Book Week Parade

Many thanks to Mrs Smith for the amazing Book Week Celebrations. This is the day we celebrate the love of reading and this celebration inspires a variety of writing activities in the classroom.

I was so proud of all of our children; we had a 99% involvement of all children K-6. The children excelled in their costumes, creativity and individuality. The Year 6 children were inspirations and perfect role models for the rest of the students. They joined in and enjoyed every moment of the day. Their leadership during the Trivia Fun also ensured all children enjoyed the afternoon.

Thank you to all parents, grandparents and friends who supported this event.

Many thanks to Year 5 parents, students and teachers for organising the morning tea and sausage sizzle on the day.

PSSA Winter Sport

Congratulations to all our PSSA Winter Sport Teams. The feedback I have received from all coaches/teachers/parents is that you all represented the school in a positive manner and your behaviour both on and off the field/court was great. Thank you to all competitors and their coaches.

Congratulations to our **Senior Boy's Football Team** who won their grand final last Friday 6:0 to Hornsby North PS. This was a fantastic game to watch. Both teams played hard and fair. Our boy's skill and team work shone through. Of course, Mr Parkinson was/is a fantastic coach and the boys listened to all he had to say. I was a very proud 'principal' to be there and witness such a great display from the boys and Mr P.

I would also like to congratulate the majority of the junior boy's and girl's football teams – they were there to support our senior team and most of them were a fantastic 'cheer squad'.

Thanks also to the parents who came to support the boys.

SASS Recognition Week

3rd – 7th September (next week) is SAS Staff Recognition Week to acknowledge the contributions of our office staff (Karen Kitchener, Vicky Rode, Barbara Lawrie, Sarah Williams), teacher's aide (Charmian Steel) volunteer teacher's aide (Melissa Jones) and general assistant (Trevor Daykin).

Recognition Week is an opportunity to show these staff members that they are appreciated for the important role they play within the school.

If you see any of them next week please say a quick thank you.

Uniforms

Just a few reminders –

- White or grey socks with shorts or skorts
- Black socks with long trousers
- Track pants ONLY on Fridays
- **LEGGINGS ARE NEVER PART OF THE SCHOOL UNIFORM.**

Cyber Bullying

On-line bullying or cyber-bullying is engaging in bullying behaviour-using technology such as the internet or mobile devices. The more I have read and researched into this topic I keep coming back to the main ways to keep a child safe on the internet : **be aware of the age restrictions for the sites, know your child's passwords and ensure that your child uses the device around you and not hidden in their bedrooms.**

To ensure your child's safety on the internet I would ask that you monitor their usage to keep them safe.

Kindergarten 2019

If you are intending on enrolling your child in Kindergarten 2019 and have not submitted an enrolment form, please complete an enrolment form and forward to the school office. This would greatly assist with school planning and determining staffing levels for 2019. Don't forget to bring birth and immunisation certificates and proof of address.

Attendance

Don't forget your note or email the school

For the benefit of all children, parents or carers should ensure their child attends school regularly. Any absence from school should be explained within seven days of the absence. Regular attendance combined with a positive attitude means.....**GOOD RESULTS. Attend everyday!**

Berowra Public School - Road Safety Education

Transport for NSW recommends that all children under 12 years do **NOT** travel in the front seat of a vehicle

Health and safety is everyone's responsibility

A reminder to parents to notify the school about your child's health

We welcome information from parents about your child's health, even if you are not requesting specific support from our school. Our school asks for medical information when you enroll your child. It is also important that you let us know if your child's health care needs change or if a new health condition develops.

Information about allergies, medical conditions such as asthma and diabetes and other health care related issues (including prior conditions such as medical procedures in the last 12 months) should be provided to the school by parents. Please provide this information in writing to the principal. This will greatly assist our school in planning to support your child's health and well-being.

Please also remember to notify staff in the school office of any changes to your contact details or to the contact details of other people nominated as emergency contacts.

We appreciate your assistance in this regard and assure you that any information you provide the school will be stored securely and will only be used or disclosed in order to support your son or daughter's health needs or as otherwise required by law.

LIBRARY NEWS -

BOOK WEEK

What a celebration of books we had last week!

Our Australian authors and illustrators are among the best in the world and this is our chance to celebrate their achievements. Everyone got into the spirit of this year's Book Week theme, "Find Your Treasure".

Teachers, alias pirates, found their treasure trove of books and children became characters from their favourite 'treasured' books.

Thank you everyone for making our book parade so special. Parents, your children's costumes were amazing and there was such enthusiasm

in the air as the children paraded so proudly.

The absence of teachers, principal and office staff was noted as 'pirates' reigned supreme for the day!

TRIVIA

It is always wonderful to see the whole school of over 400 students in multi-age groups pondering a series of 55 questions about literature. Their knowledge of books, authors and illustrators was amazing with only one point among the first, second and third teams. The Trivia Champs for 2018 were very excited to receive their showbag of goodies for their efforts.

Well done all!

What is online bullying?

Online bullying – or cyber-bullying – is engaging in bullying behaviour using technology such as the internet or mobile devices. Online bullying is different from other forms of bullying several ways:

- It is more likely to happen outside school.
- Material can be shared quickly and long after the first incident.
- It can happen anytime, day or night.
- It is more difficult to defend yourself or get away.

What does online bullying look like?

Online bullying may include sending abusive messages, posting hurtful or threatening material on social media, imitating or excluding others online and making inappropriate comments on posts or pictures.

How do I know if my child is being bullied online?

The following behaviours may indicate your child is upset by something happening online:

- being hesitant about going online
- seeming nervous when an instant message, text message or email appears
- being visibly distressed after using a computer or mobile device
- suddenly avoiding the internet
- closing a laptop or hiding a mobile device when others enter the room.

How can I keep my child safe online?

Be aware of the age restrictions for the sites and applications your child wants to use, and remind them not to share their passwords or personal information with others.

Talk with them about how they use the internet and mobile devices and understand the privacy settings. Make sure they know they can tell you or another trusted adult if they are being bullied online.

What can I do if my child is bullied online?

There are lots of things you can help your child to do if they are being bullied online:

- remind your child not to respond or retaliate
- keep a record of any incidents of online bullying for example take screenshots
- block or delete the user who is bullying
- remind your child to change their privacy settings
- contact the service provider – they can help to block messages and calls
- report the bullying.

How to report online bullying?

Keep records or screenshots of calls or messages that are offensive or hurtful.

If the bullying is related to school, contact the principal to report what has happened and work together to resolve the issue.

Call the police if your child is physically threatened, and report serious online bullying behaviour to the Office of the eSafety Commissioner.
