Children's Voice for Reconciliation

Friday, 29th May, some children from kindergarten and year 6 performed at Hornsby Westfield Plaza for Children's Voice for Reconciliation. These children were amazing. They were 'perfectly' behaved and their presentation of the Aboriginal Flag and a dramatization of a dreamtime story were inspiring. Many thanks to the parents who supported us with this excursion.

Furniture....help!

We have many metal leg chairs and old desks in the school that we need to 'dump'. These chairs and tables are still usable but we don't have any storage space and the department will not take them. If you want any please contact the school office.

Whatever is left when the 'kerb side clean up' is on, I would ask if parents could take home a couple of chairs each to put out for this clean up as we are not allowed to do this.

Congratulations

Mackenzie W (6B) represented BPS in the Sydney North Area Football Team at the NSWPSA Girls' Football Carnival at Camden. The team performed extremely well winning all their games. They are now 2015 State Champions. Kieran R (6B) and Ben W (6K) who were selected into the Hornsby Kuring-gai Combined Zone Boys Softball Team.

School Issues

Many times I become aware of 'rumours' that tend to 'go around' the school community. Unfortunately, we never 'let the truth get in the way of a good story' and as such the rumour tends to be more exciting than the actual truth. Thankfully there are parents out in our community who are very proactive and let me know what is happening and I am able to agree or disagree with the story.

Please, if you have a concern or issue about something that you have heard either from your child or another helpful parent please contact me. Children sometimes get very emotional and 'wrapped up' in what has happened that they muddle the events. This is human nature and is why as teachers we sometimes spend a huge amount of time ensuring that we 'get to the bottom' of what really happened!

Many years ago I heard a wonderful saying:

"If you don't believe 100% of what your child says happens at school, we will not believe 100% of what your child says happens at home!"

Semester One Reports

Half yearly reports will be sent home next week. These reports have been reformatted to comply with the Australian Curriculum and are consistent across our Community of Schools. A change in this report is in the overall achievement scale. The term 'sound' has been changed to 'expected'.

If your child achieves an 'expected' then they are **achieving exactly** where they should be for their year. This is the level the curriculum 'expects' students to achieve.

If you have any concerns please contact your child's teacher for an appointment.

Term Fees

Unpaid fees for Term 2 are now due. These fees include excursions which are organised to enrich the school learning programs. Accounts for unpaid fees have been sent to parents and caregivers. Please contact the principal if you are experiencing financial difficulty in meeting these accounts. Arrangements can be made but it is difficult to help if communication regarding payment is not made.

Please also be aware that if you choose for your child to be part of an elective sport team or group, payment needs to be made otherwise children will have to be omitted from the team.

School Uniform

I am very impressed to see nearly every child, nearly every day, in complete school uniform. Unfortunately, it is not the same on Fridays with the sports uniform. Please remember – **leggings are not part of the school uniform or sports uniform**. Also short shorts are not part of the sports uniform for either boys or girls. Please also ensure that if, for some reason, you feel your child needs to wear skins under their shorts that they are black and not another colour!

Resilience and our children

"Life is not about what happens to us but what we do about it"

As much as we would like to defend our kids from the difficulties in life, from experiencing crisis, change or loss, we cannot! However, we can give our kids the tools to recover from difficult times when those hit.

For kids, changing seats in the classroom, a friend saying, "I'm not your friend anymore", or not being invited to play during a break can be "the end of the world". Still, the way kids (and adults) deal with these difficulties is what sets kids apart.

Resilience is part of our emotional intelligence. When faced with a problem, resilient people focus on finding a solution rather than getting depressed and feeling like victims. Resilience is another name for emotional strength.

As parents (and teachers), our role is it to help our kids respond positively and with strength.

Our lives are not determined by what happens to us but by how we react to what happens, not by what life brings us, but by the attitude to what we bring to life.

A positive attitude causes a chain reaction of positive thoughts, events and outcomes.

LIBRARY NEWS - Thanks again to all those parents who support the Book Club. The Bonus Points we receive have allowed us to purchase many new and exciting books for our children to read and borrow. Thanks also to Mrs Steele and Mrs Williams for running the Book Club so efficiently. I know it takes up quite a lot of your precious free time.

Thankyou to all those students who returned their overdue library books. We have a two week borrowing period but books can be renewed at any time.

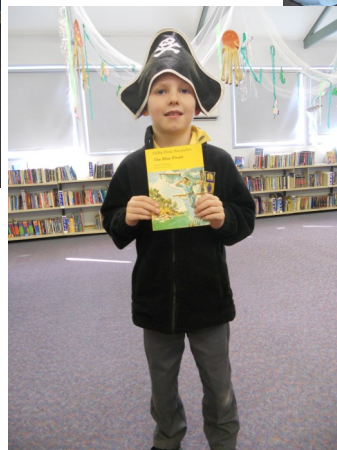

Holidays are coming up and children are encouraged to borrow double their usual number of books to read. Our author of the month of May was Richard Tulloch (writer of "Bananas in Pyjamas!"). We have been enjoying his humorous stories for juniors and seniors, all of which are now available for the children to borrow.

We are so lucky to have air conditioning in the Library which has been keeping the children warm on these cold mornings.

My Granny - By 2P

She has white silky hair with curls. When she goes to read a book she gets her glasses to help her. She smells like roses when she puts her perfume on. When Granny does the gardening the flowers smell nice because she does good work to the flowers. My Granny is kind because she helps me do work when I go to her house. Granny also kisses me good night and she makes the best cake in the world!

By Annie S

My Nanny has interesting hair. Does yours? She also has a friendly smile and a croaky voice. She has a whiskery chin and a spotty neck. She has fragile shoulders as well as fragile elbows and arms. She has delicate legs and sensible shoes. She has baggy underpants and she is in a wheel chair. My Granny likes to blow kisses and she makes my cheek wet. She also likes to travel like when we are going away in one week and six days. She will tell us where we are because she is smart. I love my Nanny because she takes me places.

By Jackson C

This is my Nana, her name is Alison. She is my dad's mum and this is what she looks like. She has amazing, short, smooth hair. She also has delicate skin and she smells nice. She wears lots of jewellery on her neck sometimes. She likes to wear silky dresses and a t-shirt with jeans on top of her thin legs. On her little feet she likes to wear comfy slippers around the house because her feet are cold. When we arrive at her house she sometimes bakes us cookies. When we stay over she always kisses me goodnight. Lucky last, she likes to go shopping with me and my brothers and I love her so much and so do my brothers!

By Chantelle C

My Nanny cares for me. She is loving, my Nan. My Nan likes to give cookies, does yours like to? My Nan doesn't like my Poppy giving us treats! My Nan is helpful. She says I am fantastic but I think she is fantastic. When I go over to her house she helps me do stuff like maths. I think she is very smart. When I get tired she is very peaceful. Then I get a rest. Nan likes to go on a walk and she also likes to garden. My Nan loves to read. I love my Nan.

By Kiara B

My Granny has puffy hair on top of her fantastic perfume smelling head. She also has dot-like eyes in the middle of her beautiful face. My Granny has a big friendly smile, does yours? My Granny has a wrinkly neck and she has a soft voice and when I visit her she says "hello poppet", quietly and croakily. She also has lots of jewellery all around and she has a big soft lap. She has stiff knees and stiff legs so she has to be careful. She likes to take me to special places and she never, never, ever is angry with me. I love my Granny.

By Caroline B

My Nanny is very smart. I like to do housework with my Nanny. My Nanny loves to play games with me and she loves to cook. Sometimes my Nanny picks me up from school and she wears her jeans and sneakers. When she doesn't wear her sneakers she wears sensible shoes. Her eyes are green and on special nights she makes me yummy dinner. My Nanny is amazing. I love my Nanny.

By Harry M

My Grandma has spiky hair and she bakes cakes. My Grandma has a wobbly bottom and she is a mountain climber. I love my Grandma. Her dresses are lovely when she goes to a wedding and she makes lovely dinners. When I see her she smells lovely, like flowers. Her hair is wonderful with flowers in it. She normally goes to the shops every day. My Grandma is a leader of a police company and she has real guns and tasers. I love my Grandma.

BOOSH Chocolate Drive

Dear Parents

Chocolates were distributed to the classrooms on Friday 29th May

I would like to thank parents who have returned their 'opt-out' slips already. If you do not wish to sell chocolates and have forgotten to return your slip please send me an email as soon as possible stating your family name and children's class.

While our intention is to provide each family, wishing to sell chocolate, with only one box per family, it is difficult for us to determine all families that may have more than one child attending the school. Therefore, if you receive more than one box please feel free to return the extra boxes directly to BOOSH. If you are able and willing to sell more, however, please feel free collect more from BOOSH also.

If you have inadvertently received chocolates please accept our apologies and return to BOOSH.

I wish to thank you for your support and to those families who have made a donation instead of selling chocolates. Your support and generosity is greatly appreciated.

Happy Selling
