Dear Parents and Students,

This is the last newsletter for the year. I would like to express my gratitude to all the school teaching and support staff together with the P&C of Berowra PS for the wonderful work they have done in 2018. They are truly remarkable groups and we are privileged to have such dedicated professionals and community members working on our behalf for our young people. Many exciting initiatives are ahead for the school in 2019 as well as the special features already present.

Student Progress Reports

Semester two student progress reports went home last week. I congratulate all children for challenging themselves to greater things with the learning opportunities this semester. We, as teachers, view it as a time to celebrate successes or challenge any weaknesses in their progress. At upcoming school development days the teaching staff will further analyse ways to meet individual learning needs using the progress report as one of the sample tools. The progress report is a point in time report measured from NSW Education Standards Authority (NESA) guidelines. I encourage you to thoroughly read its first page for greater understanding of the marking system. The report reflects an ongoing assessment and evaluation of taught learning concepts for this semester only. The achievement and application marks have no direct relevance to the half yearly report. Our teachers have worked to appoint the most appropriate achievement and application mark for your child.

I thank my teaching colleagues for their professionalism, thorough thought and time placed in each report. I trust your response to your child's efforts will be positive and supportive. If you have any concerns about your child's progress beyond the report please contact their teacher.

It is quite fitting to acknowledge those students who display 'empathy, respect, resilience and safety', as well as those who support their class learning with extra challenges. Many students have been involved in the various performing arts, sport, debating, public speaking, ICAS assessments, chess, reading challenge, library, coding, Year 2 swim scheme and technology as well as student leadership opportunities. Thank you to school staff and the P&C for supporting our co curricula and extra curricula programs. We need to be mindful and recognise that every child achieves in life at different levels and at different rates. I am always proud of our students bettering themselves within the classroom and school.

Year 6 Farewell

Year 6 will also be the guests of honour at a special farewell assembly held at 3pm on Wednesday, 19th December. Following from this assembly they will be walking through an arch of honour to finish their primary schooling.

It must be acknowledged, Year 6 has displayed an extremely positive attitude to the school and we wish them every success in their secondary education and thereafter.

Farewell Families

Berowra PS community sadly farewells around 32 families who have a child in Year 6, 2018. Another couple of other families will be relocating. Many of these wonderful families have been active in P&C and other significant roles during their association with the school. We wish them all well and thank them for entrusting the school with their children's academic and social development.

Our best wishes to all students leaving this school at the end of the 2018. We thank and remind you that you are forever part of the Berowra 'family'.

Student Leadership

Last week the Student Leadership Team for 2019 was announced.

School Captains – Ava A and Jed W

School Vice Captains - Isabella C and Dean G

Prefects – Jackson C, Tyler G, Alexander McG, Alex J, Evangeline M and Tiana P.

Congratulations to our new leaders, I know you will do a magnificent job in leading the student body and in acting as role models for others to emulate.

Outstanding Invoices

As we have entered the final week of the 2018 school year I urge all parents to finalise outstanding payments for excursions, learning programs and other school events. Each year, as a school, we end up carrying bad debts and then we have difficulty trying to retrieve late payments as well as update teaching and learning resources. This really impacts on our capacity to assist new and needy families each year. Please help us end the year in the black!

Voluntary Contributions

Many thanks to all the families who contributed to the **voluntary** contributions in 2018. These funds have purchased (or will be purchased in early 2019) :

- 32 chrome books (laptops)- for Yrs 3-6
- Ipads for Kindergarten
- 'Jelly Bean' tables for Kindergarten to Year 2 (used for reading activities)
- Group tables for our Learning and Support Classroom
- Paint Drying Racks

Also a special thank you to our School Support Group for paying for all the Presentation Day Prizes but also for donating another \$4000.00 for an Interactive Touchscreen for our last demountable.

School Security

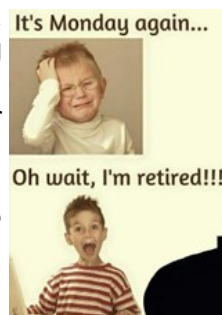

We thank members of the community for their ongoing commitment to keeping our school safe and secure. I encourage any community member who notices activity outside school hours that they believe is not normal for our school to contact School Security on 1300 880 021. If you believe the matter is urgent then please contact the Police on 000.

Farewell Mrs Butler

Mrs Butler will be finishing up this week. It is a very sad time for BPS but a happy one for Judy. She has been at BPS since 1998. She was here briefly before having her family. Judy has a special place in so many children's (and adult's now) hearts. She is an outstanding educator who has inspired and developed so many children.

On behalf of all the staff, students and community I wish Judy every happiness for her retirement.

As Dr Seuss said, *"Happy days are here to last. The days of nine to five are past. I've worked all my life and paid my dues. Now I'll just do what I choose!"*

See you soon Ms Roberts

Wishing Ms Roberts all the best for her maternity leave and I know she will be back early next year to give us a cuddle of her new bundle of joy.

Merry Christmas and a safe and happy New Year to all!

Di Bower

Principal

SCHOOL SUPPORT GROUP

2018 has been yet another wonderful year for the BPS School Support Group. Our awesome committee and volunteers have yet again contributed to our school in many ways such as running our Mother's and Father's Day stalls, Discos in Terms 1, 2, & 4, Tears and Tissues morning tea for our Kindy Parents, Teachers Appreciation High Tea and many cake stalls for the various school events.

Our profits from our events have contributed to various items throughout the school such as Bee Bots boards, trestle tables for the hall, teachers classroom resources, Presentation Day awards, interactive touch screen and just this week we donated another \$4,000 to the school!

Thank you to all of our volunteers who have helped out at any of our events this year. SSG is not possible without you all and we really appreciate your help!

The SSG Committee wish all the teachers, office staff, students and their families a wonderful and safe Christmas and New Year.

Cathy Lea
Chairperson

P & C

Thank you to our enthusiastic army of parent volunteers and committee members for your continued support this year and for making it a successful one! Being part of the P&C Association is a most rewarding undertaking.

To the teachers—thank you!

We are so lucky to have such wonderful and dedicated teachers at Berowra Public School. We hope you have a wonderful Christmas and look forward to seeing you in 2019.

CANTEEN

The Canteen has had another great year which has enabled it to donate \$13,000 back to the school. It is an amazing result which has contributed to the purchase towards robotic resource such as Bee Bots.

This year Healthy Schools Canteen in conjunction with the NSW Department of Education has started to implement a new strategy which all public school canteens need to transition to by 2019. Our canteen has already started to make changes with over 75% of the menu now being 'everyday' foods and with a healthy star rating of at least 3.5.

Our canteen is staffed by a group of wonderful volunteers but we are in need of more helpers for next year in order for our canteen to run smoothly. If you would like to volunteer please contact Teresa Wednesday - Friday at the canteen or leave a message at the office anytime on 9456 1319.

CANTEEN OPENING

The canteen will be open on the last day of term—Wednesday 19th December. We will only have Sushi, garlic bread and nuggets available for lunches—their will be **NO** Flexi school orders on this day.

Thank you for your support
Terese McKenzie
Canteen Supervisor

They offer a valuable service to our local community and are in need of support this holiday season.

How you can help?

Food items needed: tea, coffee, rice, long life milk and tissues

A box will be located in the school office until the end of term for any items you wish to donate.

School Opal card applications for 2019 are now open

School student applications for 2019 open from Monday, 15 October 2018.

Students progressing to year 3 and year 7 do not need to re-apply if they:

- are continuing at the same school
- are residing at the same address
- have not been sent an expiry notification from Transport for NSW.

Where a student meets the new distance eligibility, the system will automatically update their entitlement. If they do not meet the new eligibility, they will receive an expiry notification.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

Term Bus Pass holders will receive a notification to re-apply.

If students need to update their information or re-apply, they should go online to :
<https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before 31 December 2018 to ensure student entitlements are updated and their current entitlement/card is not cancelled. If their application is submitted after 31 December 2018, the system will automatically cancel a card and a new one will need to be issued.

Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out during December 2018 and January 2019.

Students residing in Rural and Regional (R&R) areas should receive their travel pass at the commencement of the new school year from their nominated operator. Note: some R&R operators do not issue travel passes. Students should check with their operator for more information.

For further information visit <https://apps.transport.nsw.gov.au/ssts>
