

The Crest

Term 1 Week 3
9 February 2022

Dear Parents and Carers

It has been an unexpectedly wet start to the start of the school year. Although the weather hasn't been so pleasant, it has been wonderful to see the children's smiling faces back at school.

We are so proud of how settled all our classes are and how quickly the children are getting into new class routines.

Unfortunately, we have already received some positive Covid cases in various classes and as this continues, we will send out communications as soon as possible to ensure you're updated.

RAT Kits

Our next supply of RATs has been delivered to the school. If you would like your child/ren to bring the RAT kits home please ensure you have returned the permission note to the class teacher by **Thursday 10 February** so that the office staff can distribute the RAT kits to classes.

Alternatively, if you would like to collect your child/children's RAT kits you are able to collect them from the **School Hall on Thursday 10 February between 8:00am-9:20am and 3:30pm-4:00pm.**

Please enter through the Hall Gate and exit via the back of the Hall.

Parent Information Sessions

We will be holding Parent Information Zoom Sessions in Week 5.

This year it will be a little different and will be a Q&A style approach. Parents will be requested to send in any questions they would like answered prior to the session. It will be a great opportunity to be introduced to the teachers on the stage and to clarify anything you are uncertain about.

Make sure you save the date and time:

Week 5 Monday 21 February

ES1 - 6:00pm-6:30pm

Stage 1 - 6:30pm-7:00pm

Stage 2 - 7:00pm-7:30pm

Stage 3 - 7:30pm-8:00pm

Please follow the link to submit your questions. You can fill in a new form for each of your children.

Student Work

Students in 1/2A learnt to represent numbers in different ways. Using the book One is a Snail Ten is a Crab as stimulus, the children then chose a number and represented how to make the number using the legs of animals from the book.

Scheduled Maintenance

There has been a slight delay to the scheduled maintenance which was to be completed during the school holidays. We have had the library repainted and recarpeted, the student toilet block painted, and new gates installed and some external painting around windows is currently being completed.

The children and our Librarians, Mrs Lukic and Ms Roberts, will be so excited when the final stages of the library makeover are complete with new shelving and lounges.

Renewal Program

We're upgrading our school! We have been successful in the 3rd round of applications for the Renewal Program. We're getting help from the NSW Government as part of the Schools Renewal Program to update our staffroom.

The Schools Renewal Program is part of the NSW Government's commitment to provide students with modern and engaging learning facilities. Our school will contribute 20% of the cost and the NSW Government contributes the rest, allowing us to deliver this project faster.

Our staffroom upgrade means staff will be able to enjoy their breaks in a clean and tidy environment which will have a positive impact on their health and wellbeing.

BOOSH Update

Last year SINSW started the tender process for BOOSH. I am yet to receive any information regarding the outcome of this process. I understand that our community is anxiously waiting for the outcome and when I receive any updates, I will pass this information on as soon as possible.

If you have any questions, concerns or enquiries please email

BASCReform@det.nsw.edu.au

Playground Changes

Staff have made some adjustments to playground areas allocated for students. These will be explained to students and will come into effect from Thursday 10 February.

ES1

- Play on the grass area in front of BOOSH before school
- B Block veranda for wet weather and eating time

Stage 1

- Play at the Garden Cola and area in front of demountable for before school
- Garden Cola for wet weather and eating time

Stage 2

- Play under the Library Cola before school
- Library seats/veranda for eating time
- Library Cola for wet weather

Stage 3

- Play between A and B block before school
- Silver seats on grass for eating time
- Hall Cola for wet weather

Cohorts

Following current DoE guidelines our students are separated into class cohorts and classes were kept separate where possible during learning time. During eating time and on the playground stage groups have been allocated sections of the playground to play in. We are very lucky to have such a large outdoor open space which means we do not have to have staggered lunch times like many other schools. Teachers explicitly teach and remind students of their allocated areas.

Drop-offs and pick-ups

The drop off and pick up of students will continue from Hillcrest Road. To limit contact please ensure you don't linger at drop off or pick up. Teacher supervision in the playground starts at 8:50am, so please ensure students walking to school by themselves are arriving after 8:50am.

Please be reminded that parents should not enter school grounds to drop off or pick up students before or after school.

All parents need to attend the school office during school hours to collect early leavers or deliver late arrivals.

To ease congestion at pick up time children will exit from their allocated stage gates as follows:

Kinder - Hall Cola/Office Gate

Stage 3 - Hall Gate

Stage 1 - BOOSH gate

Stage 2 - Bottom gate near the car park

Students catching a bus or riding a bike will exit from the Hall gate.

Please note siblings who travel home together can meet on school grounds and exit together. Please ensure you talk to your children so they are aware of the drop off and pick up arrangements.

Parents and carers must follow the school's advice regarding changes to student drop-off and pick-up. This includes staying in the car when dropping off and picking up children if it is safe to do so. This does not apply to drop off and pick up from outside of school hours care (OOSHC) as sign-in and -out procedures are required.

Parents and carers should:

- follow the physical distancing guidelines and avoid gathering outside school gates
- remain outside school grounds (some exceptions may exist for SSPs, vulnerable students or students with disability)
- adhere to mask-wearing requirements in accordance with the Public Health Order
- sign in using the Service NSW QR code if entering the school.

Visitors on school sites and vaccinations

No parents, carers or visitors will be allowed on school site until further notice with the following exceptions:

- volunteers or staff operating uniform shops and canteens must be fully vaccinated
- visitors supporting school operations and curriculum delivery must be fully vaccinated
- allied health partners for the wellbeing of students must be fully vaccinated.

All staff on school sites are required to be fully vaccinated, including having their booster when eligible.

Check-in protocols when attending a school site

All staff and visitors attending a school site must comply with school protocols and check in using the applicable Service NSW QR code. Proof of double vaccination will be requested at the office.

Testing

During the first 4 weeks of term, students and staff are encouraged to do a rapid antigen test (RAT) **twice a week on school days in the morning before attending school.**

RATs will be supplied by the school.

If your child has even mild COVID-19 symptoms, get them tested with a RAT or PCR (nose and throat swab) test.

They must isolate until they receive a negative test result, in line with health protocols.

If symptoms continue, they should stay at home and take another RAT in 24 hours or have a PCR test. If the second RAT or initial PCR test result is negative or another diagnosis is confirmed such as hay fever, they can return to school.

Parents and carers must register positive RAT results from students on the [Service NSW website](#) or [Service NSW app](#) and notify the school as soon as possible.

Report positive PCR test results from students to the school as soon as possible.

Unwell at school

Any student or staff member who is unwell and/or displays symptoms of COVID-19 will be asked to go home and stay until they can complete a RAT or PCR test.

If symptoms continue, they should stay at home and take another RAT in 24 hours or have a PCR test.

If the second RAT or initial PCR test result is negative, the student or staff member can return to school.

What happens when a student or staff member tests positive for COVID-19

In NSW, positive COVID-19 cases are provided a Medical Clearance Notice after 7 days and allowed to leave self-isolation as long as they do not have COVID-19 symptoms.

Under the new close contact rules, schools are no longer included in contact tracing. I will inform the school community when there is a positive case in our school and advise families on public health advice, including monitoring for symptoms.

Use of surgical masks

All school staff will be required to wear masks indoors.

No vented or cloth masks should be worn. If required surgical masks will be available at schools.

Primary school students are strongly recommended to wear well-fitted masks indoors.

Masks are also strongly encouraged in outdoor settings where you cannot physically distance. Your child can remove their mask when eating, exercising or playing a musical instrument.

For more information, refer to [Face masks in NSW](#) [External link](#).

Parent Communication

BPS Parent Communication Procedures and our BPS Visitor Procedures are available on our school website.

We encourage parents to engage in their child's learning by leaving a like or a comment on their Seesaw work. If you have questions, enquires or comments for teachers please email or phone the school and the teacher will get back to you as soon as possible.

Please note access to the school site is restricted to essential visitors only. All staff and any visitors are required to use the QR codes to check in and out of school premises and are required to wear masks. Proof of double vaccination will be requested at the office.

School Bytes, our school email system is set up to send emails to the parent listed as the 1st contact on student enrolment forms. If you would like to add a second parent/carers contact to receive emails please email your request to the school email address.

Additionally, if you change your email address or are not receiving emails please ensure you notify the school so we can check and update your details.

WHS

Intensive cleaning will continue to take place daily and schools are being provided with additional hygiene supplies.

Questions or concerns

If you have any questions or concerns please contact the school via the school email or phone the office. Please be aware that response times may be slower than usual as we are experiencing a higher volume of calls and emails due to the changes.

Risk Management Plans

If your child has sustained a serious injury and requires accommodations or adjustments to be put in place please phone the school office to make an appointment with me. We create Risk Management Plans to prevent any further injury and so that all staff are aware of any necessary changes that are put in place.

2022 Enrolments – Please enrol your child now for 2022 using online enrolments

A child is entitled to enrol at the local school that the student is eligible to attend if his or her home is within that school's intake area.

Currently our school has an enrolment of 351 students. We sit 27 above our enrolment cap of 324 students. An out of area application for BPS can still be made, however, it

is submitted to a panel who follow criteria to decide whether the application is accepted.

BPS Enrolment Procedures and Protocols are located on our school website at <https://berowra-p.schools.nsw.gov.au/>

Please contact the office if you require any additional information.

If you have any questions or concerns please don't hesitate to contact me via the school email berowra-p.school@det.nsw.edu.au or phone the front office.

Attendance

Teachers are still recording attendance. If your child is sick please let the school know by either email or phone so that we can update our rolls accordingly and if they are isolating we are able to provide learning from home.

Students who are learning from home are recorded as Flexible 'F' on the roll. This will not negatively affect their attendance. Teachers will be checking if students have submitted work.

Currently, there are three COVID-19 categories of attendance that will affect the codes used for roll marking.

	Face to face learning at school	Learning from home - teacher assisted (cohorts or schools)	Learning from home - self-paced learning (individuals)
Description	Schools are open for face-to-face learning and all students are expected to attend school on-site.	Roll marked as 'F': Where a class, year group or whole school is instructed to learn from home and the student is participating in the learning.	Roll marked as 'F': Where an individual student is required to learn from home due to a medical reason or a Public Health Order and the student is participating in learning.

For students who are unwell there is no expectation that learning from home be completed.

Road Safety

Driver Safety Message

Hillcrest Road is very busy and there are a number of pedestrians crossing at Balaclava Road before and after school.

Please be mindful that U-turns are not safe around school zones

Health and Safety is everyone's responsibility

Our P&C has purchased accident insurance for students who are injured as a result of a serious incident at school. Information is available at the office.

Covid-19 Update Berowra Public School is continuing to follow DoE and NSW Health advice to help manage the spread of viruses and we will continue to keep the community informed as we are provided updates.

1. **Wash your hands** regularly and thoroughly.
2. **Sneeze into your elbow** or a tissue, disposing of the tissue straight away and then washing your hands.
3. **Stay home if you are unwell** and in schools, send home staff or students who show signs of being unwell through the day.

Library News

Our library is looking wonderful with new paint and carpet. We are waiting for delivery of new shelving, book stands, circulation desk and a lovely lounge for our library. We will begin borrowing next week for all classes and can't wait to encourage their love of reading. Borrowing days for this term will be;

Monday - 5/6B, 5/6H, 3/4P, 3/4S

Tuesday - 5/6C, 5/6G, 3/4G, 3/4B

Wednesday - K Yellow, K Red

Thursday - 1T, 1K, 2L, 1/2A

Please place a library bag in your child's bag ready for their library borrowing day.

Canteen

Dear Parents and Carers

The canteen will be operational Wednesday – Friday for online orders only.

Please ensure that all canteen orders are placed via the flexischools app. We cannot accept cash orders at all.

Please do not send money with students to purchase food/drink.

Again, please order via flexischools app by the cut-off time of 9.20am each day to avoid any disappointment.

Thank you
