Berowra Staff News

Congratulations to **Mrs Elizabeth Beckedahl**. Mrs Beckedahl was successful in her application for Assistant Principal at Berowra Public School. She is now 'officially' Assistant Principal at BPS.

Mrs Beckedahl has been an exceptional leader and teacher during her time here as relieving Assistant Principal and we are indeed fortunate to have her here permanently. Welcome to BPS, Mrs Beckedahl.

Congratulations to **Mrs Sally Till**. Mrs Till has been 'seconded' to Ryde DEC office in the capacity of Best Start Literacy Consultant. She will be there for the rest of this year, working with other schools in a leadership capacity. Good luck in your new role, Mrs Till.

Mr Adam Spencer, from Hornsby South PS, will be relieving Assistant Principal for Stage Three, and teach 5/6T, for the remainder of the year. Welcome to BPS Mr Spencer.

Hornsby Music Festival

Monday 12th August and on Wednesday, 14th August, the Hornsby Music Festival for nine community schools was held. These concerts showcase the talents and skills of students and teachers across the Hornsby District. Berowra featured many items (Concert Band, Girls and Boys Dance Groups, Junior Choir, Bellbirds Recorder Group and Opera House Choir) and I congratulate the students on their performances. All our children shone! Their behaviour, as always, was exemplary also. Congratulations to Ella T and Aaron S (our school captains) who compered the festival.

Without any bias, I thought the Berowra students stood out and were amazing! I know many parents and grandparents attended the concert and were impressed with the performances. Many thanks to Mrs Layson, Mrs Sheldon, Mrs Lukic, Dr Thorvaldson and Mrs Amanda Gillard, – who trained/taught/conducted/accompanied/choreographed these groups. Many thanks to Liz W who transported all the music stands and larger instruments in her car to and from the festival.

Also, we are extremely fortunate at BPS where we have such exceptional teachers who organise these events and groups. Many thanks to Liz Sheldon, who also conducted the combined choir, for all her leadership in putting this event together for our school.

Sydney Symphony Symposium

Last Thursday I was lucky enough to be invited to attend the Band Sydney Symphony Symposium Excursion. We caught the train to and from the city and I was so proud to have a few commuters comment on our well behaved students. One man also stated that he sees many schools on the trains and he was amazed at how settled, responsible and courteous our children were. Well done, children, you are positive ambassadors for BPS.

Fun Run

Just a reminder that our Fun Run is on Friday, 6th September. Everyone is welcome to come and cheer the students in this exciting venture.

Swim School

A very fortunate group of our students will be attending swim school next week. How amazing is contemporary school life. The importance of the experience relates to the purpose of Water Safety Education which is primarily concerned with the prevention of drowning. Since 1954, the NSW Department of Education School Swimming Scheme continues to be an intensive learn to swim program, which develops water confidence and provides students with

MONEY COLLECTION DAYS

Please note that money collection days at Berowra Public School are **Tuesdays** and **Thursdays only**.

For security of payments it would be appreciated if money only be sent to school on these days in a signed payment envelope.

We have only two days a week allocated to receipt money so please remind your child to give it to their teacher in the morning as receipting and banking are completed during the day. Correct money is appreciated as the office is unable to hold change.

Please do not hand payments in after school. Handing money into the office may result in confusion and your child's name not being marked off as paid for sport, excursions and activities.

Any payments for the choir, drama, interschool sport or extra curricular activities as well as P&C or Support Group fundraisers can also be handed to the class teacher.

Thank you for your cooperation.

basic skills in water safety and survival. We hope our attending students enjoy the program and become better equipped to survive in the water.

Mathletics

Congratulations to Riley B (3B) who was 9th in Australia and 37th in the World in the Hall of Fame for Mathletics this Monday. Year 3B was also 9th in Australia, thanks to his efforts!

Essay writing structure

Structuring an essay is easy when you know how. There are many different types of essays (or responses) and they can have many purposes, but the basic structure is the same. This fact sheet let's you in on the secret. Find out more:

Benefits of under-scheduling your child

With the very best of intentions, when you're rushing to fit in soccer training, swimming and music lessons, it can be hard to keep hold of the magic stare-into-space, muck-about moments in children's lives.

BAND - Congratulation to the Concert Band who performed at the Hornsby District Music Festival - what a great start to a fantastic concert!

Our excursion to hear the Sydney sinfonia was a wonderful experience. The orchestra played several pieces and the band learned about the orchestra. All band members were extremely well behaved on the train. A credit to Berowra Public School.

The combined Musica rehearsal on Tuesday was very well attended. There were about 80 musicians playing. Well done everyone! Sepecial thanks to all the parent s for their support and assistance. Any questions or quieries?

We need your votes to help us win \$5,000 to improve our school!

Last call for your votes to help us win \$5,000 to improve our school!

There's just a few days left to vote for our school to win \$5,000 in this year's CUA Community Care program.

The votes have been coming in fast, which is great but we still need many more. Thank you to everyone who has already voted and if you haven't voted yet, please do. Voting closes on 23 August.

A reminder on how to vote: register your vote at www.cuacommunitycare.com.au or go to the local CUA branch in Hornsby Westfield (near Woolworths). Don't forget – you can make a vote once online **and** once in the branch.

We're up against other schools in the area and it's down to who gets the most community votes. So, please ask your friends and family to give their support and place a vote as well!

Thank you once again for your support. We'll keep you posted on how we go.

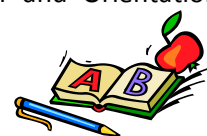

ENROL NOW FOR KINDERGARTEN 2014

Enrolments for Kindergarten are well underway.

If your child or you know of a child ready to start school next year make sure they are enrolled.

Our orientation programs begin this term and we would hate you to miss out. Kindy Fun Day 18th September, Ready-Steady-Go Program commencing Week 2 Term 4 and Orientation Day 13th November.

For more information contact the school office on 9456 1319.

Student Parliament

On Thursday 8th August, Berowra Public School held their second parliament sitting for term 3. One out of three motions was passed. It was that Mrs Clayton should stay for tem 4. This went to the Minister for Education.

The other two motions that didn't pass were: we should have shelter over all the paths and to buy tongs and buckets to pick up litter. That was parliament this week.

THURSDAY 22ND is our BOOK CHARACTER PARADE... 12.00 noon in Hall. Years Kindy, 1 and 2 are very excited! For Kindy it is their first Parade and they have been talking about it for weeks! Parade should finish after lunch.

THURSDAY LITERARY TRIVIA. The WHOLE school is involved in questions about all things literary as the children battle to be the 2013 Trivia Champs! Hopefully the weather will be nice enough to have our groups outside the Library.

Looking forward to a fantastic week. Thankyou parents , teachers and children for getting into the spirit of things.

SPORT NEWS - The Hornsby Winter PSSA has now finished for 2013. Berowra Public School was proudly represented by boys and girls in soccer, netball and AFL. Each team achieved excellent results while demonstrating outstanding sportsmanship and an obvious enjoyment for their sports.

Final placings for the soccer and netball teams were:

Netball

Junior 8th
Senior 10th

Soccer

Junior 5th - narrowly missing the finals by 1 point!
Senior 4th
Girls 5th

Congratulations to the Senior Boys' Soccer Team for qualifying for the semi-finals. Their performance against Hornsby North Public School last Friday was inspirational. The boys conceded a goal in extra time with the final kick of the game to lose 1-0.

A big thanks to Ms Griffin, Mrs Bower and Mrs Beckedahl for all of their coaching and umpiring this season.

MUSIC NEWS - Amped Up's Open Day Performance - Amped Up had their first performance for the year at the school's open day on the 30th July. I was a bit nervous for them as progress had been a little slow so I assisted slightly, hiding off stage but I needn't have bothered. They played brilliantly and sounded great performing April Sun in Cuba, Proud Mary (a band favourite), Boogie Shoes, I'm Yours and I'm a Believer. The entire school hall crowd got right behind them at the end with an encore of I'm a Believer getting everyone up and dancing, teachers included.

Vanessa and I are very proud of the band and we are now preparing to represent the school by invitation from the president of Wahoonga Public Schools P & C at their fete on 7th September.

ELECTION DAY Sausage Sizzle & Cake Stall Saturday 7th September 2013

Hi everyone

Berowra Public School Support Group and BOOSH Cottage are once again teaming up to hold a Fundraiser Sausage Sizzle & Cake Stall on Election Day. The amazing Berowra APEX guys will again, give their support and provide their BBQ and fun hard working selves and cook sausages for us. We are so lucky to have them on board.

We would appreciate the help of parents in providing cakes to sell at the cake stall. Plus, and equally as important, we will need lots of help on the day. If you are able to spare an hour or two when you come up to vote and help out please complete the timetable below and return to the school office or BOOSH Cottage ASAP.

Cakes will be accepted from Friday 6th September and can be delivered to the Canteen or BOOSH Cottage and/or onsite throughout Saturday.

BOOSH Cottage will be open from 6.30am and the canteen will be open between 9am and 3pm on Friday 6th September.

Your help and support is very much appreciated.

Thank you

Language of resilient schools & families

Michael Grose

"Man up, girls!"

This is one of the terms used by teachers in an Australian girls' school to encourage girls to step up when things get tough. As the school head readily admits, it's not quite politically correct gender-wise, but this doesn't deter teachers, nor her, from using it.

The term has an impact because the narrative of persistence and striving that it represents is understood by teachers, students and parents.

Resilient schools develop their own words and phrases to help students get through the inevitable tough times that they experiences. The language of resilience is generally built around the following seven areas:

1. Coping

Resilient children use a variety of simple coping strategies such as humour, relaxation, normalisation and acceptance when they experience social or personal hardships.

Language of coping: "You've got to laugh!" "You will get through this!" "Some things you just can't change!" "Everyone feels that way sometimes."

2. Courage

Resilient children and young people take learning and social risks, and know that things won't always go their way. Rejection and failure aren't taken personally.

Language of courage: "What's the worst thing that can happen?" "Take a smart risk." "You got to develop the courage to be imperfect."

3. Persistence

The ability to keep persevering in the face of difficulty is a characteristic of resilience that leads to success in the classroom, on the sports field or other fields of endeavour, in the schoolyard and beyond. Language of persistence: "Have another go." "Hang tough!" "Push through the hard stuff to get the rewards."

4. Relationships

Resilient kids are able develop and maintain strong relationships with a number of peers over time. They are supportive of others ; they can handle common conflict situations and don't take rejection personally. Language of relationships: "Is that how a good friend acts?" "Who have you spoken to about this?" "It's not all about you!"

5. Thinking

Children may not be able to control a situation, but they can control how they look at, and think about an event. Resilient kids look for the positive side in negative situations, and see negative events as temporary. Reframing, remaining flexible and using realistic language are common resilience traits. Language of resilient thinking: "Look on the bright side." "Let's look at this another way?" "It's not a disaster. It's just unpleasant!" "Where does this fit on the disaster scale?"

6. Problem-solving

Resilient children and young people have feelings of personal competence that come from resolving their problems and challenges. This develops the expectation that they can overcome fresh challenges, just as they have in the past.

Language of problem-solving: "How can you work this out?" "What's the first step?" "Let's set some goals together."

7. Learning

Resilient children and young people learn from negative situations, and importantly develop greater awareness of their own strengths. Self-knowledge is perhaps the best knowledge of all that we can impart to children.
