Kindergarten 2017

Many thanks to Mrs Layson and the office staff who have organised the Kindergarten 2017 Information Sessions. We have had many parents attend and the response has been very positive.

Relieving Principal

From Monday, 30th May to Friday 10th June, Mrs Elizabeth Beckedahl will be Relieving Principal as I will be on Long Service Leave.

Stranger Danger

Please have that conversation with your children about being careful around people they don't know due to recent events in our area.

Children do not understand the concept of a stranger. Many believe that strangers are mean, ugly people — so the nice man asking for help to find his lost puppy? Not a stranger!

Further confusing the issue, children sometimes need to turn to people they don't know for help. Lost children should be taught to ask for assistance from a store clerk, police officer, or parent with children. These people are strangers, but in this situation children should be encouraged to talk to them. It may be hard for younger children to understand the difference between strangers who may be able to help them and strangers who could potentially hurt them.

Instead of teaching "stranger danger," try the following tips when talking to your child about abduction prevention safety, let them know...

- You should not approach just anyone. If you need help, look for a uniformed police officer, a store clerk with a nametag, or a parent with children.
- It's important for you to get my permission before going anywhere with anyone.
- Pay attention to what people do. Tell me right away if anyone asks you to keep a secret, makes you feel uncomfortable, or tries to get you to go with them.

In addition to these conversations, using role-play may help your children practice their abduction prevention skills. The more children practice, the better prepared they will be to respond to an emergency.

Playtime

I have been reading articles lately on the role of play in children's development. I really feel we are not letting our children experience play and are placing too many rules on their play at school and possibly at home.

Here is a link to an interesting article I read last week which looks at the theory of *"kids aren't learning critical life-coping skills because they never get to play anymore."*

I think as adults we are too quick to rush in and try to 'fix' problems for our children and we aren't giving them the time or the skills to solve problems for themselves.

Have a read if you are interested....<http://qz.com/642351/is-the-way-we-parent-causing-a-mental-health-crisis-in-our-kids/>

LIBRARY—Library fun with I pads

Children in years 3 and 4 have been studying Living Things in class and have been using our new ipads and laptops in the library to research and present their findings. The children are enjoying the learning space the library offers to work in pairs and groups.

DRAMA – Our drama auditions are on Wednesday 1st June at 12noon in the school hall. It is an exciting time as we practise to ensure we are accepted for the Arts North Drama Festival at the end of July. This year it is at the Seymour Centre, Chippendale.

DANCE—Last week, our two school dance groups auditioned to take part in the Sydney North Dance Festival. They were fabulous and of course they got in! They will be performing at Glen St Theatre in the last two weeks of this term. We wish them the best of luck.

During the last week of Term 1 some more of our younger students attended dance workshops at Sydney Dance Company. It sounds like they had fun!

“My favourite part of the dance workshop was when we got to spell our name using our body to make the letters and learning the contemporary dance style.”

By Tiana P (Year 3)

“On Tuesday I went to the Sydney Dance Workshop in the city. I did three classes, which were fun. I learnt new choreography and technique. It was an amazing day.”

By Jackson C (Year 3)

“Today we went to a dance workshop at the Sydney Dance Company in the city. It was fun and we learnt three styles of dance. They were composition, modern and musical theme. It was a great opportunity to learn some different dance styles. We thank Mrs Lukic and the teachers who taught us. We had a great day.”

By Caitlyn J, Alicia S, Mackenzie F and Mac T (Year 4)

“My favourite things about Sydney Dance Company were...Jazz. I love how Carly made us loosen up at the start with very unusual dance moves of our own. Carly was very imaginative. Lyrical. We danced with Clare to musical instruments in parts then altogether. We did cannon. It was a great day at Sydney Dance Company.”

By Bella and Ava (Year 3)

“Yesterday Jed, Jackson and I went to Sydney to dance in a big studio. First we did baby technique. The teacher was Kelly. In contemporary dancing we did imaginary dance. Lastly we did choreography with Casey.”

By Jarvis and Jed (Year 3)

MONEY COLLECTION DAYS

Please note that money collection days at Berowra Public School are **Tuesdays** and **Thursdays only**.

For security of payments it would be appreciated if money only be sent to school on these days in a signed payment envelope.

We have only two days a week allocated to receipt money so please remind your child to give it to their teacher in the morning as receipting and banking are completed during the day.

Correct money is appreciated as the office is unable to hold change.

Please do not hand payments in after school.

Handing money into the office may result in confusion for the teacher and your child's name not being marked off as paid for sport, excursions and activities.

Any payments for the choir, drama, interschool sport or extra curricular activities as well as P&C or Support Group fundraisers and the canteen special lunch days can also be handed to the class teacher, but please include these in separate envelopes and with separate payment.

Don't forget that you can also pay online. However, signed permission envelopes are still required to go to the teacher for excursion. Just mark on it that you paid online.

Thank you for your cooperation.

SCHOOL SUPPORT GROUP— The Mother's Day stall was a great success. We raised approx. \$1400. Thank you to Jo H for organising everything and to all our wonderful volunteers who helped on the day. Our next meeting is on Tuesday 24th May at 9.30am in the staff room. We would love to see you there.

CANTEEN—Everyone enjoyed the sausage sizzle held at the Cross Country Carnival. Thank you to all our helpers especially Mr Henry and Mr Ludlow who cooked all the sausages. Special events like this would not be able to be held if not for all our volunteers. Volunteers are always welcome at the canteen. If you would like to help out, please see Teresa on a Wednesday, Thursday or Friday.

BOOSH COTTAGE—BOOSH Cottage has a fantastic fundraising project at the moment—Pictureproducts. Please see the information and order form at the end of The Crest or see one of the BOOSH workers.

Last term, **3A** studied geology for their science topic for the term. To better understand how rocks are formed, they made rocks using starburst lollies.

BPS Cross Country

Thursday 5th May

What an action packed fortnight we've had!! We had a great time running in the Cross Country Carnival; Stage 1 had a sensational time at Muogamarra; Ms Anita Chin entertained us with her fabulous mathematics lessons and we have many visiting In-Service teachers. So, sit back, relax and enjoy our entertainment.

Kindergarten- The Happening Year!

Kindergarten had a fantastic time when we had our developmental play outside on a beautiful sunny Wednesday afternoon. All three classes were involved and had lots of fun playing and sharing with their friends.

Year 1 - The Little Mob

Year one had an amazing time on their excursion to Muogamarra. We learnt so much about our environment and how to preserve

We were so lucky that we got to see some amazing Aboriginal carvings that date back hundreds of years ago. They all represented something very significant to the Aboriginal people.

Year 2 – The Big Mob’s Adventure in Muogamarra

DID YOU KNOW???

Under the Companion Animals Act 1998 No 87 (14.1.e), dogs are prohibited in school grounds, (whether or not they are leashed or otherwise controlled).

For the safety of all students, toddlers, babies and adults, please do not bring dogs into the school grounds, even on leashes. Some children have a genuine fear and it can be quite distressing for them as well as for parents, particularly those with very young children.

Thank you for your support in this matter.

AUTUMN 2016

find us on

Only the best will do

Parent Line counsellors use research-based understanding of children and families together with proven parenting strategies to help parents develop more positive relationships with kids. We support parents to find strategies that best work for their family and we provide thousands of referrals every year to services all over New South Wales.

ParentLine is a unique telephone and online counselling and support service for parents and carers. We cover issues with babies, children and young people up to 18 years of age, all over NSW. Our counsellors are professionally trained and specialise in working with families.

TOP 5 concerns in 2015

Last year we were most often asked about:

1. Child anxiety
2. Reducing parent/child conflict
3. Managing challenging behaviour
4. Managing parents' stress
5. Impact of parental conflict and separation on kids

Many parents have concerns at times during the primary school years about their child's social development or learning skills. **Talking over concerns with a parenting counsellor can identify where problems might be occurring and we can offer referrals and/or parenting strategies to assist.** We can also talk about changes in a child's behaviour or character to help parents understand what may be happening for their child.

Child development and learning

Tough conversations

The primary school years are filled with tough conversations parents need to have with kids. Some of these include:

- * Strangers and safety
- * Using technology
- * Sex education
- * Bullying
- * Grief

Parent Line counsellors are very familiar with these conversations and can help parents find the best ways to communicate concerns without making kids distressed or defensive. **Call us or jump online at www.parentline.org.au to chat to a counsellor.**

5 signs of a healthy family

Whilst every family is unique, researchers find there are common signs of healthy families:

- * Members are committed to one another
- * Families engage in positive communication
- * The family spends significant time together
- * Members show affection to one another
- * The family actively engages together to resolve crises (Golan 1999)

Our counsellors can help families develop these ways of being together.

"I just DON'T want to go!"

Our counsellors receive weekly calls from parents with this issue, and there are many reasons why children may not want to go to school. Our counsellors can discuss your family situation and what your child may be experiencing so that we can help you find some strategies that work.

Introducing

Book Clubs LOOP for Parents

NOW
AVAILABLE
AS AN APP!

LOOP is the **NEW** Scholastic Book Clubs **Linked Online**
Ordering & Payment platform for Parents.

If you want to pay by credit card for your online Book Club order, our new platform makes it easy! It eliminates the need for paper order forms plus your online order is submitted to the school safe and sound.

Log-in to www.scholastic.com.au/LOOP or download our **NEW** iPhone and iPad app from the App Store!

- For a quick start, just click on **ORDER** in the top menu or **REGISTER** first to save your details for next time
- Select your school and your child's class
- Add your child's first name and last initial (so the school knows who the book is for)
- Enter the item number from the Book Club brochure
- You can order for multiple children at once if they attend the same school
- All orders are linked directly to the school for submission to Scholastic. Books will still be delivered to your child's classroom if you order by the close date
- There's no need to return paper order forms or payment receipt details to your school!

For a quick how-to-order video, log-in to www.scholastic.com.au/LOOP and click on **HELP** in the top menu.

SCHOLASTIC BOOK CLUB ORDERS

Please note that parents have the option, if they prefer to do so, of directly ordering and paying for their book club orders online, rather than submitting paper order forms and cash/cheque/credit card slips to the school office. For how to do this, please see ad opposite. If parents do order and pay online, their order will be sent to the school along with the main school book club order for delivery to their child's classroom. This means that the benefit is convenience of paying (and perhaps hiding an order from your child more easily than previously), rather than any speedier delivery.

Please be aware when ordering and paying online that **if you want your order to be SECRET** and not to be sent to your child's classroom, **you must let the book club coordinators, Natasha Steele and Tammy Allen, know this and give them some way of contacting you when the order arrives, preferably mobile number**, or the order will be sent to your child in their classroom. Natasha and Tammy can be contacted directly if you know either of them, or alternatively via a note in the book club letterbox in the school office. Any such notes must be dropped in the book club letterbox by the cut off date for returning order forms for the issue, or they may not be seen as the book club letterbox is only checked at this time.

The old method of ordering by returning paper order forms to the book club letterbox in the school office and paying by cash or cheque is still available. **If you want your order to be SECRET, please clearly write 'SECRET' beside your phone number on the order form.** Again, please be sure your order is returned by the cut off date for the issue.

Thank you!
