

Term 3 Week 8 **6th September 2022**

Dear Parents and Carers

What an exciting week for our BPS school community. It was a week of celebrating, starting with the annual Father's Day stall on Tuesday where students as always enjoyed browsing the great variety of gifts available and then choosing that special one to give on Father's Day.

Thursday was BOOK WEEK, a time to celebrate the wonderful journeys taken in the rich literature that our students love to read. The characters came to life at the book parade and our creative displays of shortlisted books in the library made for some outstanding examples of student artwork. Try to ensure you have a look next time you are visiting the school.

Friday was the Father's Day breakfast. We hope all our guests enjoyed relaxing and spending time at school before starting their busy days.

This week saw our Stage 3 students depart for camp at Lake Burrendong. An updates last night let us know that they had arrived safely after a busy day visiting Wellington Caves and travelling out to Dubbo. We look forward to further updates as the week progresses.

Thank you to all the parents and family members who took the time to give feedback on our Open Day celebrations. It was great to hear that families enjoyed the picnic lunch and the opportunity to visit classrooms and felt there was plenty of time to celebrate learning at Berowra PS. It appears the afternoon timeslot was a positive for most so we will look to continue this in the future. A big congratulations to our school leaders who were complimented on their confidence and friendliness in welcoming visitors. We appreciate your suggestions and will look to include them in our planning for the future.

Work on the school oval continues. The running track and playing surface are being marked and excitement is growing as we all watch the final landscaping being completed.

Father's Day Breakfast

It's SASS Week!

Between the 5th – 9th September it is School Administration and Support Staff Recognition Week, a time to acknowledge and thank the hard work that goes on within our public schools.

Our SASS staff are often the first people you see when you enter our school and are essential in maintaining positive relationships with students, parents and the community. Here at Berowra Public School we are lucky enough to have Mrs Kitchener, Mrs Steel, Mrs Williams and Mrs Dahl working in our office, Ms Saman as our Student Learning Support Officer working with our students in the classroom and playground and Mr Daikin, our General Assistant.

Our SASS staff work in school offices, in classrooms and libraries and in maintaining and caring for our school grounds and buildings. They are often the ones who attend to students when they are unwell and they ensure the efficient management of school financial and administrative functions. The school couldn't function without them. We are fortunate to have such a dedicated team and we thank our SASS staff for all the passion, effort and work they do each and every day.

Thank you!

Library News

Our 2022 Book Week Parade was a blast!! It was so wonderful to see so many parents, caregivers, younger siblings and grandparents at school to celebrate our collective love of books and children's literature last Thursday. Costumes were colourful and imaginative and showed the variety of books enjoyed by students. Thank you to our parents and carers for supporting your children to get into the groove and enjoy their love of books.

Our Book Fair was a great success this year with sales of over \$6,700 resulting in \$2,000 of resources for our school but even more impressively, so many children and families taking home many books to read, love and enjoy together. We trialed the 'wish list' this year and will continue to offer this in future years allowing those parents who cannot make it on the day to still purchase books for their children. Pre-paid books will be given to students next week.

The highlight of the day for many students was the Book Trivia. The students competed in 20 groups made up of students across K-6 completing five rounds of trivia questions based on books they have read this year in the library and other general knowledge book questions. Congratulations to Group 5 who was our winning team. Our Book Trivia wasn't quite the same without Mrs Smith so we Facetimed to include her in the celebrations. She was quite emotional as she misses all the students and staff very much but is enjoying traveling around Australia in her caravan.

Tip of the day: When we celebrate books, show our love for books to our children, and let them see us reading books, they want to love and read books too.

We would love to hear your feedback in order to improve our Book Week celebrations for the future. You are all welcome to complete this short survey

Dance News

Congratulations to Will S and Triyog K who have been invited to perform in the boys hip-hop dance troupe at the Schools Spectacular. This is a Guinness world record holding arena event at Qudos Bank Arena on 25th and 26th November featuring over 5000 students from across NSW public schools. It really is spectacular. You can purchase tickets online from <https://premier.ticketek.com.au/shows/show.aspx?sh=SCHOOLSP22>

STAGE 2 SCIENCE DAY

A great day was had by all when Stage 2 visited Asquith Girls' High School to celebrate National Science Week. Mentored by students from both Asquith Girls' and Asquith Boys' High, the students enjoyed making a lava lamp in the science labs, learning about water pollution and working together to design a solution for ocean pollution. As well the students had the opportunity to view the results of science investigations undertaken by Stage 4 students. A favourite part of the day was the social interaction with students from other local primary schools during the recess and lunch breaks. Our students are commended on their high standard of uniform and excellent behaviour on the day. The expectations of Berowra Public School were proudly upheld.

FESTIVAL OF INSTRUMENTAL MUSIC - SYDNEY TOWN HALL

On Wednesday 31st August two of our students, Chloe W and Xander D played in the mass recorder ensemble at the Arts Alive Festival of Instrumental Music at the Sydney Town Hall.

Both students represented our school with pride and beautiful manners and we are very proud of them. They played beautifully and from all accounts the sound of 400 recorders was amazing! It is such an achievement to learn and memorise three lengthy pieces of music and then stay focused enough to follow the conductor's direction during an evening concert after a full and busy day of rehearsals. Congratulations to Xander and Chloe!

Woodchop Festival Berowra

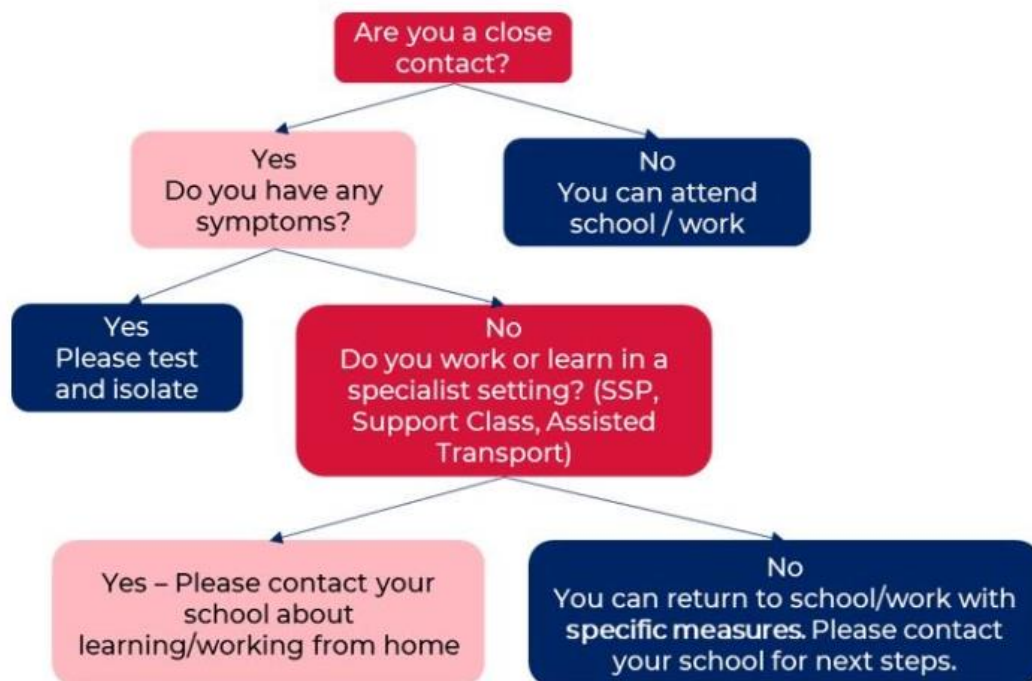

On Sunday 28th August, the BPS Explorer and Concert Bands performed at the 26th annual Woodchop Festival Berowra. After 2 years of cancelled performances, it was a very well attended day with lots of guests to entertain! Both our bands played so well and we are very proud that they represented Berowra Public School at this long established community event.

Covid Updates

Staff and students who are close contacts and have no symptoms to continue to attend school if they follow guidelines agreed with NSW Health.

Before considering whether to return to school or work, please use the decision tree that follows to assist with whether it is appropriate.

Note that staff and students who have had confirmed COVID-19 in the last 4 weeks, do not have to comply with these guidelines if they become a household or close contact and are not required to self-isolate or test unless they develop new COVID-19 symptoms.

- Please notify the school if your child is intending to return under this provision. **Schools will need to maintain this record on their local management systems**
- Staff and students should conduct a daily rapid antigen test (RAT) and return a negative result each morning before attending school for 5 school days.
- Primary school students are recommended to wear a mask indoors (except when eating or exercising).
- No student or staff member identified as a close contact will be permitted to participate in overnight excursions, including school camps.
- Any visitor to a school site who is a close contact is required to advise the school that they are a close contact before they come on site. These visitors should conduct a daily RAT and return a negative result before attending. They must also wear a mask indoors at all times. Schools should consider if the visit can be conducted virtually.

Notifications for absentees

Thank you to the P&C who has suggested the use of a text-based system for notifying parents their child is absent. We have investigated this and are able to use the Sentral system to do this. Once the office staff is trained we will let you know when we will start trialling the new system. We thank you for your patience while we get this organised.

Early Departures

If your child needs to be collected to leave early, please try to collect them before or after our break times to avoid any unnecessary delays in collection. Our recess time is 11:20-11:45am and our lunch time is 1:30-2:20pm.

Drop-offs and pick-ups

The drop off of students will continue from Hillcrest Road. To limit contact please ensure you don't linger at drop off or pick up. Teacher supervision in the playground starts at 8:50am, so please ensure students walking to school by themselves are arriving after 8:50am.

Please be reminded that parents should not enter school grounds to drop off students before school.

All parents need to attend the school office during school hours to collect early leavers or deliver late arrivals.

Students catching a bus or riding a bike will exit from the Hall gate.

Parent Communication

BPS Parent Communication Procedures and our BPS Visitor Procedures are available on our school website.

We encourage parents to engage in their child's learning by leaving a like or a comment on their Seesaw work. If you have questions, enquiries, or comments for teachers please email or phone the school and the teacher will get back to you as soon as possible.

School Bytes, our school email system is set up to send emails to the parent listed as the 1st contact on student enrolment forms. If you would like to add a second parent/carers contact to receive emails please email your request to the school email address.

Additionally, if you change your email address or are not receiving emails, please ensure you notify the school so we can check and update your details.

WHS

Intensive cleaning will continue to take place daily and schools are being provided with additional hygiene supplies.

Risk Management Plans

If your child has sustained a serious injury and requires accommodations or adjustments to be put in place please phone the school office to make an appointment with me. We create Risk Management Plans to prevent any further injury and so that all staff are aware of any necessary changes that are put in place.

Enrolments – Please enrol your child now using online enrolments

A child is entitled to enrol at the local school that the student is eligible to attend if his or her home is within that school's intake area.

Currently our school has an enrolment of 346 students. We sit 22 above our enrolment cap of 324 students. An out of area application for BPS can still be made, however, it is submitted to a panel who follow criteria to decide whether the application is accepted.

BPS Enrolment Procedures and Protocols are located on our school website at <https://berowra-p.schools.nsw.gov.au/>

Please contact the office if you require any additional information.

If you have any questions or concerns please don't hesitate to contact me via the school email berowra-p.school@det.nsw.edu.au or phone the front office.

Learning From Home

Berowra PS is utilising the Department of Education's Learning from Home packages to support students who are at home in isolation due to COVID-19. These resources are available without a school log in - students select their grade level and can be guided through the tasks with a series of videos and explanations. There are now 2 suites of home learning packages and students can start in either. Each suite gives a suggested starting point.

<https://education.nsw.gov.au/teaching-and-learning/learning-from-home/learning-at-home/2022-digital-learning-packs/primary>

Work can be completed offline and returned to the class teacher when your child returns, or via a digital tool such as Google Docs or Slides.

Students may also access their individual class Google Classroom (Yrs 3-6) or Seesaw and complete any work or activities that may have been posted for the class or upload any tasks they have completed from the home learning platform.

Students may also complete Mathletics, Reading Eggs or Decodable Readers Australia Online as appropriate. Other possible learning activities include:

- Reading aloud to practice fluent and expressive reading
- Reading privately
- Writing in a journal or free writing book - stories, reviews of books or movies etc
- Playing card or dice games
- Research a topic of personal interest and create a presentation to share what was learned

Of course, if your child is feeling unwell, there is no expectation that they complete work at home.

If you do not have adequate access to devices, please contact the school to make arrangements for a loan device. Please email your class teacher via the office if you have any issues with log in details for any of the mentioned platforms.

Attendance

Teachers are still recording attendance. If your child is sick please let the school know by either email or phone so that we can update our rolls accordingly and if they are isolating we are able to provide learning from home.

Students who are learning from home are recorded as Flexible 'F' on the roll. This will not negatively affect their attendance. Teachers will be checking if students have submitted work.

Currently, there are three COVID-19 categories of attendance that will affect the codes used for roll marking.

	Face to face learning at school	Learning from home - teacher assisted (cohorts or schools)	Learning from home - self-paced learning (individuals)
Description	Schools are open for face-to-face learning and all students are expected to attend school on-site.	Roll marked as 'F': Where a class, year group or whole school is instructed to learn from home and the student is participating in the learning.	Roll marked as 'F': Where an individual student is required to learn from home due to a medical reason or a Public Health Order and the student is participating in learning.

For students who are unwell there is no expectation that learning from home be complete

Road Safety

Due to lack of casuals at Transport for NSW, BPS may not have a crossing supervisor allocated daily until Miriam's position is filled. Please remind your children of the road safety messages below.

Wherever possible, cross the road at a designated pedestrian crossing facility

1. Stop! Look! Listen! Think! when crossing the road
2. Take care whenever you cross
3. Don't run across the road

Health and Safety is everyone's responsibility

Accident & Health International
Underwriting Pty Limited

Our P&C has purchased accident insurance for students who are injured as a result of a serious incident at school. Information is available at the office.

Covid-19 Update Berowra Public School is continuing to follow DoE and NSW Health advice to help manage the spread of viruses and we will continue to keep the community informed as we are provided updates

1. **Wash your hands** regularly and thoroughly.
2. **Sneeze into your elbow** or a tissue, disposing of the tissue straight away and then washing your hands.
3. **Stay home if you are unwell** and in schools, send home staff or students who show signs of being unwell throughout the day.

Term 3 2022

This fortnight we celebrated 'National Book Week'. We explored each books pages and related experiences from the stories that the educators and children read together in our Rest & Relaxation Club and other group activities.

We read the Little Rainbow Fish. The children were able to understand the true meaning behind this book and form their learnings took part in our activities planned for them. We made clay creations of the Little Rainbow Fish along with sequins to represent the scales given at the end of the story to the other fish, drew our own rainbow fish and made our own book garland.

Throughout the week we read Charlie and the chocolate factory and created some competitions from this for the children to take part in. We had an Oompa Loompa song writing contest, chocolate making, create your own Wonka candy, create your own golden ticket news announcement and even a design your own or the best Willy Wonka hat competition. The children went above and beyond for the Willy Wonka hat challenge, from vibrant colours, to elaborate pictures to a 3D version of his hat, this was a huge competition in our service. There was a first, second and third prize awarded to our winners, these winners were chosen by children who voted for their designs in the service.

Book Week

We even went on a bear hunt around the school. Front the book the scavenger hunt, designed by our Assistant Coordinator Jess created the hunt to relate to the story book. Each area they were to gain a clue to the end of their hunt was from a different section of the book.

This week we also watched and followed the Dream Time story for Tidalik the frog. The children got to learn the true meaning behind this book and why it is important to be fair to one another.

Australiana Week

Our theme for this week has been Australiana. Australiana is to incorporate all Australian things as well as knowledge and research for our First Nation's People. Also celebrated and acknowledged this week was Legacy Week, Footy Colours Day, Wattle Day, and preparation for Father's Day. Throughout the week the children and educators had many craft and cooking experiences relating to these community events. From ANZAC Cookie making, Opera House designs, Wattle painting, Legacy badge making and a Footy Colours Kahoot quiz.

We also created frilled neck Lizards, animal masks, salt craft and Father's Day cards. In our Footy Colours Kahoot quiz, the children were tested on their knowledge of NRL, AFL and Rugby. The children had to work in team to answer the most correct answer and select this to see at the end what their score was.

We then ended the week with Aussie sack races, thong tossing and an egg and spoon race.

SOCIALUS.

Welcome to the Bronze banner – SocialUs.

SocialUs. consists of two locals, Meagan & Jess, who are the go-to for organic social media marketing.

Meagan and Jess are all about supporting businesses that lack the time, desire, or mental capacity to manage their social media marketing.

Got some annoying pain points you can't seem to understand?

SocialUs. offers one-on-one consults to give you the answers to all those pesky social media questions.

Hate creating content, and don't have a creative bone in your body? They offer social media management as little or as much as you require. Don't know who your ideal client/customer is, or when to post on what day?

They can build a social media strategy that will enable you to manage your own social media with the knowledge and skill to ensure your social media is on point.

Whatever you need, they guarantee you will end up happier and less stressed with the assurance that your social media matches the magnificent product or service you're selling.

So, make sure you reach out to these fabulous ladies today, if you're after some serious social media support.
