

Standardized tests are a measure of student achievement... but they do not measure a student's heart, or their work ethic, or their kindness, or their creativity... or anything else that makes for successful adults.

Welcome back to term 2. I hope you had a great break.

Many thanks to all our wonderful students who gave their time last week to march in our local ANZAC Day march. I was so proud to see so many children attend and march either for the school or another local group.

Applications for **Opportunity Class** in 2018 are now open. This is an online application and can be accessed on:

<https://education.nsw.gov.au/selectivehigh-schools-and-opportunity-classes/year-5>.

There is a flyer included in this Crest.

Staff Development Day – Term 2

To fit in with our professional learning for teachers this year we have been able to book Andrell Education for **Friday, 30th June** (last day of Term Two). This is to complement the Big Writing Program in our school.

I was unable to book them on one of our Staff Development Days so we need to swap our days.

Friday, 30th June will be a pupil free day and students will return to school on **Monday 17th July**.

NAPLAN

The National Assessment Program - Literacy and Numeracy: (NAPLAN) is conducted each year for all students in Years 3, 5, 7 and 9 in all government and nongovernment schools. This program, which has the support of all State and Territory Education Ministers, will assess the literacy and numeracy learning of students in all Australian schools. Please note these dates in your diary. Unless there is sickness, no Year 3 or Year 5 child should miss this assessment.

Tuesday 9th May – Language Convention test (Spelling, Punctuation and Grammar) and a separate Writing test).

Wednesday 10th May - Reading test.

Thursday 11th May - Numeracy test (Number, Algebra, function and pattern, Chance and data, Measurement and Space)

School Attendance/Exemption

The Education Act (1990) states that it is the duty of the parent of a child of compulsory school-age to cause the child to be enrolled at, and to attend, a government school or a registered non-government school or be registered for home schooling.

All students who are enrolled at school, regardless of their age, are expected to attend that school whenever instruction is provided. Regular attendance at school is essential to assist students to maximise their potential. Schools, in partnership with parents, are responsible for promoting the regular attendance of students. Parents are required to explain the absences of their children from school promptly and within seven days to the school. An explanation for absence must be provided to the school within 7 days of the first day of any period of absence.

If you feel it is **absolutely necessary** for you to arrange for overseas travel, extended holidays or elite sport participation during school time and that your child will be absent from school for over 10 school days you will need to complete an 'Exemption from School' Form.

Please email me and I will get the form to you. This must be filled in for those extended periods when your child is not at school.

Gymnastics

Last week was the first week of the Year 2 Sportspro Gymnastics lessons. It is an activity that is so beneficial for all children but especially the younger ones. The ability to coordinate your movements and move within a space are invaluable skills that students carry through to adulthood. This is an integral and mandatory strand of our NSW Personal Development/Health/Physical Education Syllabus.

State Recorder Camp

Congratulations to Fiona T (5/6K) who attended the NSW State Recorder Camp last weekend. Fiona is such a talented musician and a great ambassador for BPS.

State Dance Workshops

Good luck to our students who are participating in the State Dance Workshops –

March Money Madness

Thank you to every student, parent, grandparent, family member or friend who gave their 5 cent pieces to our March Money Madness fundraising for the Student Parliament.

The total amount raised was \$1539.20 with the top class being 1D with \$214.65. Congratulations 1D and Mrs Dwyer.

Many thanks to the Gratton family (Kai Yr1) for their kind donation of a library trolley.

DANCE NEWS - This week the dance groups successfully auditioned for the Sydney North Dance Festival. The judges were very impressed with their efforts so far. They will continue to work hard each week to prepare for the festival which is held during the last two weeks of this term.

Next week some of our students will be attending the State Dance workshops at Sydney Dance Company. We wish Jessica C, Avari D, Jasmine W, Jade V, Lily P and Sophie H the very best of luck. I know you will have a wonderful time learning many different dance styles.

THE SPIRIT OF REMEMBRANCE IN STAGE 2

Stage 2 students have been reflecting on ANZAC Day, as part of the history and geography syllabus towards identifying commemorations of significance in Australia and the world. Through experiencing the ANZAC ceremony and the lessons taught, our students are now more aware about the sacrifice of others working to keep our country a safe and peaceful place and how significant individuals, groups and events contributed to changes in the local community over time.

Our students have applied skills of historical inquiry and communication to further apply their knowledge. Students have identified symbols of peace such as the dove, love heart, peace sign as part of symbols, N and D according to the semaphore flag signalling system towards nuclear disarmament, including the origins, symbolism and significance. Mrs Clayton brought in her Grandfather's jacket from WW2 for *show and tell* across the stage. The students have learned about how and why people choose to remember significant events of the past and have discussed the nature of the contribution made by different groups and individuals in the community and how the ANZAC soldiers and others have given 'service before self' to help keep Australia a happy and friendly place to live.

Thank you to those families and students who attended the local commemorative march and ceremony held in Berowra on 25th April, last week. Through keeping the spirit of ANZAC Day alive, we keep the world safe for the future.

Stage 1 - Week 2 – Term 2 - 2017

Stage 1 commenced this week with a dynamic STEAM (Science, Technology, Engineering, Art and Mathematics) program. The students were placed in groups and each week they will be provided with a new project/challenge. It was such a pleasure to listen to the student's conversations as they met and worked on their initial project, making a paper aeroplane. Watching the flight test at the end proved that each group successfully managed to create a paper aeroplane which could fly. Stay tuned for updates on this wonderful new program.

Regards,
Stage 1 Staff

What are students learning this term?

| Term 1 | | Term 2 | | Term 3 | | Term 4 |
|---|---|---|---|---|-----------------------------|---|
| R | E | S | P | E | C | T |
| Relationships - getting along with others | Emotions - identify and manage emotions | Set goals and stay focused - do your best | Play fair - supporting others | Ensure safety - taking care - resilience | Courage - courage | Think first - appreciate others |

Set goals and stay focused

This term students are learning self-management skills including:

- o willpower
- o effort (and using initiative)
- o time management
- o organisational skills
- o resourcefulness

This topic is deliberately set around the time of NAPLAN, to encourage and support positive behaviours for learning.

For more specific information for your child, please see your child's class teacher.

How can I support my child at home?

You can help at home by reminding your child:

- Everyone has strengths
- You can use your strengths to help others
- Mistakes help you learn. Don't be afraid of them
- Persist and don't give up
- Accept yourself and believe in yourself
- Take responsibility for your actions
- Be organised

Success chain

Students can make a success chain by using strips of coloured paper. Each time they achieve success, they write what they achieved on the piece of paper and add a link to the chain (like a Christmas chain).

Some useful books to reinforce these ideas at home:

- o Counting on Frank
- o The Dot
- o Beautiful Oops
- o Edward the Emu
- o Elmer
- o Willy the Wizard
- o Too Much Stuff
- o Danny's Egg
- o I Wanna Be Famous
- o Bunyips Don't
- o The Girl Who Never Made Mistakes
- o Your Fantastic Elastic Brain

10 Growth Mindset Statements

What can I say to myself?

FIXED MINDSET

INSTEAD OF:

GROWTH MINDSET

I'm not good at this.

I'm awesome at this.

I give up.

This is too hard.

I can't make this any better.

I just can't do Math.

I made a mistake.

She's so smart. I will never be that smart.

It's good enough.

Plan "A" didn't work.

TRY THINKING:

- 1 What am I missing?
- 2 I'm on the right track.
- 3 I'll use some of the strategies we've learned.
- 4 This may take some time and effort.
- 5 I can always improve so I'll keep trying.
- 6 I'm going to train my brain in Math.
- 7 Mistakes help me to learn better.
- 8 I'm going to figure out how she does it.
- 9 Is it really my best work?
- 10 Good thing the alphabet has 26 more letters!

BPS Breakfast Club

Breakfast Club runs every morning at school from 8:50 until 9:15 (to allow for clearing up before the bell rings).

Lots of children enjoy a piece of toast before school to ensure they aren't hungry. Baker's Delight are kindly donating bread to us but we are running low on spreads.

All donations of vegemite, honey, jam and butter will be gratefully received. Please give donations to Mrs Walton or drop them in at the canteen during Breakfast Club times.

Thank you

SYDNEY
ACADEMY OF CHESS

Level 1 30A George St, Burwood 2134

Office: (02) 9745 1170

CHESS!!

Learn to be a chess champion! Coaching for students at Berowra Public School is held on Tuesdays from 1:30pm to 2:20pm, starting on 2 May 2017.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

If your child is interested in taking part, you can collect an enrolment form from the school office, or email enrol@sydneyacademyofchess.com.au for a copy. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.

MAKING SCHOOL PAYMENTS

Please note that money collection days at Berowra Public School are
Tuesdays and Thursdays only.

For security of payments it would be appreciated if money only be sent to school on these days in a signed payment envelope. This includes any payments for the choir, drama, sport or extra curricular activities.

We have only two days a week allocated to receipt money so please remind your child to give it to their teacher in the morning as receipting and banking are completed during the day. Correct money is appreciated as the office is unable to hold change.

Please do not hand payments into the office after school.

Handing money into the office after banking has been completed may result in confusion for the teacher and your child's name not marked off as having paid for an excursion, sport or an activities.

Any payments for the P&C or Support Group fundraisers and the canteen special lunch days can also be handed to the class teacher, but please include these in separate envelopes and with separate payment. Do not include with school payments.

You can make multiple payments for multiple students with the one cheque or credit card if you like. Just make sure all details are included and permission is forwarded.

Don't forget that you can also pay online. However, signed permission envelopes are still required to go to the teacher for excursion. Just mark on it that you paid online.

Please also be aware that when using the Westpac Parent Online Payment system, all payments processed after 6pm will not be seen at the school until the second business day eg payments made after 6pm on Monday evening will be on the Westpac report on Wednesday morning, payments made after 6pm Friday will be seen on Tuesday morning.

Thank you for your cooperation.

BORROWED CLOTHING

From time to time students need to have a change of clothes during the day. The office holds a small amount of clothing which we lend to the students.

If your child has come home with different clothes and a note from us, please wash the items and return them to the school office, or classroom, as soon as possible so they will be available for use again.

To assist with this process it would be helpful if Kindy parents packed spare underwear in their child's school bag.

Thank you
