You can sit with me

YOU CAN SIT WITH ME is a kindness campaign and an anti-bullying initiative that supports children suffering with anxiety, depression and feelings of isolation. These five simple words help change children's lives. We have purchased two bands per class for the entire school. Children will be selected/elected/volunteer to wear the yellow 'You can sit with me' wristband for a week/fortnight. During their time wearing the wristband these children are the students that other children can go to if they are feeling lonely or anxious or are being bullied. These children will keep them company or help them to find a teacher who will help them. They are there to be a 'friend'.

Validation

Last Thursday was our External Validation and we passed! The panel was impressed with our submission and our school. I received this email from one of the panel members:

"Just a quick note to say thanks for having us yesterday. It was really interesting listening to you and the team. You have some great enthusiasm there and should be pleased with the direction you're heading. Your collaboration with other schools is a feature of your work, and can only continue to support the great things under way, especially in maths and writing. We were impressed with the depth of student leadership you told us about. There is some authentic involvement happening here! It would be great to see how your developing programs have impact over coming months and years, which I'm sure they will."

From our External Validation we had to look at 'where to next'. We will now be concentrating on our collection and analysis of data and ensuring that we hold Parent Information Evenings each term, that are advertised one term ahead.

I thank all the teachers for all their efforts in compiling this document.

Congratulations to Fiona T (5/6K) who toured with the Arts Alive Choir last week on their Arts Alive Band and Choir Tour (14th – 17th August) to Dubbo.

Kindergarten Enrolments for 2018

If you are aware of a family in the area with a child who will be enrolling in Kindergarten next year, please ask them to contact the school office. Your assistance in this matter helps with planning for next year.

Our school is holding a

GREAT STORY SWAP

For the Indigenous Literacy Foundation!

In conjunction with the 'Book Parade' day in week 6, our school is holding a **Great Story Swap** on **Wednesday 23rd August 2017** to support the Indigenous Literacy Foundation (ILF).

The ILF will use these funds to provide books, literacy resources and community programs to children and families in remote Indigenous communities across Australia. Over the past few years, with the support of many schools, they have sent more than 200,000 new books to over 250 remote communities nationally.

To take part we are encouraging children to tell a story in class about the character that they are dressed as on the book parade day. They can also bring along the book to encourage other children to go out and read it. Teachers will allocate time throughout the day so that the children can 'swap stories' about the book their character is from and share these with their class. Children can also share other stories from other books they have read if need be.

Please support us and the ILF by bringing in a **gold coin donation** on **Wednesday 23rd August** to raise funds for this fantastic cause.

We appreciate your support.

MAKING SCHOOL PAYMENTS

Please note that money collection days at Berowra Public School are
Tuesdays and Thursdays only.

For security of payments it would be appreciated if money only be sent to school on these days in a signed payment envelope, not plastic bags. This includes any payments for the choir, drama, sport or extra curricular activities.

We have only two days a week allocated to receipt money so please remind your child to give it to their teacher in the morning as receipting and banking are completed during the day. Correct money is appreciated as the office is unable to hold change.

Please do not hand payments into the office after school.

Handing money into the office after banking has been completed may result in confusion for the teacher and your child's name not marked off as having paid for an excursion, sport or any activities.

Any payments for the P&C or Support Group fundraisers and the canteen special lunch days can also be handed to the class teacher, but please include these in separate envelopes and with separate payment. Do not include with school payments.

You can make multiple payments for multiple students with the one cheque or credit card if you like. Just make sure all details are included and permission is forwarded.

Don't forget that you can also pay online. However, signed permission envelopes are still required to go to the teacher for excursion. Just mark on it that you paid online.

Please also be aware that when using the Westpac Parent Online Payment system, all payments processed after 6pm will not be seen at the school until the second business day eg payments made after 6pm on Monday evening will be on the Westpac report on Wednesday morning, payments made after 6pm Friday will be seen on Tuesday morning.

Thank you for your cooperation.

BORROWED CLOTHING

From time to time students need to have a change of clothes during the day. The office holds a small amount of clothing which we lend to the students.

If your child has come home with different clothes and a note from us, please wash the items and return them to the school office, or classroom, as soon as possible so they will be available for use again.

To assist with this process it would be helpful if Kindy parents packed spare underwear in their child's school bag.

Thank you

MOBILE PHONES AT SCHOOL

The simplest way

...to get a vitamin D dose in winter.

Did you know that we need some sun exposure to make vitamin D for healthy bones and muscles?

In NSW, UV levels are at their lowest in June and July. In the north and far west, most people need 20-25 minutes of sun exposure during mid-morning or mid-afternoon, and in the south 30-40 minutes in the middle of the day.

This will keep your vitamin D levels topped up during winter. Brave the chill and roll up your sleeves to get some sunlight on your forearms as well as your hands!

But don't risk damaging your skin. UV levels can change from day to day. When UV levels are 3 and above, use sun protection. People who use sunscreen regularly when UV levels are 3 and above do not have lower vitamin D levels than people who don't.

Check UV levels for your local area on the free SunSmart App for smart phones; download it from the App Store or Google Play.

To help keep your kids safe, check your schools SunSmart status by heading to www.sunsmartnsw.com.au
