Dear Parents and Caregivers,

This week reports will go home and interview schedules will be released. I encourage you to make an appointment with your child's teacher to discuss their learning progress and areas for growth.

The last few weeks I have been part of the Positive Behaviour for Learning team (PLBL) Berowra Public School staff are committed to this focus and work collaboratively to ensure processes and procedures are in place to set all students up for success.

Positive Behaviour for Learning (PBL) is implemented to improve the learning and wellbeing of all students in all school settings.

Positive Behaviour for Learning is a whole school approach for creating a positive, safe and supportive school climate in which students can learn and develop. This approach involves the school community working together. Students are empowered to participate in decision-making through active involvement in the school's leadership of PBL.

All staff are responsible for teaching the behaviour expectations, providing consistent positive feedback to students, and delivering consistent corrective feedback and consequences when expectations are not followed. The entire school, including the classrooms, corridors, school office, canteen, playground, school gates and buses, is considered part of the total learning environment.

BPS organise their systems to establish the social culture, learning and teaching environment and provides individual behaviour supports to achieve positive academic and social outcomes for all students. While key practices will be similar in every school, each school designs their own approach based on their context, resources and the outcomes that are important to their school and community. Schools only use those practices and strategies that are effective in their local context.

The team have designed a continuum of support that promotes student learning and wellbeing for all students. Importantly, students have access to more support when they need it. The continuum emphasises prevention and early intervention and includes:

- Tier 1 Universal prevention: school-wide and classroom systems for all students, staff and settings
- Tier 2 Targeted interventions: small group systems for students at-risk behaviourally and academically
- Tier 3 Intensive interventions: systems for students with high-risk behaviour and/or learning needs.

A safe and supportive learning environment is provided for all students. Students and staff benefit from:

- increased academic instructional time for students
- improved social climate of the school
- increased numbers of students displaying positive behaviours
- support for students, teachers and families which is matched to their needs
- systems that support an instructional approach
- consistent delivery of effective programs and practices that are sustained over time.

As Term 2 comes to a close I would like to take this opportunity to wish everyone a wonderful holiday. It will be great to have no rushing around, no school lunches and no school uniforms. Have a great break!

LIBRARY NEWS

This term Stage 3 children have been working on a Personal Interest Research task. The children were given a research plan and were encouraged to choose a topic that interested them from a given list or their own free choice. The range of topics chosen was astounding and so diverse! The topics ranged from Pompeii, dolphins, knots, ghosts, tigers, opals, singers, tsunamis, jewfish, the atom, Bermuda Triangle, The Titanic, tigers, the Black Death and many, many more. Children could work in pairs or by themselves. They were so enthusiastic and worked so hard using many websites, World Book Online, ebooks and library books.

Their presentations showcased enormous creativity including posters, models, Google slides, dioramas and demonstrations.

6B presented their projects to their peers in 6C last week. They gave a three minute talk about their subject in such a competent and mature manner. Then 6C were invited to walk around and view the projects and ask questions.

On Thursday 5B, 5P, 6C and 6P will be doing their presentation to their peers. Mrs Lukic and I are so proud of their efforts. Well done Stage 3!

Thank you parents for your support and encouragement of your children's reading and work in the library this term.

Please help your child to RETURN ALL OVERDUE LIBRARY BOOKS THIS WEEK.

Education Week will be held in week 3 next term. The theme this year is 'Every Student, Every Voice'. We would love to invite all of our families and friends to the Berowra Public School Open Day and Book Fair to be held on Tuesday 6th August from 9.20am—11.45am. We will begin with an assembly in our school hall at 9.45am followed by open classrooms at 10.30am and morning tea at 11.15am. Please put this date in your diaries. We hope to see you all on this day.

Have a happy, enjoyable and safe holiday

DANCE NEWS

Congratulations to the boys and girls dance groups who have been performing this week at Sydney North Dance Festival at Glen St Theatre. They are looking fabulous and performing superbly. Fabulous dancing everyone.

The Term 2 Dance Concert, performed by 1L, 3A, 3K, 5B and 6P

Positive Behaviour Learning

What is PBL?

PBL stands for 'Positive Behaviour for Learning'. It is an evidence-based whole school approach to students' well-being and behaviour. This includes teaching students the school expectations and promoting positive behaviour across all school settings.

How can you support your child at home?

The whole school focus for the rest of this term and the beginning of term 3 is 'eating areas'.

A picture of the eating areas expectations is provided here, so you can talk to your children about the expected behaviours when eating at school.

This sign can be found at the K-2 silver seats outside KB and KR and at the 3-6 silver seats, displayed on the stage.

Claim your ACTIVE KIDS Rebate

The NSW Government is helping kids get active with the new Active Kids Program.

Parents, guardians and carers can apply for a voucher valued up to \$100 per calendar year for each student enrolled in school.

The voucher may be used with a registered activity provider for registration, participation and membership costs for sport, fitness and active recreation activities.

The voucher can be used at any time during the calendar year it was issued

In 2019 families will not only be able to claim \$100 for the Active Kids Rebate but \$100 for the Creative Kids Rebate.

This will cover music lessons, drama and theatre, language classes, visual arts, coding and design.

To claim the rebate or more information go to www.service.nsw.gov.au/active-kids

Maya Emporium is an exclusive Darjeeling tea and Indian art gallery based in Killara.

Maya Emporium's endeavour has been to bring to Australia authentic, pure (not blends), premium quality, single origin, single estate, packed at source, Darjeeling tea through established trade channel. In order to ascertain the authenticity of products, Government of India has patented Darjeeling tea and we are glad to note that we are one of the very few (if not the only) companies in Australia to have been issued the licence.

Similarly, we work with the Indian artists from multiple regions of India (including remote lands) to conserve and directly source authentic, exquisite, region-specific arts (some of the art forms are even 3000 or more years old) and bring them here for local art-lovers to experience.

Please visit our event stall this Sunday, 7th July 2019 at Berowra Shopping Village. There will be an art exhibit and tea tasting.
