A proud member of the:

KEERAWALL COMMUNITY OF SCHOOLS

Berowra Musica

Berowra School Band – performed, as part of the combined bands, at the Berowra Musica on Friday, 9th September. The performance was of a very high standard and I was fortunate to be invited to enjoy this entertainment. Congratulations to all of our musicians and to the children who were brave enough to perform a solo and again the Berowra Strings Ensemble entertained us.

Congratulations to all band members, Mr Howick, Dr Sue Thorvaldson and Dr Erik Thorvaldson and a big thank you to the band members' parents who helped with setting and packing up.

Congratulations:

- Mrs Lukic and Girls Dance Group – outstanding performance at Seymour Centre for the State Dance Festival – an enormous honour. Very rare for primary school children to be selected to perform in this festival. You are absolutely amazing!
- Amped Up! – who entertained a huge crowd at the ABHS Fun Day on Sunday 11th September.

School Sport Australia – Swimming Championships

Jensen G (4G) is in Darwin competing in the national swimming championships. So far he has had an amazing time with outstanding results.

- 10 years boy 200m individual medley Australian School's Champion – GOLD
- 6th place in 50m breaststroke
- 4th place in 50m freestyle
- 2nd place in 100m backstroke - SILVER

Congratulations Jensen- you are a true athlete and for such an outstanding, talented swimmer and sportsman – you are one of the most humble boys I have ever met. Berowra is so proud of you and all your achievements. Don't forget to save me a seat when you are competing at the Olympics!

Head Lice

The problem continues. It is important for every parent to be vigilant about head lice. It is unfortunate when parents are particularly careful but the infestation occurs again. I understand when parents tell me that they are concerned about the number of treatments they have had to give their children and the cost. As a school community, everyone should be proactive and take responsibility when the infestation occurs and act.

Gymnastics – Kindergarten- Term 4

Kindergarten classes will all be participating in gymnastics classes next term for ten weeks on Fridays. These sessions will be delivered by Sportspro. Notes will go home informing you of the cost for these sessions. Thank you to parents who have already paid.

Uniform

Last week of term is here along with some warmer weather. It's been good to see children wearing their summer uniform. Always remember to dress to the weather – either hot or cold.

It's also been pleasing to see our students being conscientious with their uniform and ensuring they have a hat on their head each day. Please check to make sure labels are up to date and clearly written, as there are often hats lost and found. Clearly labelled hats are easy to return to their owners.

Friday begins our eagerly awaited holidays. I hope you have a restful and enjoyable holiday and see you all back at BPS refreshed and reinvigorated on Monday, 10th October.

Principal

ENROL NOW FOR KINDERGARTEN 2017

Enrolments for Kindergarten are well underway.

If your child or you know of a child ready to start school next year make sure they are enrolled.

Berowra Beginners Program commences week 2 next term and Kindergarten Orientation Day is on Thursday 24th November.

For more information contact the school office on 9456 1319.

DANCE - Next Thursday 22nd September, K Red, K Yellow, 5B and 5K will perform some of the dances they have learnt during weekly dance lessons this term with Mrs Lukic. The performance will begin at 2:50pm in the school hall. You are all welcome to come along to watch. These students will wear mufti for the day.

For the last two Tuesdays we have had some little visitors from some of our local preschools. Jack and Jill Kindergarten, Goodstart Early Learning and KU Preschool have walked to our school hall to join KRed and KYellow for some dance lessons. Their teachers were amazed at how grown up our Kindergarten students are now and how well they can dance. The pre-school children also joined in with the 'big kids' to learn some dances, move creatively and play some dance games. We are looking forward to seeing some of these preschool children joining BPS in 2017.

Last Wednesday, our girls' dance group represented our school at the State Dance Festival. They were one of only 25 primary schools selected from more than 300 schools throughout the state. This was the first time Berowra Public School has performed at state level. We are very proud of their achievement, which reflects their dedication to dance throughout the year. Well done girls.

LIBRARY - During Library lessons with Mrs Lukic, the classes have been studying the book 'Suri's Wall' by Lucy Estela. This book was nominated for the Children's Book Council of Australia Awards this year. It is a beautiful book telling the tale of a lonely girl living in an orphanage on the edge of a mountain. When she grows tall enough to be able to see over the wall, the other children ask her what she can see. Suri describes some beautiful places. Is this fact or fantasy? You will have to read the book to find out? 5B, 4G and 4P have described what they would like to see over the wall.

Suri looked out over the wall. 'Oh it's beautiful, let me tell you all about it.'

There is a massive tree, scattered with moss, looming over me. Beyond that there is a lake, glittering in the morning sun. There's a row of mountains in the distance looking as blue as the ocean. Above the mountains there are beautiful birds circling each other. It is such a warm sunny day, and the sky is blue and cloudless.

By Sarah H 5B

I can see birds flying high above the snow covered mountains. There a small village dotted with houses all round. Moss climbs up tall trees. Strong armed men guard broken villages. I can see people at the market buying food to feed their families.

By Ben P 5B

I can see paddocks full of fluffy white sheep moving gracefully through the herds of brown cows. Their little calves are circling around them. There is an icy cold stream twisting through the fields. About one quarter of the way to the right is a man. He is filling up the water troughs. Next to him is a shearing and milking shed. The grass is bright green with snow-capped mountains in the distance. On the top of one of the mountains is a small village. People are bustling round with apples and oranges.

By Kaitlyn K 5B

I see snow-capped mountains dominating the hills. Strange people with wings are crowding the streets. Small ceramic gnomes are climbing the rainbows that colour the world. The town is bustling and bright. I can see people like you and me talking over fences and watering lawns. The sun is leaving and the sky is pink. The stars are coming out to re-light the sky.

By Shamaya V 5B

There's a magnificent waterfall, the water is as clear as glass and the sounds of the water gracefully hitting the rocks is calming. All around there are trees. The trees are pale brown with a few dark patches. As the waterfall gracefully hits the rocks and the trees sway in the wind, a family is having a picnic in front of the waterfall. The two children are playing under the waterfall and their parents are laughing as they watch their children play in the water.

By Hayley C 5B

I can see the glowing crescent moon shining against the dew-covered grass sending furry woodland creatures out of the safe confines of their homes to scamper and roam around freely across the soft, damp ground. There are glistening rivers rushing through tall, moonlit mountains that reach high to touch the silver clouds. I can also see wild horses racing freely brushing their shiny, hard hooves against the wet clovers and elegant dandelions.

By Freyja C 4G

I can see crystal clear water with children splashing around in waves and swimming. I see lovely yellow and white smooth sand. Everyone is playing in the sand making sandcastles, sand angels and burying themselves in the softest, smoothest, cleanest sand they have ever seen. If you look closely, you can see a river flowing into the crystal clear ocean and a brown bridge arching over the river.

By Jessica Y 4G

I can see beautiful green rolling hills with magnificent black stallions and little town houses the thrive with exciting people. There is a river that rushes through the tiny town and the residents, wearing sandals and gowns, are getting water from the river.

By Megan W 4G

The green rolling hills stand all around us with twisting twirling tree trunks. Birds are twittering while flying around like peaceful butterflies flapping their wings. The deer and elk trot around, their muscles work as they move. A peaceful ox canters like a horse.

Sam S 4P

I can feel beautiful luscious green grass that squelches between your feet. I can see big strong tree trunks stronger than you can pull. Moss wraps around the tree trunks like a green bow around a present. As the canopy shades us, a spot of light shines on the grass spotting a single flower as it is dancing in the wind. Up the top, birds fly gracefully by.

By Ellora M 4P

I can see the water, as clear as glass in the rocky river, next to the humble town. The moon is glittering in the night reflecting the magical light of the enormous sun. The gnomes are as still as the night, awaiting to be given a proper purpose. The air whispering to the deaf humans, waiting for a reply.

By Nathaniel 4P

SUPPORT GROUP - We have had a fantastic term raising funds to go back into the school to help with much needed resources. Thank you to everyone who attended the disco, bought from the Father's Day stall and/or ordered a calendar.

A big thank you to every parent who has attended a meeting and helped us run these activities. Without you it couldn't be done! Have a wonderful break over the holidays and we look forward to seeing you all again next term at our meeting on Tuesday 25th October at 9.30am in the staffroom.

THE MAGIC HAT

One fine day, from out of town, and without any warning at all... there appeared a magic hat. Oh, the magic hat, the magic hat! It moved like this, it moved like that! It spun through the air and over a road. ... and sat on my head...

And I was suddenly taken to a completely different new world. The houses were made out of candy! The people were made out of clouds! Suddenly from out of nowhere there appeared a dinosaur which was called Frank. He was nice, friendly, kind, funny and helpful. Then Frank said he was lonely and no one liked him. So I asked him if he wanted me to be his friend and he said yes. Soon we were best friends. I asked Frank if he wanted to go on an adventure and he said yes.

The next day I took Frank to a bus stop. I asked the bus driver if he could please take us to the Blue Mountains. After awhile we arrived at the Blue Mountains. I asked Frank if he wanted lunch and he said yes so I gave him a jam sandwich. Then I took off my hat and I suddenly went back home. I felt wonderful to be home but I was sad to leave Frank.

One fine day, from out of town, and without any warning at all... there appeared a magic hat. Oh, the magic hat, the magic hat! It moved like this, it moved like that! It spun through the air and over a road. ... and sat on my head...

Before very long I was in a mythical land with clouds as fluffy as a feather. Lily my friend was holding my hand so she came with me. Despite that there was a rainbow with every colour and shade. As time went by I realised that fairies lived here. Eventually I made friends with the fairies. They were colourful, sparkly and graceful. First the fairies showed me their castle and my bed. I felt like I was in paradise but then I heard a big thump and a bell rang.

But then I realised that the bell meant that Fearless has come so all of the fairies hurried into the church. They got me some real wings and a wand and they said that we need a plan so they asked the silver star of love. It said never give up and go get him.

Meanwhile Lily had got wings and a wand. All we had to do now is defeat Fearless so we used all the power we had. Before we knew it he was gone. After a significant day it was time for bed. When I woke up I was back in my own comfy bed in my room. The fairies must have sent me back. It must have all been a big happy, scary and wonderful dream. I had an action packed week. I was thankful to be home. I had a brilliant terrifying time and I felt enchanted.

And all of a sudden I went to my dream place! It had a pool out the front and out the back it had all flat grass with monkey bars, a huge trampoline with nets, a hammock, a trapeze and a slide.

In my amazing bedroom it was full of Beanie Boos and Shopkins. Next I ate lots of cinnamon donuts and drank lemonade. After I went in the pool and it had a water slide and a fountain! Then I went on the trampoline and I did lots of gymnastics.

Meanwhile I was so tired that I went on the hammock and went to sleep. After a while I went on the monkey bars and did lots of tricks. Then I went on the slide and I went down on my tummy.

After that I went into my room and played with my Beanie Boos and Shopkins for a long time. Lastly I had to go home so I put it on my head and poof! I was back at home.

School Student Transport Scheme Applications open 10 October 2016

From Monday 10 October 2016 parents, guardians and students over 16 years, will be able to apply for 2017 School Student Transport Scheme (SSTS) travel pass by visiting www.transportnsw.info/school-students

Information for parents and students

School travel passes only need to be updated when a student:

- changes address, or
- changes school or campus.

A new application is required when:

- applying for an SSTS pass for the first time,
- enrolling in Kindergarten,
- progressing from Year 2 to Year 3,
- progressing from Year 6 to Year 7, or
- requesting an additional pass as a result of a new shared parental responsibility situation.

For more information on planning your school travel, visit www.transportnsw.info or contact your local operator.

Passes for 2017 travel

Opal network: Please remind ALL students to keep their School Opal cards for travel in 2017. These cards will be automatically deactivated for school holidays and then reactivated for school travel in term one. Current School Opal cards can be updated with changes of school, home address or operator.

Rural and regional travel: Student's travelling with operator issued passes will receive a new pass in the new school year.

Transdev Lost Property

Transdev advises:

If you or someone in your group leaves belongings on our bus, please contact us as soon as possible.

All lost property enquiries should go direct to our Bankstown Depot 02 8700 0555 or via our website www.trandevnsw.com.au.

We encourage you to make your enquiry as soon as possible to help speed up the recovery process.

Glenwood 2768

For Gifted & Talented Primary
Students Years 1-6

Brochure and entry form available at BPS
school office

Closing date is Friday 14th October

The MindQuest program will be held for gifted and talented primary students from Years 1-6 at Glenwood HS.

These include gifted and talented students, gifted underachievers and students with well above average ability with a special interest.

Students will have an opportunity to participate in over 36 exciting, fast paced courses in the two day program. They include courses in chemistry, earth sciences, lego robotics, drama, chemistry and much more. Most of these highly successful courses have been run in the past and students' evaluations suggest that they have been challenged and enriched by the experience.

The **cost of the weekend is \$190** (including GST).

There are a limited number of part scholarships for the weekend. Please contact Shelagh Poray, 4232 2494 for information.

Transdev NSW, the bus operator that provides our school bus service has asked us to pass on the following message to parents.

“One of the more significant changes created by the recent introduction of the School Opal card is the need for students to tap on and off when they travel to and from school.

Opal data gathered by tapping on and off is used to determine demands for bus services. If students don't tap on and tap off, services may be cancelled due to the lack of recorded patronage.

With this in mind, we ask for your assistance in reminding your students that tapping on and off at the beginning and end of each trip is one of the conditions of using a School Opal card.

Your assistance helps us ensure we are able to provide the appropriate level of service to students.”

Local foster carers needed

Family and Community Services are seeking people in the local area to provide short term and crisis foster care for children and young people 0-18 years that are unable to live with their own families.

Individuals, couples and families from varied backgrounds and cultural groups are required.

Aboriginal and Torres Strait Islander people are encouraged to apply.

All carers receive training, ongoing support and financial assistance.

If you are interested in making a difference and helping children reach their full potential, please call 9765 6000 or email fosteringwithfacs@facs.nsw.gov.au

SCHOOL SUPPORT GROUP FUNDRAISING NAME LABELS

Please help Berowra Public School raise money when you are buying name labels for clothes, school items and lunch boxes etc.

By using a fundraising code (BPSS) that links to Berowra Public School, the school will receive a percentage of the money spent!

The websites we are registered with are :-

www.stuckonyou.com.au

www.brightstarkids.com.au

OUR SCHOOL FUNDRAISING CODE IS BPSS

To place an order, create a personal account online and then enter the fundraising code BPSS at the checkout/payment section. The code is the same for both organisations.

Money raised will go towards school resources and projects.

Thank you
