Welcome back to another busy and exciting term!

It is so good to be back – loved seeing all the students and parents last week. Wow! Five weeks really goes quickly. Many thanks to **Mrs Sally Till** for relieving during my long service leave. The school ran smoothly even with all the building disruptions. Many thanks for your patience during this time.

During the school holidays most of our hail/storm damaged ceilings were also repaired. Teachers have also spent many long hours in their rooms cleaning gyprock dust and paint from their desks, books, resources, computers etc.

We are still waiting on skylights and CoLA repairs; I am told that will be happening soon. KRed will need their entire ceiling replaced in the next few weeks which will mean that the class may need to be relocated for a few days.

This term students will be busy with assessment tasks and assessments ready for their mid-year reports. Best of luck for all our Year 3 and Year 5 students, as they will sit the NAPLAN test in Week 3 of this term.

A big welcome to our new families and our returning families. Also a welcome to the many student teachers we have with us this term, I know they will enjoy their time at BPS.

Also, a very happy welcome back to **Mrs Sarah Krull**, who gained a permanent position here last term. Mrs Krull will be teaching 6B on Thursdays and Fridays.

Rock and Water

On Monday 29th April, at the Staff Development Day, our teachers experienced the Rock and Water Program. “This program provides young people and adults a pathway to self-awareness and increased self-confidence and social functioning.”

Participants of this program learn about responding to life with either a ‘rock’ or a ‘water’ attitude.

This program is an excellent tool to support students in finding their grounding, learning how to centre oneself and learning how to self-manage in social settings.

It teaches options, strategies and exercises that support: - verbal and emotional expression, identity development, physical boundaries and personal safety, emotional and behavioural regulation and skills to respond to and manage aggressive tendencies in both themselves and others.

This is just a very brief overview of the program – some of your children may have come home and spoken about it already. More in-depth information about the program and how you can support your child/ren will follow as the teachers implement ‘Rock and Water’.

Uniform

There has been some confusion as to the correct uniform:

Purple polo shirt with school logo

Black shorts/skorts with white ankle socks

Black trousers/dance pants with black ankle socks

Black school shoes – not skate shoes or trackshoes

Black polo fleece jacket

Wide brimmed school hat

Please note leggings/bike pants are not part of the uniform. We discourage canvas shoes as they do not give support for ankles during sporting activities.

Track pants are only worn on Fridays for sport.

Children need to wear hats at school and it needs to be a “sun safe” hat. We ask the children to take pride in their school uniforms which includes taking care of their hats.

2020 Kindergarten Information Sessions

If you know of any parent who is considering sending their child next year to Berowra Public School (Kindergarten), please let them know that we are running Kindergarten Information Sessions on Monday, 20th May at 7pm in the KBlue classroom and on Thursday, 30th May at 10am in the KBlue classroom. Flyers have been sent to all local pre-schools and day care centres.

Gymnastics

Last week was the first week of the Sportspro Gymnastics lessons for 1/2P, 2K and 2W. It is an activity that is so beneficial for all children but especially the younger ones. The ability to coordinate your movements and move within a space are invaluable skills that students carry through to adulthood. This is an integral and mandatory strand of our NSW Personal Development/Health/Physical Education Syllabus.

Congratulations

- Gabe H (5P) who won first place in 'Battle of Berowra' on 13th April. He won first place in his age group riding his BMX bike.
- Both Gabe and Oliver H (3/4C) will be competing in Shepperton, Victoria in the 2019 BMX Australia Bad Boy National Championships later this month. What an honour! Good luck boys.

ATTENDANCE

Regular attendance combined with a positive attitude means ... **GOOD RESULTS**
Attend every day!

ROAD SAFETY

Kiss and Drop Zone

Please do not PARK in the 'Kiss and Drop Zone'. I have had many conversations with different parents who are concerned some parents who are 'parking' in this zone. You are given a maximum time of TWO minutes to stay in that zone. During this time you are not allowed to leave your vehicle unattended. It is only for dropping off and collecting your school children. Please abide by these rules to ensure all children are kept safe around our school.

All the streets around our school can be dangerous to cross.

A pedestrian crossing is a safe place to cross this busy street.

Always **STOP, LOOK, LISTEN and THINK** before crossing the road.

Work Health and Safety at our school

When visiting our school, if you see potential hazards please report to the office, assistant principals or principal immediately. We have hazard forms located in the office area. If the hazard is easily rectified **without putting yourself in any danger**, eg moving a bag from the walkway, please do so. You are still required to report it to the office so steps can be taken to ensure the hazard is addressed. When volunteering at our school please ensure you have been taken through the safety briefing.

Anti-Bullying

Bullying is defined as **repeated** and **deliberate** behaviours such as hurting, threatening or intimidating another person. Bullying takes many forms and includes cyber bullying. Our school considers the following behaviours as examples of bullying:

Verbal:

- Name Calling
- Threatening
- Swearing at others
- Sarcasm
- Ridicule – making fun of another person because of their actions, appearance, physical characteristics or cultural background
- Putdowns
- Insults

Physical:

- Hitting
- Punching
- Kicking
- Scratching
- Tripping
- Spitting
- Shoving
- Pushing
- Taking/damaging others possessions
- Intimidation

Indirect:

- Spreading rumours
- Excluding others
- Writing notes

Cyber-bullying:

- Text messages
- Emails
- Videos
- Photos or posting material on the internet which is designed to humiliate or harass.

Students are encouraged to report bullying behaviour if their attempts to stop it are unsuccessful. Strategies such as telling the teacher on duty or the classroom teacher, informing a trusted friend to report it or speaking with the assistant principals or the principal are all excellent ideas. Parents and carers are also encouraged to report bullying to the school if the student doesn't feel that they are able to.

It is important to remember that bullying is hard to stop if it is not reported. Children may discuss these issues at home and it is important that parents and carers work together with the school. **Please do not approach children directly if an issue is occurring.** Children often take their cues from adults so it is vital that we, as adults and parents, respond to these situations with the care and support that is needed. The things that we do and the actions that we take are modelled by children.

LIBRARY NEWS

Welcome back everyone to another busy term in the library. This term we will be concentrating on using World Book Online and the 650 plus electronic books that are available for home and school reading. To access these the children need to log in through their student portal and click on 'library' or 'orbit'. Such a wide variety of topics for all levels are available and parents and children are encouraged to explore and find out about the people, places and things that interest them.

We also encourage parents and children to support the Book Club which is run so capably twice a term by Mrs. Tammy Allen. The school receives Bonus Points for every item purchased and we use these points to buy much needed classroom and library resources. Thank you everyone for your ongoing support.

Please remember to bring library bags on class library days.

Monday	1L , 1S
Tuesday	3A , 6B , 2W , 2K , KY , KR , KB , KP
Wednesday	4R , 1/2P , 3K
Thursday	6C , 6P , 5P , 5B , 3/4C

Premier's Reading Challenge (PRC)

Our school is registered for the PRC and there are copies of the required reading lists of books available for the children to search through in the library. Children are encouraged to do the reading challenge which runs each year from August to August. Just log onto the PRC website to choose books to read as well as five personal choice books. Kindergarten can have their books read to them.

Happy reading!

What are students learning this term?

Term 1		Term 2		Term 3		Term 4
R	E	S	P	E	C	T
Relationships - getting along with others	Emotions - identify and manage emotions	Set goals and stay focused - do your best	Play fair - supporting others	Ensure safety - taking care - resilience	Courage - courage	Think first - appreciate others

Set goals and stay focused

This term students are learning self-management skills including:

- willpower
- effort (and using initiative)
- time management
- organisational skills
- resourcefulness

This topic is deliberately set around the time of NAPLAN, to encourage and support positive behaviours for learning.

For more specific information for your child, please see your child's class teacher.

How can I support my child at home?

You can help at home by reminding your child:

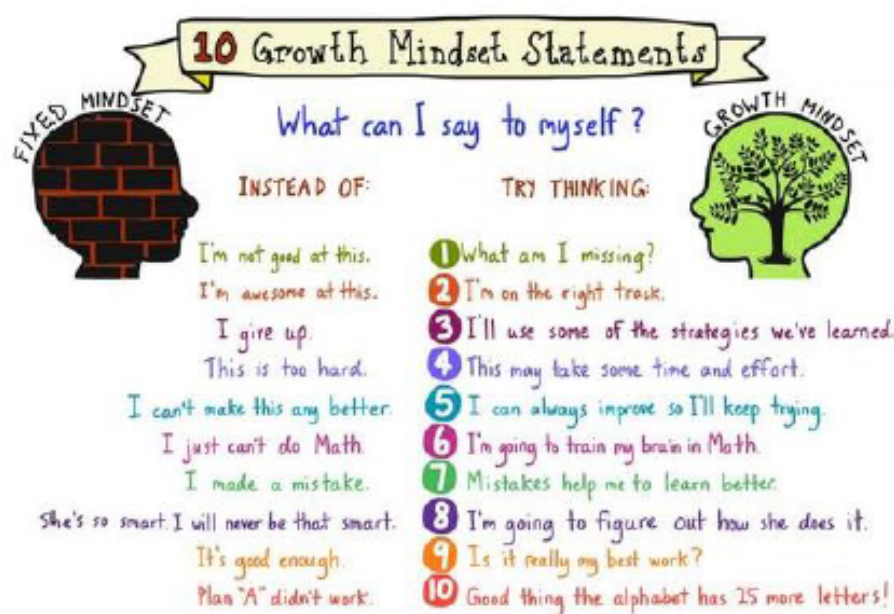

- Everyone has strengths
- You can use your strengths to help others
- Mistakes help you learn. Don't be afraid of them
- Persist and don't give up
- Accept yourself and believe in yourself
- Take responsibility for your actions
- Be organised

Success chain

Students can make a success chain by using strips of coloured paper. Each time they achieve success, they write what they achieved on the piece of paper and add a link to the chain (like a Christmas chain).

Some useful books to reinforce these ideas at home:

- Counting on Frank
- The Dot
- Beautiful Oops
- Edward the Emu
- Elmer
- Willy the Wizard
- Too Much Stuff
- Danny's Egg
- I Wanna Be Famous
- Bunyips Don't
- The Girl Who Never Made Mistakes
- Your Fantastic Elastic Brain
