recess and lunch.

Our class was divided up so that Emus and Kangaroos (that's me) started at K Red and everybody else started at 4P.

We all rotated with our buddies though different classes and activities. My personal favourite was the activity with Mrs Tonkes where you had to make the tallest tower out of play-dough and skewers.

I really enjoyed Maths Fun Day and I hope to do it next year!

By Renee B 4P

On Wednesday the 23rd of October, Berowra Public School held the annual Maths Fun Day event. The whole school participated, and 4P was buddied up with K Red.

Before we joined with K Red, we were asked to set up some games and test out the new ones.

First I played memory game with Emily, Taffy and my buddy Anneliese.

After about 15 minutes, we moved to Mr Spencer's room and we played an addition game. It was quite surprising that Anneliese won!

Soon after that we went to Mrs Carroll's room and we learnt about measuring area. We drew around our hands and feet, and we estimated how many little cubes would fit in the outline.

Then we moved to our final activity, playing 2 player board games.

Finally maths Fun Day came to an end. Maths Fun Day was a great experience and I thoroughly enjoyed it.

DANCE NEWS - What a busy few weeks it has been for dancing. The boys and girls in the Senior Dance Groups took all the shoppers by surprise when they performed in a Flashmob at Hornsby Westfield on Thursday 24th October. There were also students from Hornsby North Public School and Belrose Public School performing, making it over 100 students dancing at once! The children had a blast and looked fabulous. It showed the community how wonderful Public Education is.

On Monday night both the Junior and Senior Dance groups performed at MaDD night. This was the first major performance for the junior group and they were outstanding. The senior group was fabulous too, hopefully they didn't scare any of the little ones in their monster costumes.

Thursday morning rehearsals will continue for the senior boys and girls at 8:30am. Please keep their costumes as they may perform again at the end of the year.

Auditions for the **2014 Dance Groups** will be held soon, starting in Week 6. Please look at the next newsletter for details.

Beginner Recorder Ensemble 2014

The recorder ensembles at Berowra Public School offer students a wonderful opportunity for quality music education at the low cost of \$70 per semester.

Students from year 1 – 6 are welcome to join the beginner recorder program. Beginner lessons are taught in small classes and students join together to perform at school events during the year. Lessons are taught by an accredited recorder teacher and include technique building games, music reading, and group playing. Different learning styles are catered for. Lessons are available on Tuesdays before school and Thursdays after school in the school library.

Joining the beginner recorder program at BPS gives students a head start in music education, providing a solid basis for learning other instruments and for taking part in the many exciting higher level recorder activities available to students at BPS. Highlights for BPS recorder students in 2013 include Opera House Concerts, Sydney Recorder Camp, Suzuki Graduation, and a student selected as a soloist for the Arts Unit "Festival of Instrumental Music".

To register your child, or if you have any questions or queries, please contact me at sue.thorv@gmail.com.

Registrations must be received by 1st December, 2013. Sue Thorvaldson (BPS recorder ensemble director).

BEROWRA SPORTS CLUBS'

BEROWRA RECREATIONAL FACILITY PROJECT (BRFP)

BEROWRA CRICKET CLUB

WHAT IS BRFP? – BEROWRA . RECREATIONAL . FACILITY . PROJECT

WHAT DOES BRFP MEAN?

The project is a large upgrade which mainly involves Berowra's four largest sports clubs;

The Wallabies (rugby league)

Berowra Soccer Club

Berowra Netball Club

Berowra Cricket Clubs

STAGE 1:

- A. An extensive upgrade to the amenities block at Warrina St. Oval which is the original building (circa 1976). The project will double the current ground floor space with;
 - Increased change room areas
 - Significantly increased toilet facilities for both men and women toilets. These toilets will all be accessible during daylight hours through the installation of automatic timer locks (unlocking at sunrise & locking at sunset).
 - Disabled toilet will also become a baby change facility.
 - More storage facilities for both cricket and rugby league clubs
 - Referees room
 - Medics room
 - Match day indoor BBQ facilities (for use during inclement weather)
- B. Construction of 2 unisex toilets and a disabled toilet on the Warwick Close side of Warrina St. Oval. This will service the junior soccer (Berowra Soccer Club) players and netball players (Berowra Netball Club) as well as their parents and supporters.
 - The new toilet building will also have extensive and separate storage for the netball and soccer clubs.

STAGE 2:

The construction of an additional floor on the amenities block for a club house and, or a general community meeting space (50 – 60 people).

This will include:

- a viewing balcony overlooking the sports field
- disabled access to the second floor with a disabled toilet
- access to the downstairs toilets internally
- a general use office

Note: It is the intention of the BRFP committee to complete as much of stage 2 during the construction of stage 1 to minimize the impact of construction at Warrina St. Oval and the associated costs by getting the majority into one construction period. However this depends on the project's fundraising capabilities.

STAGE 3 (being considered for Council funding in 2016/17):

☑ Construction of an exercise circuit around the facility (with concrete path) with implementation of exercise stations complete with permanent equipment.

- Terracing the embankment between the netball courts and junior soccer field.

WHO WILL BENEFIT FROM THE BRFP AND HOW?

The four sports clubs (the Wallabies, Soccer, Netball and Cricket clubs) will enjoy long overdue improved, increased and brand new facilities (toilets, storage, change rooms, sports club location etc.).

The community will have access to a meeting/event facility with capacity of up to 150 people.

General public - users of the sports field open space area, as well as the popular kids park and BBQ facility - will have access to increased facilities during daylight hours every day including:

- Disabled toilet/baby change room
- Men's toilet (3 times more capacity than current)
- Women's toilet (4 times more capacity than current)
- Toilets will also be available on the Warwick Close side of Warrina St. Oval for general public use

Other users of Warrina St. Oval such as the local schools will also have access to these improved facilities.

WHEN IS THE BRFP CONSTRUCTION TAKING PLACE?

Construction starts 3rd December 2013 and is due for completion at the end of March 2014 (just in time for the winter sports season).

The greater majority of the skilled labour and materials is either being donated to the project. Therefore the timetable also depends on the availability of these things.

HOW IS THE BRFP BEING FUNDED?

Stage 1 and Stage 2 are being wholly funded through State Government grants, local community group's funding commitments and extensive fundraising by the BRFP committee.

Stage 3 is being planned into Hornsby Shire Council works program for 2016/17.

HOW CAN YOU HELP?

You can support the BRFP a number of ways.

- Purchase of a special BRFP shirt (\$25 each) available in men's, women's and kid's styles in a variety of sizes. Available from the Berowra Post Office (near the highway).
- Purchase a BRFP bumper sticker (\$2 each). Available from Wellspring Café, Berowra Post Office or The Bush Tele office.
- Purchase a BRFP raffle ticket (\$5 each). You also have the chance of winning many great prizes – Drawn on 13th December 2013.
- Place a donation into the BRFP bucket, located in the Berowra Bendigo Bank branch.
- Attend and support the Berowra Fete planned for Saturday, 14th December at Warrina St. Oval – 11am to 7pm (see details below).

WHAT IS THE BEROWRA FETE?

The Berowra Fete is being coordinated with Berowra Apex and will be held on Saturday 14th December from 11am to 7pm (prior to MOVIES UNDER THE STARS). All funds raised on the day will go towards the BRFP (Warrina St. Oval upgrade stages 1 & 2).

Besides the BRFP committee, four sports clubs and Apex's involvement; the school P & C's have been invited to participate along with a number of local businesses/community groups.

There will be a variety of stalls and a huge number of kids activities will be available from face painting, jumping castle, rides, sports exhibitions and much more.

A wide range of food will be available for purchase including pancakes, cake stalls, popcorn, pizzas, Apex's famous BBQ etc.

Santa has agreed to make an appearance just before the family movie starts, at around 7.30pm.

Live Music from local talent is also being planned for the day.

And much more!

HOW CAN YOU FIND OUT MORE OR GIVE FEEDBACK ON THE BRFP?
