Swimming Carnival

Our swimming carnival ran 'like clockwork' last Thursday with many competitors gaining PBs (personal best times). Congratulations to Jensen G who broke FIVE records. Many thanks to Mr Parkinson and his band of merry teachers who worked tirelessly both before and at the carnival to ensure the smooth running. Many thanks to the parents who supported the day either by assisting with judging, working in the canteen, cheering and supporting the carnival.

Again a huge thank you to **Wayne Bingham** for donating his time, equipment and expertise. We are truly fortunate to have these wonderful parents, grandparents and community members at BPS.

I was very impressed with the non-competitors at the carnival. It is inspiring to see them joining in during the day and cheering on their friends who are competing. They also enjoyed their 25m races.

This carnival (as with the other carnivals during the year) is part of the PE/H/PD syllabus and as this is our curriculum **all children in Years 3-6 should be in attendance.**

The Hornsby Zone Swimming Carnival is on Monday, 6th March and we wish all our competitive swimmers all the best.

March Money Madness

March is the month we are collecting as many 5c pieces as we can. The Student Leadership Team is running this fundraiser to buy more reading materials for the school. Please send in all your 5c pieces to your child's class. The class that collects the most 5c pieces will be treated to a morning tea (which I will be providing).

Congratulations

Fiona T (5/6K) and **Shamaya V R** (5/6E) – members of the 'Arts Alive Combined Schools Choir 2017'. They will be performing as part of the Premier's Gala Concert on Wednesday 8th March at ICC Darling Harbour.

Cooper G (5/6K) – selected into the Hornsby Zone Cricket Team. He will be competing for a place in the Sydney North Area Cricket Team on Monday 13th March. Good luck Cooper.

Jensen G (5/6B) – broke FIVE records at the Swimming Carnival last Thursday. Wow! Congratulations Jensen and all the best for the Zone Carnival on Monday

Special Religious Education (SRE)

Parents/caregivers in public schools have the right to have their children receive instruction in their preferred religious persuasion, where authorised teachers of that persuasion are available.

A special religious education program is available at the school and is run by authorised volunteers of approved religious persuasions.

Section 32 of the Education Act 1990 states that 'in every government school, time is to be allowed for the religious education of children of any religious persuasion. The religious education to be given to children of any religious persuasion is to be given by a member of the clergy or other religious teacher of that persuasion authorised by the religious body to which the member of the clergy or other religious teacher belongs.'

Section 33A of the Education Act 1990 specifies that if the parent/caregiver of a child objects to their child receiving SRE, that child is entitled to receive **SEE** (Special Education in Ethics), at the parent/caregiver's request, provided it is reasonably practicable for SEE to be made available at the school the child attends.

Students continue in the same arrangement each year, unless a parent/caregiver has requested a change in writing. At any time, you have the right to change your SRE nomination or to withdraw your child from the nominated lessons. A note to the Principal will affect this change.

At Berowra Public School we are indeed fortunate to be able to provide Anglican, Roman Catholic and Ethics Classes. Children not 'enrolled' in these classes go to another classroom for 'non SRE' where they are able to read, complete homework or individual tasks.

School Times

Our morning bell rings at 8:50am, this is when our teachers are on duty. Before this time if your child arrives at school they are **unsupervised**. If you need to drop your child at school before 8:50am please enrol them at BOOSH where they will be supervised.

School finishes at 3:20pm and then teachers are usually in meetings either with parents or other staff members. Teachers are not on playground duty after 3:20pm so if you are running late to collect your child/ren please let the office know or make arrangements for them to attend BOOSH

Driving and Parking safely around BPS

Parents please be mindful around the school when dropping or picking up your children. Many parents are doing **U-turns** either outside the office or even into Balaclava Street. A parent witnessed at least 10 cars the other morning during peak drop off time. This is extremely dangerous for our children. Please also be respectful to all parents by not parking in the Kiss and Drop Zone. If this area is used just for pick up and drop off then the traffic should flow seamlessly.

Also, please think about where you park – a parent parked across the teacher's car park the other morning and created a traffic jam down Hillcrest Road as the teachers were trying to enter the car park. Please parents do not park across driveways.

Stage 3 News

Stage 3 have delved in to the life and times of August Pullman, the main character in R.J Palacio's bestselling novel 'Wonder'. In doing so, we have explored the themes of kindness, family, belonging, bullying, tolerance and hardship.

Across stage 3 we are well under way in our study of Rainforests. Students have developed an understanding of the importance of rainforests to life on Earth, the layers of the rainforest and the difference between temperate and tropical rainforests.

Visual Arts: Portraits

Stage 1 - Week 6

Stage 1 has commenced working on their spelling program, Words Their Way. This program involves phonics, vocabulary and spelling instruction. A variety of activities are used and integrated into the daily class literacy groups. We have also begun the Buddy Reading program with Stage 3 and Year 1, three (3) days a week. This program strongly supports the reading skills that the teachers are focusing on in the classroom. Thank you for reading with your children each night, this makes enthusiastic and skilled readers.

Regards,
Stage 1 staff

What's new in Stage 2

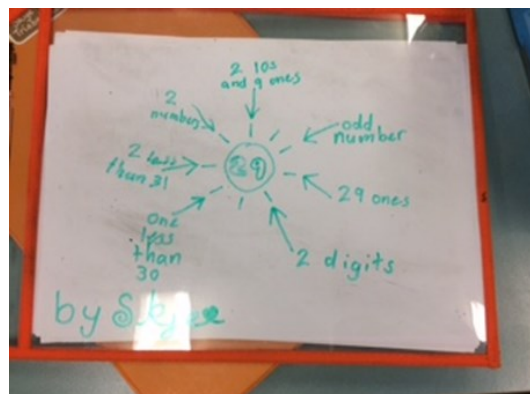

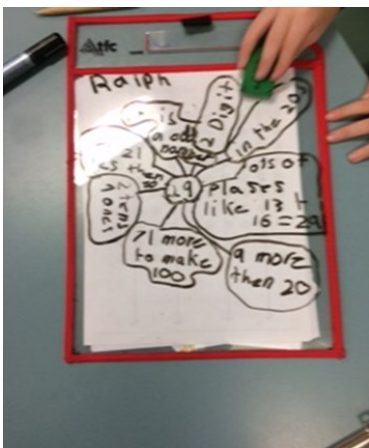

Stage 2 is enjoying Friday sport. Some of the children go to PSSA Cricket, League Tag, Softball and T-Ball. These children enjoy competing against other schools learning fair play and good sportsmanship as well as promoting our school expectation of Respect.

The children not in PSSA enjoy sport at school. Each week these children participate in a different sport also learning about fair play, sportsmanship and showing respect for others, self and community. The children this term spend a week each playing League Tag, T-Ball, Cricket, Netball and Newcombe Ball.

This week some year 3 and 4 enjoyed playing Newcombe Ball with Mrs Withford. All the children tried their best and encouraged each other, which are all things stage 2 teachers are busy promoting in class.

3A has been enjoying exploring numbers. In this activity the children had to write down what they knew about the number 29. We were exploring using our mathematical language as we talked about what we knew about two digit numbers. We have also been using dice and cards to practice adding and subtracting 2, 3 and 4 digit numbers.

Harmony Day

On Tuesday 21st March we will celebrate Harmony Day. The students will come to school in mufti wearing something orange. The students will be working with their buddy classes on activities related to Harmony Day.

Dance News

Congratulations to Imogen L, India H and Mikayla S who attended two days of talented dance workshops at Sydney Dance Company on Monday 27th and Tuesday 28th February. This was a wonderful opportunity for these girls to work with professionals in a variety of dance styles and experience the inspiring environment of the Sydney Dance Company studios.

On Monday 13th and Tuesday 14th March, Mac T will be representing our school at the Year 5 and 6 Boys Only dance workshops at Sydney Dance Company. We wish Mac the best of luck.

Science – Thank you Mr Ford!!!

We would like to sincerely thank Mr Stephen Ford, for his generous donation of science equipment to our school. This kind donation comes with the offer of his talented science teaching experience, which we look forward to utilising this year. We are so lucky to have such wonderful, kind and generous parents.

BORROWED CLOTHING

From time to time students need to have a change of clothes during the day. The office holds a small amount of clothing which we lend to the students.

If your child has come home with different clothes and a note from us, please wash the items and return them to the school office, or classroom, as soon as possible so they will be available for use again.

To assist with this process it would be helpful if Kindy parents packed a spare pair of underwear in your child/ren's school bag.

Thank you

MOBILE PHONES AT SCHOOL

Parents and students are reminded that mobile phones are not to be brought to school except in exceptional circumstances.

Then the mobile phone must be left at the school office before school and collected at the end of the school day.

Girls

Make your move

On the weekend my sister and I, Ava Andis, were selected to have free surf lessons at the Australian Open of Surfing in Manly with a group called Girls Make Your Move. This is a government program created to encourage girls to get out and play different sports. They wanted to send a message to girls that it doesn't matter if you're a beginner or if you're not typically sporty the idea is to be involved, have a go and to have loads of fun.

We got up early on Sunday morning, it was cold and raining and it made me think that I'm not going to have a good day today. We packed our wetsuits, warm clothes and LOTS of healthy snacks because surfing for hours makes me very hungry. When we got to Manly there were lots of tents set up with people watching the skateboarding and BMX competition. We made our way over to the Girls Make Your Move tent where we met our surf instructor and got our super cool rash shirts. We made our way down to the beach where the instructor told us about rips and currents. This was very useful information because a soon as I entered the water my sister and I got swept sideways by one. I was able to paddle sideways out of the rip with the help of one the older girls but Ava being a midget could not and required some help from super dad.

After those events we moved further down the beach out of the rip and spent the other hour surfing in the calm sunlit water, it was amazing. Because I had surfed before the instructor took me out beyond the break so I could catch some long waves in.

After we finished Ava and I got our official photo and name tags, fake tattoos, our hair braided and a free chap stick. We finished the day with photos, hot chips, frozen yoghurt, it was an amazing day! I would encourage everyone to have a go.
