Welcome back to Term 2. I hope you all had a fantastic break – I know I did!

Congratulations to Mr and Mrs Krull – a beautiful baby girl, Eloise Eva, born on 17th April.

**Ralphy’s Road to Recovery**

An update on Ralphy’s Road to Recovery and the U11 Berowra Cricket boys (from Berowra PS and Wideview PS). The boys and their families have worked so hard every weekend washing cars in Berowra. With the generosity of the community, they raised \$2,500 in 6 weeks and the Berowra Cricket Club added a donation of \$2,000. The boys presented a cheque for \$4,500 at Saturday night’s fundraiser at Berowra RSL. This event was attended by over 600 people, a massive success and the highlight for everyone was that Steven could attend for a few hours and make a thankyou speech – not a dry eye in the house!

Boys we are so proud of all your efforts - thinking of other people and helping them to have a better life is what a true positive role model and respected citizen does. You are making a positive difference in the lives of others. Congratulations on all your efforts.

**Congratulations Jensen G (6G)**

Congratulations to Jensen - he competed at the NSWPSA Swimming carnival last term and has again been selected to represent NSW at the Schools Sport Australia Swimming Championships - to be held in Tasmania in Term 3 this year. Jensen you are an amazing swimmer and such a modest young man. We are so proud of you and all your achievements.

Jessica Y (6B) selected to trial for the Sydney North Netball Team.

Jake Da S (6G) selected into the Sydney North Football (Soccer) Team.

**NAPLAN**

NAPLAN Testing for students in Years 3 and 5 will take place in Week 3, commencing on Tuesday, 15 May. Parents who wish to exclude their child/children from these tests should speak to me and ask for a consent form which parents must sign. The school will not advise parents to exclude their children. However, if parents have particular concerns, the teachers and I are happy to discuss these concerns and advise parents of their options.

**UNIFORMS**

There won’t be an official change over to winter uniform – please dress your children according to the weather. There seems to be some confusion with our uniform.  
Track pants are NOT part of our school uniform. Track pants may only be worn on Sports Days.  
Leggings are not part of our school uniform and are not to be worn at school.  
Black socks are only to be worn with long trousers.  
White or grey socks are to be worn with skorts and shorts.  
Grey tights are only to be worn with the old girl’s winter uniform.

## Gymnastics

Last week was the first week of the Year 2 Sportspro Gymnastics lessons. It is an activity that is so beneficial for all kids but especially the younger ones. The ability to coordinate your movements and move within a space are invaluable skills that students carry through to adulthood. This is an integral and mandatory strand of our NSW Personal Development/Health/Physical Education Syllabus.

## P&C News

### Old School Uniforms

With the transition to the new uniform happening over the next three years, you will reach a point where your family has finished with the old school uniform.

The P&C in collaboration with our local community groups, are looking into the option of sending a bulk lot of our second hand uniforms overseas to a school who's families cannot afford to purchase such luxury items. We are still working out the logistics of this process.

In the mean time if/when your child has finished with the old style of uniform, we would like to ask parents not to throw them out, but consider putting them aside for a future donation to this fantastic cause.

We hope this will be a valuable lesson for the children on how as a school community we can help others.

### Thank you

Thank you School Support Group for organising the Mother's Day Stall on Tuesday. The ladies worked very hard setting up the stalls, organising gifts, organising children, guiding children to the best gift for mum and then packing it all away.

# MOTHER'S DAY BREAKFAST FRIDAY 11<sup>TH</sup> MAY

Berowra Public School P&C wish to invite all our wonderful mums to celebrate  
Mother's day with a special breakfast at our school.

Please join us from 7.15am outside the school hall.

# Year 6 Leadership Day Gibberagong

On this day Year 6 discovered that  
'leadership is less about telling  
people what to do..... and more about

cooperating  
collaborating  
compromising  
caring

Through participation in ....  
(and fun) activities Year 6 certainly showed that  
they are developing the qualities that will help make them .....leaders of  
the future.

**And.....we have the photos to prove it!**

**Ooooooops!**

**Year 6 will look smarter than ever as of this week.**

**You guessed it.....**

**Year 6 jumpers have arrived!**

## **ANZAC Day Ceremony**

Well done to all our students and school leaders for their respectful and reverent behaviour at our school ANZAC Day ceremony. And thank you to those students and families who represented our school at the Berowra Community service.

## **Bike Racks**

As of this week the bike racks are in their final resting place.

As you may have noticed BOOSH have been preparing the brick wall at the end of K Yellow's classroom for a mural with targets. Hence the move!

They are now situated at the back of the canteen. This allows for a quick entry and exit through the gate, teacher supervision in the afternoon, as well as being in easy view of the office during the day. Whilst securing your bike is optional please remember that it is the responsibility of the bike owner for the safe storage of their bike or scooter therefore chains might be a consideration.

Remember, don't ride your bike/scooter within school grounds. Please dismount at the gates.

**DON'T FORGET YOUR HELMET**

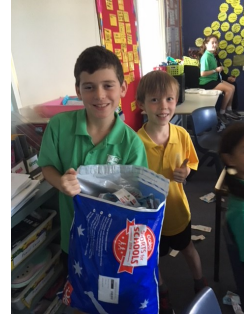

## Stage 2

Stage 2 are learning about living things in science and re using the garden to help. 3R and 3/4A have planted snow peas, investigated what environmental conditions they need to grow and are now observing the changes as they grow.

## **Stage 2 and 3**

Thank you for supporting our school. Here are some photos of stage 2 and 3 sorting and mailing the Coles Sports for Schools vouchers.

This term for school sport we have Greg from Jack Newton Junior Golf coming to teach our stage 2 and 3 children golf skills.

# Walk Safely to School Day – Friday 18<sup>th</sup> May

The 19th annual National Walk Safely to School Day will be held on Friday 18th May 2018. All students of Berowra Primary School, along with their parents and carers, are encouraged to walk or actively commute safely to school. It is an event that seeks to promote road safety, health, public transport and the environment.

The objectives of WSTSD are:

- to encourage parents and carers to walk to school with primary school age children and reinforce safe pedestrian behaviour
- to promote the health benefits of walking and help create regular walking habits at an early age
- to help children develop the vital road-crossing skills they will need as they become mature pedestrians
- to reduce the car dependency habits that are being created at an early age and which will be difficult to change as children become adults
- to promote the use of public transport
- to reduce the level of air pollution created by motor vehicles
- to reduce the level of traffic congestion

Once again teachers will also be joining students on their walk to school by meeting them at various points around the area. **Mrs Withford** will be meeting students outside **Homebiz** Berowra at 8:40am and **Mrs Layson** will meet students at the **roundabout** near St Mark's church, on the **St Mark's** side at 8:40. **Parents** are encouraged to **walk with us** from these meeting places. Students will once again be recognised for their efforts. We encourage all families to get involved and support our school. Some year 6 student parliamentarians will be at the gates presenting children with walk safely to school stickers as they walk through the school gates.

**If you live too far to walk the whole way, try walking part of it!**

Some road safety tips to keep in mind:

**Children up to eight years old should hold an adult's hand on the footpath, in the car park, or when crossing the road.**

**Children up to ten years old should be actively supervised in the traffic environment and should hold an adult's hand when crossing the road.**

Children will be participating in road safety lessons before and after Walk Safely to School day, as we want to encourage children to walk safely to school and in our community EVERY day.

**Thanking you,**

**Alison Withford**

## Support Berowra Public School and you'll be rewarded!

**Most notes are on the BPS website under 'Our School' tab—'Missed a Note?'**

**'Parent Online Payment' (POP) is the departments preferred payment method. Don't forget to send a permission form to the class teacher.**

## Permission Envelopes and Slips

Please remember that teachers need parental permission for your child to participate in excursions, incursions, sport and other school activities. Unfortunately, payment is not proof of permission.

A signed **PERMISSION ENVELOPE** is sufficient if paying by cash **or** cheque and a signed **PERMISSION SLIP** if paying through Parent Online Payment (POP).

## Messages to students

Please only call the office in the case of an emergency as the office can only disturb and disrupt class lessons and teachers to forward urgent messages or messages that would effect your child's safety.

Please do not call the office to forward messages to your children unless it is urgent.

## DID YOU KNOW???

Under the Companion Animals Act 1998 No 87 (14.1.e), dogs are prohibited in school grounds, (whether or not they are leashed or otherwise controlled).

For the safety of all students, toddlers, babies and adults, please do not bring dogs into the school grounds, even on leashes. Some children have a genuine fear and it can be quite distressing for them as well as for parents, particularly those with very young children.

## MOBILE PHONES AT SCHOOL

Parents and students are reminded that mobile phones are not to be brought to school except in exceptional circumstances.

Then the mobile phone must be left at the school office before school and collected at the end of the school day.

# Parents' guide to helping children with reading and writing at home

Kaye Lowe

[www.petaa.edu.au](http://www.petaa.edu.au)

## To parents and carers

You make a difference to your children's reading journey. Your role as an advocate for your children's reading success cannot be overestimated. It has a direct impact on the ease and confidence with which they pursue their reading and writing. It is the joy and love of sharing a good book on a nightly basis that sets the foundation for their reading success, and ensures that reading is given the priority it deserves. Reading regularly with someone who cares is the inspiration that all readers deserve.

As parents and carers, you create the home context for reading and set the tone for how reading is valued. Fear, anxiety, stress and humiliation have no place in the reading experience. The 'payoff' for reading together has to be worth coming back to night after night after night. When reading together is the best time of your children's day and the best time of your day, it is worth turning up. The right book infused with fun, laughter, and love goes a long way in creating life-long readers who in thirty years' time recall with joy being snuggled on the lounge with you and their favourite book.
