Electronic Sign

Wow! How exciting to see our new sign.

Many thanks to Emma Bedwin whose submission for a grant from the NRMA was successful. The grant ensured that we could upgrade to a modern electronic sign. Thanks also to the P&C for their contribution.

Zone Athletics Carnival

On Thursday, 21 August, the Berowra Zone Competitors team travelled to the Sydney Academy of Sport, Narrabeen, for the 2014 Hornsby Zone Athletics Carnival. All of our students were amazing, not only achieving their personal best, but representing with pride, determination and a positive attitude. Our school placed 8th overall, with 15 schools competing.

Congratulations to all our competitors; especially Jeremy J (5W), Sam P (5/6J), Carla S (5/6J) and Mackenzie W (5W) who have qualified for the Area Competition, and will represent Hornsby Zone at the Sydney North Carnival at Sydney Olympic Park on Monday, 8th September. Congratulations also to Mackenzie who is the 11yrs Girl Zone Champion and Carla who is the runner up, 12yrs Girl Zone Champion.

Thanks also to all the students who promptly returned their representative shirts.

Book Week Parade

Many thanks to Mrs Smith and Mrs Lukic for the amazing Book Week Celebrations.

I was so proud of all of our children; we had a 99% involvement of all children K-6. The children excelled in their costumes, creativity and individuality. The Year 6 children were inspirations and perfect role models for the rest of the students. They joined in and enjoyed every moment of the day. Their leadership during the Trivia Fun also ensured all children enjoyed the afternoon. Max S (6B) ensured the smooth running of the trivia by using his problem solving and removalist skills to set up the venue for the trivia.

Thank you to all parents, grandparents and friends who supported this event.

Many thanks to Jodi L and her band of parents and teachers for organising the morning tea and sausage sizzle on the day.

Fun at the Book Character Parade and the Trivia Competition

Congratulations to:

- Alex J (1A) – 26th in Australia on Mathletics on 26th August
- Ryan J (3/4B) – 1st in Australia and 13th in the world on Mathletics on 28th August
- Ryan J (3/4B) – 2nd in Australia and 40th in the world on Mathletics on 29th August

PSSA Grand Finals

It was very disappointing that we could not get our Winter PSSA Grand Finals played over the past two Fridays. As of this coming week, grounds are now being changed over to Summer usage and will be ready for us to use for Cricket, Softball, T Ball and League Tag from Friday, 12th September.

What this means is that Winter PSSA is now officially finished and there isn't any time available to reschedule the Grand Finals.

It has been decided that the winners of each competition in Football and Netball will be the teams that finished the Minor Premiership in first place. Each of these teams had won their semis and was into the final. This occurs in all competitions where Grand Finals are not played.

So unfortunately, Berowra Junior Football and Netball will not have the chance to 'fight' for 1st place this year.

I congratulate all of our winter representatives in netball, football and AFL; you are all winners and we are proud of all of your achievements this season. There is always next year.....

Allergies

Parents of students are reminded that we continually seek your cooperation in avoiding nut products at school. We have a considerable number of students who may experience severe reaction to nut and nut-related products, and these reactions can be life threatening. Alternate foods include fruit (fresh and dried), fruit snack packs, salads and vegetable sticks, vegemite, cream cheese, jam and honey spreads, rice crackers, popcorn, yoghurt and many others which parents could nominate.

School Policy states that for health and safety reasons children should not share foods or drinks; I ask parents to assist in reinforcing this at home.

Head Lice

Yes, these creatures are always with us. The only way to control the infestations is for every parent to be vigilant and regularly check their child's hair. It is easy to blame other children and I know it can be frustrating when re-infestations occur, but it is still up to every parent to take responsibility. The recipe for a more natural approach to controlling head lice follows, however, the lice and eggs must be removed:-

200ml conditioner

7ml pure 100% tea tree oil

Enough water to make up to 2 litres

Mix together in a 2 litre milk bottle or any other 2 litre container

Pour into spray bottle.

Spray on hair and brush through daily.

Scabies

We have had a report of an incident of Scabies in the school.

'Scabies is an itchy, highly contagious skin disease caused by an infestation by the itch mite Sarcoptes scabiei. Direct skin to skin contact is the mode of transmission and a severe and relentless itch is the predominant symptom of scabies. Signs and symptoms of scabies include a skin rash composed of small red bumps and blisters and leads to relentless itching.'

This needs to be treated by prescribed oral or topical scabidical drugs.

Leggings

Leggings **are not** part of Berowra Public School uniform – summer, winter or sport!

Road Safety

A number of parents have expressed their concern about the unsafe driving and parking practices of particular parents in our community. Some of these practices would incur a penalty and fine being issued should they be observed by the police. It is important that student safety is a priority over convenience, trying to save time and getting wet. These are not excuses to place other members of our community in danger. I have asked the police to assist us in this matter to ensure our children remain safe.

Kindergarten 2015

If you are intending on enrolling your child in Kindergarten 2015 and have not submitted an enrolment form, please complete an enrolment form and forward to the school office. This would greatly assist with school planning and determining staffing levels for 2015.

LIBRARY NEWS - Book Week

What a fabulous Book Week celebrating Connect to Reading. The students looked amazing in their book character costumes for our Book Parade. We really do have some creative and enthusiastic parents and students in our school. We were lucky that the rain stopped for our Book Trivia competition. The students sat outside in groups of 20 answering sets of questions about the books they have studied in library lessons during the year. The students demonstrated an excellent recall of facts. Group 3 was the overall winner by just one point!

Also during Book Week, K-2 had an exciting visit from Ms Kandinsky who inspired the children to think creatively and create their own piece of abstract art. In the week prior, Andy Jones, who is both an author and musician, entertained the students in Years 3-6.

Indigenous Literacy Day

Today we celebrated Indigenous Literacy Day. As part of this we held a 'book swap' asking students to bring in a book they no longer read. All the donated books were displayed, then for a gold coin donation students were able to choose another pre-loved book to keep. Thank you to all of those students who participated.

DANCE NEWS - Our dance groups have been invited to perform in a flashmob at Hornsby Westfield on Thursday 16th October. You can see some fabulous flashmobs from all around the world on YouTube. We have taken part in this for the last 4 years and it has been a highlight of the year for some of the students. They are very excited about participating again this year. Look out in the next newsletter for more details.

End of Term Dance Performance

This term the students in 2P, 1A, 1C and 1S have been taking part in weekly dance lessons with Mrs Lukic. On Thursday 18th September at 2:30pm, these classes will perform some of the dances they have been learning. We hope you can come along and watch. These classes will be given a note soon.

PREMIER'S SPELLING BEE - Congratulations to Mathew C, Jude M, Eileen L and Jai C who won our Spelling Bee competition and will now represent the school in the Premiere's Spelling Bee Competition. Well done and Good luck!

SCHOOL BANKING - There will be NO BANKING on Tuesday 7th October (first day back next term). Term 4 banking will resume on Tuesday 14th October (week 2).

CANTEEN - **Sushi Day** is always very successful. A big thank you to Heather Tyler for picking up the sushi and helping to distribute and to Jodi Ludlow who pops her head into the canteen every day and asking if I need help. Remember to bring back your sausage sizzle notes and money by Friday 12th September. You can order via Flexi Meals if you wish. *No other lunches* can be ordered on Sausage Sizzle Day - Wednesday 17th September.

UNIFORM SHOP NEWS - Well, we are almost at the pointy end of Term 3. We are fast approaching the exciting times of all our new Kindy starters. With the success of last years "Kindy Starter Packs", we are going to offer these again. As an addition, we have decided to introduce a "Sibling Starter Pack". These will contain ONE full uniform (for either boys or girls) and will be particularly useful for those families who have older children at school and will be handing down some uniforms to the kindy kids.

Wet Weather - Haven't we had a drenching these past few weeks?! Just a reminder that we have some fantastic raincoats available. They are poncho style, with press buttons, clear and soft PVC, with either a yellow or black hood. They are \$17 each and come in size: small, medium and large.

Hats - Now that the kids have to adhere once more to the "no hat, no play" policy, it's timely to remind you all of the hats we have available. Formal hats are \$25 each, or casual hats can be purchased for \$15 each or a SPECIAL: \$25 FOR 2!! Great for putting in the bottom of the bags in case one gets lost.

2nd Hand Items - Our racks of 2nd hand items are flying out the door. The prices are just too cheap! Prices are listed at \$1, \$2 and \$5...nothing over \$5!! There are even some good condition 2nd hand school bags. Whilst we appreciate all donations, please remember that we CAN NOT accept hats, underpants or shoes.

Uniform Shop Meeting - Meeting will be held Monday 15th September at 930am. Place to be determined. We will post a notice on the shop door for those interested in attending. Open to all.

COLOUR RUN - On Sunday 24th August, a small but enthusiastic band of teachers and friends of BPS braved an early start for loads of fun at the Swisse Colour Run. The weather was amazing as we 'ran', danced and sometimes loitered through various colour and bubble stations. Thank you to all our supporters who helped us to raise almost \$500 for Red-Kite. RedKite supports children, young adults and their families through the ordeal of cancer from the time of diagnosis, to hopefully returning home, happy and healthy. It's not too late to donate to such a magnificent cause. Go to <http://thecolorrunsydney.gofundraise.com.au/page/BerowraPS> and click donate.

MONEY COLLECTION DAYS

Please note that money collection days at Berowra Public School are **Tuesdays** and **Thursdays only**.

For security of payments it would be appreciated if money only be sent to school on these days in a signed payment envelope.

We have only two days a week allocated to receipt money so please remind your child to give it to their teacher in the morning as receipting and banking are completed during the day. Correct money is appreciated as the office is unable to hold change.

Please do not hand payments in after school. Handing money into the office may result in confusion and your child's name not being marked off as paid for sport, excursions and activities.

Any payments for the choir, drama, interschool sport or extra curricular activities as well as P&C or Support Group fundraisers and the canteen special lunch days can also be handed to the class teacher, but please include these in separate envelopes and with separate payment.

A word from our Term 2 e-reader winner **Jessica L from 5/6J**

Last term, I won an e-reader from the Berowra Book Busters raffle. The e-reader is awesome for people who love to read. It is cheaper than buying books. There are so many amazing books to choose from. I have so much fun reading on it. It is worth winning because it's got great books to choose from on it, for all people.

School Banking

Come and meet Pat the Dog - Dollarmite and receive a free gift.

The School Banking program provides children with an opportunity to make deposits into their personal Commonwealth Bank Youthsaver account at school each week. The program is about consistency and teaching our kids the importance of regular deposits, it's not at all about how much they deposit.

The Commonwealth Bank will be holding an account opening day at Hornsby Branch, Westfield's Hornsby on Friday 12th September 2014 from 12.00pm to 5.00pm. It's a great opportunity to come into the Branch to learn more about the program and if possible, bring the kids with you. It's exciting for them to see just what goes on in the Branch. If you are interested in opening a Commonwealth Bank Youthsaver account for your child, please bring your driver's licence or another form of photographic identification. We will also need either a birth certificate or passport for the child.

Simone Dimech our School Banking Specialist will also be in the Hornsby Branch, so be sure to pop by and say hello!

Key points to remember around schools

2 Driving near school buses

There is a 40km/h speed limit for traffic passing a school bus that is setting down or picking up school children.

This speed limit is for all traffic travelling in the same direction as the bus, whether the bus is stationary or moving.

The 40km/h speed limit must be obeyed when the rear wig wag lights on the bus flash.

Flashing headlights on these buses also alert oncoming motorists that children are close by.

As a driver, remember: When the lights on the bus are flashing, you must slow down to 40 km/h.

Never park in or near a bus stop or bus zone.

3 On and off the bus safely

Your child is most at risk in the minutes after getting off the bus. You can reduce this risk.

Meet your child (or arrange for another trusted adult to meet your child) AT the bus stop, NEVER on the opposite side of the road.

Wait until the bus has been driven away before choosing the safest place to cross the road, then follow the usual road crossing procedures with your children.

STOP! One step back from the kerb.

LOOK! For traffic to your right, left and right again.

LISTEN! For the sounds of approaching traffic.

THINK! Whether it is safe to cross.

Teach your children to keep turning their head in both directions to look and listen for traffic as they cross the road.

While waiting at the bus stop, stand well away from the passing traffic. Never wait right at the kerb.

Remind your children that when a bus is fitted with seatbelts, they must buckle up.

Until they turn ten, hold hands with your child as you cross the road.
