### Staff Development Day

Just a reminder – Monday, 24<sup>th</sup> April is a pupil free day. Term Two commences for students on Wednesday 26<sup>th</sup> April.

To fit in with our professional learning for teachers this year we have been able to book Andrell Education for Friday, 30<sup>th</sup> June (last day of Term Two). This is to complement the Big Writing Program in our school.

I was unable to book them on one of our Staff Development Days so we need to swap our days.

**Friday, 30<sup>th</sup> June** will be a pupil free day and students will return to school on **Monday 17<sup>th</sup> July**.

### NAPLAN

The National Assessment Program - Literacy and Numeracy: (NAPLAN) is conducted each year for all students in Years 3, 5, 7 and 9 in all government and nongovernment schools. This program, which has the support of all State and Territory Education Ministers, will assess the literacy and numeracy learning of students in all Australian schools. Please note these dates in your diary. Unless there is sickness, no Yr 3 or Yr 5 child should miss this assessment.

Tuesday 9<sup>th</sup> May – Language Convention test (Spelling, Punctuation and Grammar) and a separate Writing test.

Wednesday 10<sup>th</sup> May - Reading test. Thursday 11<sup>th</sup> May - Numeracy test (Number, Algebra, function and pattern, Chance and data, Measurement and Space)

### Bullying

The National Safe Schools Framework defines bullying as **repeated** verbal, physical, social or psychological behaviour that is harmful and involves the misuse of power by an individual or group towards one or more persons. Cyberbullying refers to bullying through information and communication technologies, e.g. the internet or mobile devices.

Conflicts or fights between equals and single incidents are not defined as bullying. Bullying of any form or for any reason can have long-term effects on those involved, including bystanders.

In short, bullying is a repeated pattern of harmful verbal, physical or social behaviour which involves the misuse of power. Cyberbullying is bullying through the internet or mobile devices.

Our advice to children when being faced by bullying behaviour is to put your hands out in front of you, say **“STOP”** in a loud voice; say **‘I don’t like that’** and then **leave them and walk away**. Always tell a teacher if you feel another child is mean, nasty or intimidating towards you.

The legal age limit for Facebook, Kik, Instagram and Twitter is 13 years and above; for Snapchat it is 18 years and older.

Never leave computers, laptops, tablets, ipods or mobile phones in bedrooms as this can cause lack of sleep due to interruptions/texts or other media notifications. Always ensure that as a parent you have access to your children’s passwords and logons, so that you can monitor their activities and ensure they are not being bullied or on inappropriate sites. Remember that if you don’t allow certain children into your house to play with your children – do not allow them into your house via the internet!

### Jensen G

Congratulations to Jensen G (5/6B) – 11 years boy champion at the Sydney North Area Swimming Carnival – he is now off to the State Carnival.

I wish you all a happy Easter and a safe a relaxing break.

### HAT PARADE

We invite parents, grandparents and friends on Thursday 6<sup>th</sup> April to come along to our school hall for our annual hat parade. This year the students will be making their hats at home.

We look forward to seeing your wonderful creations. Students will come to school in their school uniform and bring the hat for the parade. Don’t forget your school hat too.

We will begin in the hall at 10:30am. Kindergarten will sing some Easter songs followed by a few pieces performed by the recorder groups.

After the hat parade we will draw the winners of the Easter Raffle. Tickets will be available to purchase on the

day. We would love our visitors to stay behind and be entertained by the school training and concert bands. You will be able to purchase tea/coffee and a hot cross bun.

### DANCE NEWS

Congratulations to 1S, 3R, 5/6E and 5/6B for your wonderful dance performances last Tuesday.

### SUPPORT GROUP NEWS

Thank you everyone who helped with the Book Fair from bringing books from the container, donating books, baking, sorting or selling the books and then helping to pack all the books away again. It was a combined effort with BOOSH Cottage. The Book Fair raised approximately \$2000, half of which will go to BOOSH and the other half will be given straight back to our wonderful school towards funding technology.

Our first disco of the year has been a big success. Most of our cute Kindergarten students joined in. DJ Shane played lots of games at the infants session and had disco music running the whole time for the primary session. Thank you everyone for supervising the disco especially all the new Kindy mums and dads. Hope you had as much fun as the kids!

## Harmonious Stage 2

The whole of Berowra Public School celebrated World Harmony Day on Tuesday 21.3.17. Classes combined with their buddy classes to enjoy a wide range of harmonious activities.

The stage 2 students participated in fun, meaningful and engaging activities like group dancing, chain paper craft with people linking their hands together, singing songs like 'What a Wonderful World' and 'Don't Worry be Happy', 'Everybody Belongs', Chinese songs and writing, poetry acrostics with words like CELEBRATE, RESPECT, DIVERSITY and BELONGING. Students made window fish with the message, *we are all different, but swim in the same SCHOOL*. Artworks titled *Footprints have no colour, we walk together in harmony*. Some classes had lunch with their buddy class.

The metaphor, "a butterfly flapping its wings in a rain forest in Brazil can create a tsunami in Texas. If the butterfly had not flapped its wings the tsunami would not have happened." A similar principle occurs in schools with random acts of kindness. Our children are taught that every interaction with people, no matter how large or small, impacts on others in many different ways. It's often those simple little things which add up to one big happy learning environment, actions like saying please and thank you, helping out a friend who may be feeling down or waiting to let the scripture teacher enter the classroom first.

Through the Positive Behaviour and Learning lessons our children have been studying about friendship, anti-bullying, being responsible, kindness and supporting others, honesty, many hands sharing make light work and the fact that it's alright to be different. Most importantly our students are learning to "walk a mile in someone else's shoes." To empathise can be a difficult concept to grasp for some of our students and it shows maturity and a sense of belonging and respect for the students to understand and implement. Through teaching these specific skills, we are preparing the children for the future, through working and growing together for life.

Kind regards,  
Glenn Pritchard  
Assistant Principal

# PBL

# Respect Self- Others- Community

## What does PBL at Berowra Public School cover?

### Behaviour management in the playground

Teaching how to behave positively.  
Communication of incidents across the school.

### Behaviour management in the classroom

Teaching positive behaviour choices so students  
can maximise their engagement and learning.

### Awards

Awarding positive behaviour. May be done  
verbally or with Gotchas, Merit Awards etc.  
**Reminder- the 'white' merit certificate has  
replaced both the previous yellow/ purple  
certificates.**

### Responding to problem behaviour

How teachers (and students) respond to problem  
behaviour in the playground and in the  
classroom. Identifying and addressing  
behaviour concerns.

## When is PBL taught?

PBL is taught **throughout the year**. Students are reminded of the Berowra Public School expectations of **Respect- self, others and community** every day. They may be referred to when following classroom procedures, changing activities or as a reminder before going out for recess or lunch.

At the start of the year, all teacher taught their classes the procedures and routines for their own classrooms (for example, how to return home readers, or where to put their lunch boxes).

R	E	S	P	E	C	T
<b>Relationships</b>	<b>Emotions</b>	<b>Set goals and stay focused</b>	<b>Play fair</b>	<b>Ensure safety</b>	<b>Courage</b>	<b>Think first</b>
- getting along with others	- identify and manage emotions	- growth mindset - doing your best	- supporting others	- taking care - resilience	- courage	- appreciate others

The above table represents the order of the 'units' or **focus topics and lessons** across the year. These units are based on the *Bounce Back! Wellbeing and Resilience Program*. The program focuses mainly on the teaching of coping skills to help children and young people respond positively to the complexity of their everyday lives. Teachers may also use additional resources or programs to suit the needs of the students in their classes.

Dear families and friends,

Come and celebrate **Easter** with the children and staff. There will be singing, a hat parade, music by the school bands and recorder groups, an Easter raffle and morning tea to buy. Start getting crafty and creating your wonderful hats for the parade.

Parent Online Payments can also be made from the BPS website using the 'Make a payment' tab.

## MAKING SCHOOL PAYMENTS

Please note that money collection days at Berowra Public School are  
**Tuesdays and Thursdays only.**

For security of payments it would be appreciated if money only be sent to school on these days in a signed payment envelope. This includes any payments for the choir, drama, sport or extra curricular activities.

We have only two days a week allocated to receipt money so please remind your child to give it to their teacher in the morning as receipting and banking are completed during the day. Correct money is appreciated as the office is unable to hold change.

**Please do not hand payments into the office after school.**

Handing money into the office after banking has been completed may result in confusion for the teacher and your child's name not marked off as having paid for an excursion, sport or an activities.

Any payments for the P&C or Support Group fundraisers and the canteen special lunch days can also be handed to the class teacher, but please include these in separate envelopes and with separate payment. Do not include with school payments.

You can make multiple payments for multiple students with the one cheque or credit card if you like. Just make sure all details are included and permission is forwarded.

Don't forget that you can also pay online. However, signed permission envelopes are still required to go to the teacher for excursion. Just mark on it that you paid online.

Please also be aware that when using the Westpac Parent Online Payment system, all payments processed after 6pm will not be seen at the school until the second business day eg payments made after 6pm on Monday evening will be on the Westpac report on Wednesday morning, payments made after 6pm Friday will be seen on Tuesday morning.

Thank you for your cooperation.
