### **Hornsby Zone Cross Country success**

Congratulations to our Zone Cross Country Team who participated with great enthusiasm and commitment. Mr Jones, Mrs Beckedahl and I were extremely proud of everyone. The determination and focus from all competitors was wonderful. Out of the 15 Hornsby Zone schools, Berowra Public School placed 4<sup>th</sup>, a few points behind Turramurra. Last year we placed 5<sup>th</sup>!

Congratulations to the following runners who will now proceed to the Area Carnival – Jackson C (2P), Jake Da S (3P), Matthew C (4W), Bodie D (4W) and Mackenzie W (6B).

Congratulations also to 12/13 girls – Mackenzie W, Jasmine M, Hayley S and Abbey T – our top 4 runners - who achieved the '12/13 year Champion's Banner'.

Best wishes to the Area Competitors. If you finish in the top 6 at Area, State is your next event!

### **Bullying**

The National Safe Schools Framework defines bullying as **repeated** verbal, physical, social or psychological behaviour that is harmful and involves the misuse of power by an individual or group towards one or more persons. Cyberbullying refers to bullying through information and communication technologies, e.g. the internet or mobile devices.

Conflicts or fights between equals and single incidents are not defined as bullying. Bullying of any form or for any reason can have long-term effects on those involved, including bystanders.

In short, bullying is a repeated pattern of harmful verbal, physical or social behaviour which involves the misuse of power. Cyberbullying is bullying through the internet or mobile devices.

Our advice to children when being faced by bullying behaviour is to put your hands out in front of you, say "**STOP**" in a loud voice; say '**I don't like that**' and then **leave them and walk away**. We also ask that if this happens that the child lets a teacher know so that it can be recorded and the child comforted and told that they have acted in the correct manner.

The legal age limit for Facebook, Kik, Instagram and Twitter is 13 years and above; for Snapchat it is 18 years and older.

Never leave computers, laptops, tablets, ipods or mobile phones in bedrooms as this can cause lack of sleep due to interruptions/texts or other media notifications. **Always ensure that as a parent you have access to your children's passwords and logons**, so that you can monitor their activities and ensure they are not being bullied or on inappropriate sites. Remember that if you don't allow certain children into your house to play with your children – do not allow them into your house via the internet!

### **Special Religious Education**

Review of Special Religious Education and Special Education in Ethics in NSW government schools The NSW Department of Education and Communities has commissioned an independent review of the implementation of Special Religious Education (SRE) and Special Education in Ethics (SEE) in NSW public schools. The review is being conducted by an independent research company, ARTD Consultants. This company provides services in evaluating public policy. The review will inform ongoing improvement of SRE and SEE for the Department and providers. How can you participate in the review? You can complete a survey up until 31 July 2015 via an online portal, located at this link: <http://forms.artd.com.au/s3/Onlinecontribution-for-parents-carers>

The survey is in English and has 19 questions. For most questions you can select an answer from the multiple choice options provided. Only two questions ask for written answers. Extra written feedback for another five questions may be provided if desired but is not essential. Queries or complaints about the way the review is conducted.

For questions or concerns associated with participation in the review or to raise a complaint about the conduct of the review, please contact the Leader, Quality Assurance, on (02) 9244 5025 or by email at [SRE-SEE-Review@det.nsw.edu.au](mailto:SRE-SEE-Review@det.nsw.edu.au). All complaints will be treated confidentially

## Be Resilient

Congratulations to our  
"Purple Gumleaf Gotcha"  
recipients

### Term 2 – Weeks 5-7

- ✓ **Three Steps to be Resilient**  
Say **"STOP! I don't like what you said or did"**  
If they continue, **WALK AWAY**  
Finally, if it continues, **TELL A TEACHER**
- ✓ Look people in the eye, shoulders back.
- ✓ Be a Cobber, not a Dobber. Stand up for your friends or someone being bullied.

### Survivor

Kieren and I were chosen to go to Wideview Public School and compete in their very own survivor. Here is a little recap of the day.

We were split into groups. We named ourselves The Green Gators and then we made our team flag. The teachers told us that we would be put through mental and physical challenges and we would have to work together as a team. Some of the challenges were tent building, obstacle courses, stacking cards and balancing. Kieren was the only survivor who knew how to put up a tent. It was funny watching everyone struggle.

My favourite was the obstacle course. They had various obstacles around the playground. Each member of the team was timed which went towards our overall score.

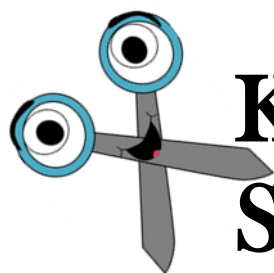

Unfortunately our team were not the sole Survivors.

The day was lots of fun and I thought it was a great way to meet new friends.

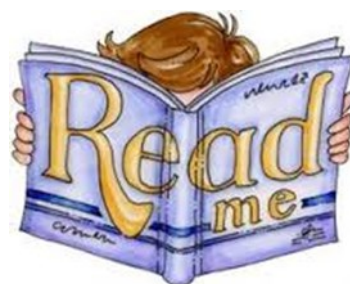

We should definitely hold our own survivor!

## Year 1 - The Movers and Shakers

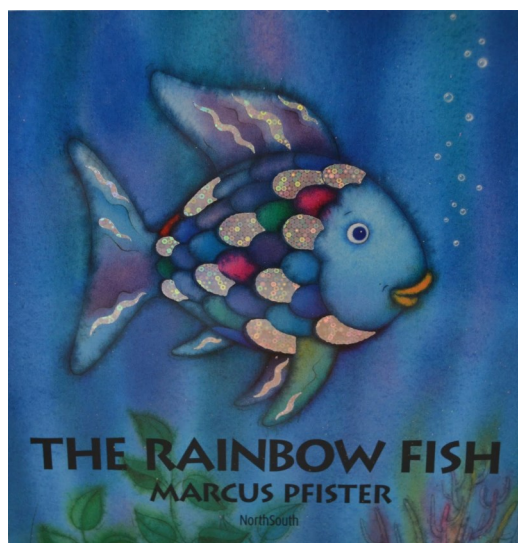

### Year 1 Big Writing

Our first Big Write for the term was based on the book called The Rainbow Fish by Marcus Pfister. The children had to write a letter to their teacher describing what they would see if they dived into the deep dark blue ocean using WOW words.

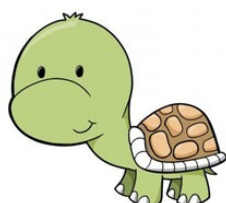

Dear Teacher,  
When I dive into the ocean I can see a rainbow fish that has shades of blue, green and purple. It also has some silver sparkling shiny scales. I also can see a wise old octopus that likes to drink tea and tells everybody what they need to know.

From Charlie

Dear Teacher,  
When I dive into the ocean I see a turtle. A turtle has four legs. It is green and it has a brown shell. It is slow and it is quiet.

From Oliver

Dear Teacher,  
When I dive into the ocean I see a dolphin. It is grey, it eats fish and it has tiny teeth. I also see a starfish. It is yellow, it has 5 legs and a little smile as well. I see an octopus and it is purple and has eight legs.

From Eloise

### **Kindergarten- The Happening Year!**

Volcanoes, books, trains.....  
always exciting times in Kindergarten!

### **Year 2 – The Big Mob**

Last week Year 2 visited the vegetable garden and had fun planting, weeding and watering. While we were developing our green thumbs, we were thinking about, predicting and observing changes to our environment.

# STAGE 3 NEWS

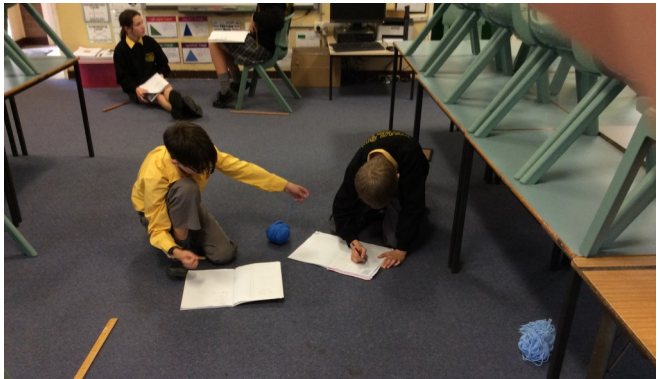

Stage 3 continue to work well in class as well as act as responsible role models around the school. This week all classes are concluding the HSIE unit of work on 'Rainforests'. Year 5's rainforest presentations are proving to be very informative and engaging, with students and teachers being impressed at the high quality of the work.

Currently Year 6 is investigating carbon dioxide emissions and their impact on the environment. They are linking this with their knowledge of rainforests and analysing the importance of maintaining rainforest ecosystems in order to reduce greenhouse gases and their effects.

We have linked this to our maths unit on area and on Thursday this week we are going on a mini excursion to mark out an area of  $25\text{m}^2$  in order to count the trees growing within and then to calculate the amount of  $\text{CO}_2$  absorption that occurs. By then comparing this to an area within a rainforest, students will understand just how important those environments are.

Stage 3 will also be completing their 5<sup>th</sup> 'Big Write' for the year this week. The quality of student responses has shown steady and impressive improvement through participation in this program, including development in punctuation skills and use of higher order vocabulary.

Literacy groups continue to maximise learning efficiency in the classroom as well as student independence and a growing sense of responsibility for their own learning.

Semester 1 assessments are well underway with teachers working hard to complete reports. I know you will understand if you come across any teacher suffering with 'BEAR' head syndrome in the next few weeks.

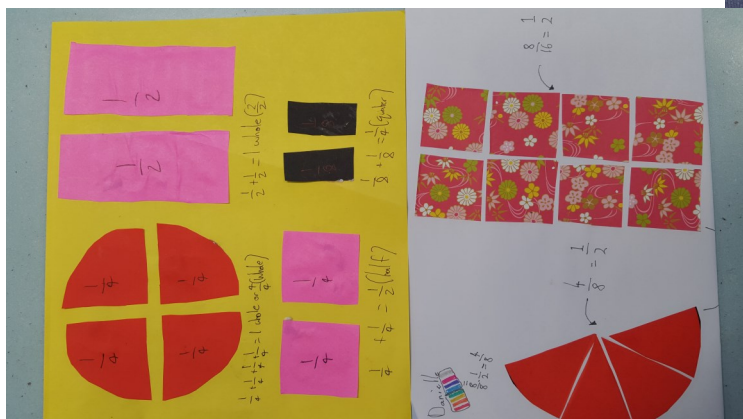

Year 6 look amazing in their jumpers and excitement is already building for the Canberra/ski trip next term.

If you have not already informed the office or class teacher if your child is attending or not, please try to do so as soon as possible.

# Stage 2

Stage 2 fun with fractions and two dimensional shapes, tangrams... Make it, say it, draw it and write it. Learning mathematics requires careful planning and improvisation.

## Student Travel Passes

We have been advised by Transdev, the bus company that the paper bus passes are to last for the whole of 2015.

As there is a fee for replacement bus passes, it is advisable that students have a wallet with a clear window to keep the bus pass in or that they be laminated.

## **BOOSH Chocolate Drive**

Dear Parents

Chocolates will be distributed to the classrooms on Friday 29<sup>th</sup> May

I would like to thank parents who have returned their 'opt-out' slips already. If you do not wish to sell chocolates and have forgotten to return your slip please send me an email before Friday stating your family name and children's class.

While our intention is to provide each family, wishing to sell chocolate, with only one box per family, it is difficult for us to determine all families that may have more than one child attending the school. Therefore, if you receive more than one box please feel free to return the extra boxes directly to BOOSH. If you are able and willing to sell more, however, please feel free collect more from BOOSH also.

If you have inadvertently received chocolates please accept our apologies and return to BOOSH.

I wish to thank you for your support and to those families who have made a donation instead of selling chocolates. Your support and generosity is greatly appreciated.

Happy Selling

Michelle
