A proud member of the:

KEERAWALL COMMUNITY OF SCHOOLS

Welcome back to Term 4.

I hope that you had a restful and happy break and you are ready to move into what is usually the busiest term of the year. Our Year 6 students are now into their final term of primary school which is very exciting and as a school we begin to plan ahead for the end of year festivities and for the beginning of 2017.

Our Kindergarten 'Berowra Beginners' program for 2017 Kindergarten students began this week. If you have missed out on this special event please contact the office immediately in order for us to include all students in this exciting program. The program is designed to assist the children to feel more relaxed and comfortable about starting at school next year by introducing them to the teachers and to their new friends in an enjoyable and informal manner.

The Swim School commenced last week and I congratulate the children for their behaviour and improvement in the pool. Many thanks to the teachers – Mrs Pickering, Mrs Cabral and Miss Lloyd (who even braved the water) for their dedication to this program. Congrats to you all!

We welcomed new families last week and they appear settled and happy. As well we welcome back the Lea family with Jarrod returning to complete year 6. I know the children have made all these new children feel very welcomed.

Selective high schools application

On Tuesday, 11th October, 2016 the online applications opened for entry to Government Selective High Schools for Year 7 in 2018. Application for entry in 2018 can be made online between **11th October 2016 and 14th November 2016** for parents or carers of Year 5 students who wish their children to be considered for placement in Year 7 at a selective high school in 2018. Parents with internet access are requested to apply online.

Application information is available on the Department's internet at: www.schools.nsw.edu.au/shsplacement For parents without internet access a limited number of paper application forms will be available in the school office from 13th October, 2016. Paper applications must be submitted to the school principal by 15th November 2016.

All students seeking Year 7 entry to a selective high school in 2018 will be required to take the Selective High School Placement Test on the morning of Thursday 9th March, 2017.

Classes for 2017

During Term 4 many parents begin to think about classes for the following year. The staff and I are concentrating on providing the best education for children in 2016; consequently plans for next year regarding teachers on certain grades are not in place. Please do not assume that teachers will remain on the same grade next year.

Requests for a particular teacher cannot be accommodated. I also ask parents not to attempt to pick and choose who they would like their child to be or not be with next year. Genuine and special reasons should be directed by phone, letter or interview to the principal. Class teachers or executive will not take requests for class placement next year. Naturally, parents will discuss their child's needs with the class teacher but promises of classes and teachers will not be made by the 2017 class teacher. In short, see me if you have any concerns, but please trust the teachers and me to place your child in a class where they will have friends and learn in an engaging friendly atmosphere.

We are carefully monitoring our anticipated enrolments for 2017. Thanks to those who have already returned an enrolment form. Please contact the school for an enrolment package if you have a sibling yet to enrol or **you are aware you will not be returning to BPS in 2017** and have not yet notified us.

ENROL NOW FOR KINDERGARTEN 2017

Enrolments for Kindergarten are well underway.

If your child or you know of a child ready to start school next year make sure they are enrolled.

Berowra Beginners Program commenced this week and Kindergarten Orientation Day is on Thursday 24th November.

For more information contact the school office on 9456 1319.

Presentation Day

Wednesday 7th December 2016 is our Presentation Day. This year our Presentation Day will be held in our school hall over two sessions. This is the culmination of the year and will be celebrated by our two distinctive awards presentations. All students will be recognised for their achievements during these assemblies. The Celebrations of Learning will no longer be held.

10:00am K-2 Assembly

11:30am Morning Tea all parents or community members who have helped the school in any way during the year are invited

12:00pm 3-6 Assembly

Road Safety

Please ensure that our children are safe at all times:

- Walk your children across the road at the crossing
- Do not attempt U-turns across Hillcrest Rd
- Wait for the 'Crossing Lady' before crossing
- Do not get out of your car at "Kiss and Drop"

Resilience and our children

"Life is not about what happens to us but what we do about it"

As much as we would like to defend our kids from the difficulties in life, from experiencing crisis, change or loss, we cannot! However, we can give our kids the tools to recover from difficult times when those hit. For kids, changing seats in the classroom, a friend saying, "I'm not your friend anymore", or not being invited to play during a break can be "the end of the world". Still, the way kids (and adults) deal with these difficulties is what sets kids apart.

Resilience is part of our emotional intelligence. When faced with a problem, resilient people focus on finding a solution rather than getting depressed and feeling like victims. Resilience is another name to emotional strength.

Resilience is not ignoring unacceptable behaviour and walking away. Please ensure that if your child is a victim of 'unacceptable behaviour' that yes they ignore and walk away BUT they must inform a teacher, in order for us to intervene and monitor unacceptable behaviour at school.

As parents (and teachers), our role is it to help our kids respond positively and with strength.

Our lives are not determined by what happens to us but by how we react to what happens, not by what life brings us, but by the attitude to what we bring to life.

A positive attitude causes a chain reaction of positive thoughts, events and outcomes.

Principal

OFFICE UPDATE - On the last page of The Crest you will find parent consent slips. Please copy these and keep at home.

If you are paying via the Parent Online Payment (POP) system, permission is often still needed. You could either send an empty permission envelope stating that you paid online or just complete and send in one on these consent slips. If still paying by cash, cheque or credit card, permission envelopes are still the most convenient and secure way to sent payment to the class teacher.

SUPPORT GROUP - The next meeting for the School Support Group will be held on Tuesday 25th October at 9.30am in the staffroom. We will be discussing fundraising ideas for next year. Come along and enjoy some morning tea with us. All are welcome.

COMMUNITY NEWS - Unwind, Relax and Revive—information session of healthy lifestyle in partnership with Lifeline and other local services which will proved an opportunity for families to learn the common causes of mental health problems, early signs, the strategies to held cultivate greater wellbeing and the help available for the families. Lifeline facilitator and counselor will also teach how to use mindfulness and relaxation to enhance your concentration, sleep and feel recharged.

School Uniform Update

After the Yarning Circle discussions on NAIDOC Day and the motion put forward at Student Parliament during term 3, the students and I have investigated the options and requests put forward by our students. The girls wanted a more practical uniform and all students wanted a uniform that reflected our school colours.

We found black culottes (less than \$20) for the girls in summer and long black trousers for winter. We have sourced purple polo shirts identical to our staff shirts with the school emblem (embroidered) on them for less than \$20 each.

The year 6 children drew sketches of our proposals. This uniform would be an 'optional extra' and can be worn as the sport's uniform also.

School Student Transport Scheme Applications open 10 October 2016

From Monday 10 October 2016 parents, guardians and students over 16 years, will be able to apply for 2017 School Student Transport Scheme (SSTS) travel pass by visiting www.transportnsw.info/school-students

Information for parents and students

School travel passes only need to be updated when a student:

- changes address, or
- changes school or campus.

A new application is required when:

- applying for an SSTS pass for the first time,
- enrolling in Kindergarten,
- progressing from Year 2 to Year 3,
- progressing from Year 6 to Year 7, or
- requesting an additional pass as a result of a new shared parental responsibility situation.

For more information on planning your school travel, visit www.transportnsw.info or contact your local operator.

Passes for 2017 travel

Opal network: Please remind ALL students to keep their School Opal cards for travel in 2017. These cards will be automatically deactivated for school holidays and then reactivated for school travel in term one. Current School Opal cards can be updated with changes of school, home address or operator.

Rural and regional travel: Student's travelling with operator issued passes will receive a new pass in the new school year.

Transdev Lost Property

Transdev advises:

If you or someone in your group leaves belongings on our bus, please contact us as soon as possible.

All lost property enquiries should go direct to our Bankstown Depot 02 8700 0555 or via our website www.transdevnsw.com.au.

We encourage you to make your enquiry as soon as possible to help speed up the recovery process.

What is a School or Child/Youth Opal Card?

The **School Opal card** is a free travel or discounted travel Opal card to help eligible students to get to and from school. It is only valid for approved travel on school days between your home and school with restricted hours, on the mode(s) specified in the original application.

For travel outside of school, for personal travel or if ineligible for a School Opal card, students should use a **Child/Youth Opal card**, a concession fare Opal card for customers aged 4/15 (inclusive), or customers 16 years or older who hold a NSW/ACT Senior Secondary School Concession Card. The card must have **sufficient balance** on it for the intended travel.

Tap on and off, every time to validate your trip

At the start of each trip, tap on by placing your Opal card on an Opal card reader located at the entrance of the bus.

At the end of the trip, tap off by placing your Opal card on an Opal reader again.

Opal card holders **must always tap on and off for each trip and each transport mode** used during their journey.

If an error message displays when tapping on or off, students must take notes of the error code and contact Opal Customer Care for assistance.

No tap on and off, no bus services

Although some might have a free pass, **all students must tap on and tap off**, so we understand customer travel patterns and can adjust the services provided if necessary.

If students don't tap on and off, services may be withdrawn due to the lack of recorded patronage, or redirected to other schools where the demand is higher.

Any lost, stolen, faulty or damaged Opal card must be **reported online immediately**.

While waiting for a replacement card, students must use a Child/Youth Opal card to travel.

Your Opal Customer Care useful contacts

Call **13 67 25 (13 OPAL)** or visit **opal.com.au** (24 hours, 7 days):

- ⇒ Access Opal School or Opal Child/Youth eligibility criteria,
- ⇒ Apply for an Opal card,
- ⇒ Register a Child/Youth Opal card, view balance or top-up credit,
- ⇒ Report an Opal card error message when tapping on/off,
- ⇒ Update a student profile if details have changed (e.g.: school, home address),
- ⇒ Report a lost/stolen, faulty or damaged Opal card,
- ⇒ Order a replacement Opal card.
