

The Crest

Term 4 Week 2 19 October 2022

Dear Parents and Carers

Welcome back to a busy Term 4 ahead.

Our Administration upgrade is well on the way. We thank you for your patience while the works are taking place. Both Mrs Kitchener and Mrs Steele have done an amazing job packing, relocating, and unpacking into our temporary office. These works will continue over the Christmas holiday period and will hopefully be completed for the first day back at school in 2023.

Our oval upgrade is also nearly completed. It looks amazing and we can't wait for the students to be able to use it! A huge thanks to our P&C and especially Clare Salke for all her hard work in applying for the successful grant. We have also been approved for an asphalt upgrade between A and B block and the area under the Cola (located near the vegetable garden). This work will also take place during the Christmas school holidays.

Staffing Updates

This term we welcome Mr Dylan Mead who will be the classroom teacher for 5/6H for the remainder of the year. We also welcome Miss Chantelle Thorn who will be joining the BPS team to teach RFF on Thursdays and Fridays.

Ms Wallace is on leave for Week 2 and Week 3. Ms Robynne Scott, the current principal of Peats Ridge PS, will be Relieving Principal during this time. Ms Scott will be able to help with any enquiries during this time and can be contacted via the school email or by contacting the school office.

Kindergarten Transition

We will be welcoming our new students for Kindergarten 2023 and their parents or carers at our upcoming Kindergarten Transition.

Session 1: Friday 4 November, 2022

Session 2: Friday 11 November, 2022

Session 3: Friday 18 November, 2022

Sessions will run from **9.30am until 11:00am**

We will meet at the school library before each session and Kindergarten teachers will collect the new students from here. Parents and caregivers will remain in the library for information sessions on each of the three transition days.

Enrolments – Please enrol your child now using online enrolments

A child is entitled to enrol at the local school that the student is eligible to attend if his or her home is within that school's intake area.

Currently our school has an enrolment of 342 students. We sit 18 above our enrolment cap of 324 students. An out of area application for BPS can still be made, however, it is submitted to a panel who follow criteria to decide whether the application is accepted.

BPS Enrolment Procedures and Protocols are located on our school website at

<https://berowra-p.schools.nsw.gov.au/>

Please contact the office if you require any additional information.

Drop-offs and pick-ups

Student drop-off will continue to be from Hillcrest Road. To limit contact please ensure you don't linger at drop off or pick up. Teacher supervision in the playground starts at 8:50am, so please ensure students walking to school by themselves are arriving after 8:50am.

Please be reminded that parents should not enter school grounds to drop off students before school.

All parents need to attend the school office during school hours to collect early leavers or deliver late arrivals.

Students catching a bus or riding a bike will exit from the Hall gate.

Student Learning

Midway through Term 3, 46 competitors represented BPS at the Hornsby Zone Athletics Carnival. With outstanding running and strength in field events, we achieved our best result in over 6 years finishing 7th overall.

Consequently, we had 4 students (Maddie B, Ayden P, Evie M, Stephanie R) represent Hornsby Zone at the Sydney North Athletics Carnival which was held on Monday 19th September, 2022. BPS is very proud of all athletes who competed both at the Hornsby Zone Carnival and the Sydney North Carnival. A huge congratulations to Maddie and Evie who both won Hornsby Zone 11's Girls and Junior Girls Age Champions respectively.

Running for a great cause

On Sunday 16 October Jesse from 3/4S participated in the first Run4Reef event. Jesse ran in the 5km race at The Entrance where he was the youngest competitor in the group and the only child in the 5km event. He completed the course in 27m50s. Jesse raised \$250 to donate to The Great Barrier Reef foundation. The Run4Reef is a fundraising event which took place in 23 locations across Australia & NZ. The Great Barrier Reef foundation is committed to raising awareness and carrying out research to protect and conserve the Great Barrier Reef. Jesse chose to raise funds for this important cause because he cares about protecting the GB Reef for future generations. What an awesome effort Jesse!

Backflips Against Bullying

On Monday this week our students enjoyed an educational performance from Backflips Against Bullying. The two performers were very skilled at backflips and other gymnastic tricks and used these to engage the students in lessons about bullying. They were taught about bullying, how to best react to bullies and how to be an "upstander" not a bystander.

TERM 4 COVID-SMART SETTINGS

I want to provide you with an update on our COVID-smart settings, particularly with the latest change to isolation requirements and what this will mean for our school. Please review the following information and don't hesitate to get in touch if you have further questions.

On 30 September, National Cabinet announced that from Friday 14 October 2022, people who test positive to COVID-19 do not need to isolate. In line with this announcement, the NSW Department of Education have worked with NSW Health to support all schools to adapt to this change while continuing to prioritise student and staff wellbeing by minimising the risk of COVID-19 transmissions.

Students and staff should continue to stay home when sick

Students, staff and visitors should only attend school when they are symptom free. We strongly encourage all students, staff and visitors to follow the guidance issued by NSW Health. We will continue to send home students or staff displaying symptoms.

Anyone who believes they have been exposed to COVID-19 is strongly recommended to monitor for symptoms and test if they have any concerns, as well as wear a mask. We will continue to support our families to use rapid antigen tests (RATs) if symptomatic or if you believe you have been exposed to COVID-19. RAT testing may help identify the infection early and is important if you are in contact with people at greater risk of serious illness if exposed to COVID-19.

We are continuing our COVID-smart measures

Our school will continue to operate with our baseline COVID-smart measures in place throughout Term 4 to minimise transmission and keep our school open. This includes a combination of layered safety measures such as maintaining hygiene and cleaning practices, using rapid antigen testing (RAT) when experiencing symptoms and maximising natural ventilation, strongly encouraged vaccinations and strongly encouraging mask-wearing particularly when indoors and/or physical distancing is not possible.

Reporting requirements from 14 October

Please continue to notify your school if your child tests positive to COVID-19 as we will continue to notify the school community of any known positive cases to prioritise student and staff safety and wellbeing.

For further information about the COVID-smart measures in place this term refer to the department's Advice for families page.

Please note that all of our school's changes to isolation requirements are based on the recommendations from NSW Health. Anyone who tests positive to COVID-19 or suspects that they have been in contact with a positive case should continue to follow the latest health advice .

Non-COVID-19 Vaccinations reminder from NSW Health

Due to the ongoing pandemic and stay-at-home orders that were in place over the previous two years, NSW Health have noted that some children and young people have missed out on the non-COVID school-based vaccination programs that they would have taken part in. The department would like to remind parents and carers to make sure that all of their child's vaccinations are up-to-date, including other non-COVID vaccinations. If you are unsure about whether your child has missed any vaccinations, speak to your GP or go to NSW Health's Immunisation requirements in primary and secondary schools .

Parents and carers who have children with persistent or ongoing symptoms of COVID-19 are encouraged to have these assessed by their local health care professional. These symptoms may be related to other illnesses that require treatment and management by a doctor.

For more information on vaccinations refer to Vaccination requirements for school sites or the Australian Governments COVID-19 vaccines.

On behalf of our school, I want to thank you again for your ongoing support in helping to keep our students, staff and community safe. I'd like to wish all our students and their families a great start to Term 4.

If you have any questions or concerns, please don't hesitate to contact me via the school email berowra-p.school@det.nsw.edu.au or phone the front office.

Take care, everyone.

Robynne Scott

Principal (Relieving)

Road Safety

If there is a pedestrian crossing nearby, use it!

Our current crossing guards are very concerned that some students on bicycles or walking aren't crossing safely where Hillcrest Rd meets Berowra Waters Rd. If students are leaving the school via the gate closest to Berowra Waters Rd, they must walk the extra distance back to the crossing on Hillcrest Rd. Our crossing guards have seen numerous near-misses when students are crossing Hillcrest Rd right near the Berowra Waters Rd intersection. Cars turning from Berowra Waters Rd cannot see the students if they cross at the red cross on the map shown. Please remind your children that their safety is the most important thing, and to cross safely at the crossings.

CAKE STALL CALLING ALL BAKERS

Dear Families, Parents and Carers,

Our school Fair is coming up on Saturday 22nd October 1-7pm and 5/6G will be running the Cake Stall. Our cake stall is one of the attractions on the day and we are hoping our BPS families can help contribute to the stall to make it a success. Just one item from each family would be an enormous difference.

We are asking for donations of:

- Whole cakes
- Slices
- Biscuits
- Cupcakes
- Gluten free cakes and slices

Please use this box or a sturdy disposable plate to pack your items. You can contribute as many items as you choose, we just ask that you don't mix the items within the box. Extra boxes are available from the Canteen.

To comply with Health Regulations, please use the attached to clearly label your items. The label must include the following details:

- Name of the item e.g. carrot cake
- All ingredients
- Storage instructions (if any particular)
- Use by date (if purchased pre-made)

Yes, we are able to use nuts and dairy or any other ingredients as long as this is clearly stated. If you are unable to assist the school for the cake stall then please return the cake box to the Canteen.

Please drop off your items to the Canteen on Friday 21st October or to the Hall from 8am on the morning of the Fair. If you cannot assist with this stall, it would be appreciated if the box is returned to the office.

Thank you again to all parents who have been supportive in various ways so far.

Fair Update

ONLY 10 sleeps to go until our major fundraising event of the year! We really appreciate all the support received from the school community so far. If you haven't already signed up to help on the day, please do so via your class Facebook page or reach out to us so we can direct you to the right person.

Ride update

Unfortunately, with 10 days before the big day, we have had to make the tough decision to cancel the rides provided by our nominated provider. This is due to the unfavourable weather conditions resulting in access to the school not being safe for the ride equipment.

With that being said, we have been advised that our provider have very quickly proceeded in refunding ride band payments – excluding any fee's associated with the purchase itself.

If you are wanting the fee refunded also, kindly provide proof of purchase and returning bank information to fair@bps.org.au

We are working tirelessly in an attempt to source alternate options in replacement of the rides and will provide you with an update when we can.

Thank you for your patience and understanding.

Raffle books

Raffle books are now due back. If you could please return your sold or unsold books back to either the school office or your class teacher as soon as possible it would be greatly appreciated.

Cake boxes

Our cake stall is one of the attractions on Fair day and we are hoping our BPS families can help contribute to the stall to make it a success. On Monday 17th October the youngest child in your family will come home with a cake box. Just one item from each family would be an enormous difference. We are asking for donations of delicious treats we can sell on the day. Your baked treats can be dropped off to the canteen on Friday 21st October or anytime from 8am on the day.

Dates for the diary

The 12th and 19th October, the last two Fair meetings; held at 7pm in the school library.

The big day... FAIR DAY – 22nd October starting at 1pm.

Ride update

Unfortunately, with 10 days before the big day, we have had to make the tough decision to cancel the rides provided by our nominated provider. This is due to the unfavourable weather conditions resulting in access to the school not being safe for the ride equipment.

With that being said, we have been advised that our provider have very quickly proceeded in refunding ride band payments – excluding any fee's associated with the purchase itself.

If you are wanting the fee refunded also, kindly provide proof of purchase and returning bank information to fair@bps.org.au

We are working tirelessly in an attempt to source alternate options in replacement of the rides and will provide you with an update when we can.

Thank you for your patience and understanding.

Raffle books

Raffle books are now due back. If you could please return your sold or unsold books back to either the school office or your class teacher as soon as possible it would be greatly appreciated.

Cake boxes

Our cake stall is one of the attractions on Fair day and we are hoping our BPS families can help contribute to the stall to make it a success. On Monday 17th October the youngest child in your family will come home with a cake box. Just one item from each family would be an enormous difference. We are asking for donations of delicious treats we can sell on the day. Your baked treats can be dropped off to the canteen on Friday 21st October or anytime from 8am on the day.

Dates for the diary

The 12th and 19th October, the last two Fair meetings; held at 7pm in the school library.
The big day... FAIR DAY – 22nd October starting at 1pm.

CAKE STALL CALLING ALL BAKERS

Dear Families, Parents and Carers,

Our school Fair is coming up on Saturday 22nd October 1-7pm and 5/6G will be running the Cake Stall. Our cake stall is one of the attractions on the day and we are hoping our BPS families can help contribute to the stall to make it a success. Just one item from each family would be an enormous difference.

We are asking for donations of:

- Whole cakes
- Slices
- Biscuits
- Cupcakes
- Gluten free cakes and slices

Please use this box or a sturdy disposable plate to pack your items. You can contribute as many items as you choose, we just ask that you don't mix the items within the box. Extra boxes are available from the Canteen.

To comply with Health Regulations, please use the attached to clearly label your items. The label must include the following details:

- Name of the item e.g. carrot cake
- All ingredients
- Storage instructions (if any particular)
- Use by date (if purchased pre-made)

Yes, we are able to use nuts and dairy or any other ingredients as long as this is clearly stated. If you are unable to assist the school for the cake stall then please return the cake box to the Canteen.

Please drop off your items to the Canteen on Friday 21st October or to the Hall from 8am on the morning of the Fair. If you cannot assist with this stall, it would be appreciated if the box is returned to the office.

Thank you again to all parents who have been supportive in various ways so far.
