Dear Parents and Caregivers

The last week has been very busy getting to know all the wonderful things about Berowra Public School. I have been the principal at Thornleigh West Public School for five years and prior to this principal at Granville South Public School.

I am truly privileged and honoured to be an educator and my passion is ensuring students are engaged in learning and develop a love for learning! As educators, we aim to build a rich culture of thinking in our classrooms and schools, where children delight in their learning, develop deep understandings, and become critical and creative thinkers. I have already experience this at Berowra Public School.

Last week I attended "Parliament" and Berowra Public School students were very impressive. The culture of student voices is invaluable. Many children confidently spoke and put forward some wonderful ideas. I also attended Peer Support this week. The senior students were outstanding. They took on leadership roles while developing positive relationships with all students K-6. The positive feel within the classrooms and playground is due to these programs.

Currently teachers are writing reports. Please know that many hours have been spent in the assessment process and writing of these reports to give you a detailed and thorough view of your child's achievements to date. The information in the report is a summative account of your child's progress this semester. It is intended to provide information on your child's performance in learning, ongoing assessment tasks and teacher observation of approaches and strategies employed. As always, these will be parent teacher interview early next term to discuss your child's growth. Information will be coming soon to book these interviews online.

Have a great week.

## Sydney North Rugby League – By Dean G 6C

Hi, my name is Dean and I have been successful in making it into the **Sydney North Rugby League Team**, which is picked from kids from North Sydney to Lake Macquarie.

On Sunday I was at a trial game with my team. In our first game we played against Sydney West. We lost two tries to one. Our second game, we played against Hunter. We won five tries to nothing.

It was amazing and I had so much fun. I am looking forward to beginning our actual competition and this new experience.

Dean G – BPS Vice Captain

## SCHOOL GARDEN

The garden is well underway for the winter season. The interest groups have been busy, weeding, mulching and planting. The Thursday lunchtime group's celery is going strong and their radishes are popping up, while beds of peas, carrots and broccoli are growing under the watchful eyes of the Years 3-6 Friday group and Mrs Krull.

Last Friday afternoon we held a working bee to clean up the smaller garden, also known as "The Orchard". A big thank you to the parents, children and teachers who came down to help. It was wonderful to have a large group of enthusiastic children from BOOSH helping as well. All went away with some fresh produce in the form of lemons, grapefruit and chokos. There were also some strawberries and cherry tomatoes to be consumed.

Another exciting news flash is that BOOSH will be planting a garden bed in the larger garden and we would like to welcome them on board.

## P&C NEWS

Please see the advertisement further in The Crest.

**Working Bee** - A big thank you to all our parents, student, teachers and siblings who helped out on our garden working bee last Friday. The orchard and the garden beds were thoroughly weeded with our students using buckets, spades and trailers to distribute fresh woodchip where needed. It was just a short session this time, but necessary for the students to enjoy their time in the gardens. We look forward to organising another working bee in the near future.

## The simplest way

... to make rainbow sushi.

**Ingredients** (serves 4)

- 1 ½ cups sushi rice
- 4 tbsp sushi vinegar
- 185g can of tuna, drained
- 1 tbsp mayonnaise
- 4 nori sheets (dried seaweed)
- Veg cut into thin strips
  - ½ carrot, ¼ capsicum, ½ raw, peeled beetroot, 5cm cucumber, ½ avocado

### Method

Cook rice according to packet instructions. Fluff the rice with a fork and pour over the sushi vinegar. Stir well to combine. Spread the rice on a baking tray to cool. Mix the tuna and mayo together.

Lay a nori sheet on a bamboo sushi mat, shiny side down. With wet fingers, spread ¼ of the rice over ¾ of the sheet, leaving a ¼ of the sheet clear at the end furthest away from you. Place the tuna and veg across the rice. Using the bamboo mat, roll the sushi away from you stopping where the rice ends. Brush some water along the rice free nori and finish rolling, pressing gently to seal. Repeat with the rest of the sheets. Dip a sharp knife in water and cut the sushi into pieces.
