PRINCIPAL'S REPORT

Snakes Alive!

Vicky Wallace
 PRINCIPAL

Dear Parents and Carers, Can you believe it is Week 5 already! Our students and teachers have settled into class routines seamlessly this year which is fantastic.

Meet the Teacher

We thank the parents and carers who attended our Meet the Teacher afternoon/evening sessions. It was a positive turn out especially for Stage 1. Information summaries for each stage and Term Overviews have been sent out especially for those who were unable to attend on the night.

Learning Conversations

You will notice on the Term 1 Planner, Learning Conversations with students, teacher and parents are planned for the end of Term 1. This change has been based on the overwhelmingly positive feedback from parents and student about the student led conversations and also parent feedback requesting interviews be held earlier in the year. The learning conversations will replace our traditional parent/teacher interviews which are usually scheduled for the end of Term 2. Students will lead the first 10 minutes of the conversations to talk about their learning especially their learning goals in reading, writing and numeracy. The last

5 minutes of the scheduled time will allow for teachers to meet with parent to have confidential conversations without the students if needed.

Reptile Visitor

You may have heard about the excitement in our playground yesterday when we had a friendly visit from a snake who has been taken to a new home by the snake catcher.

LEFT: The baby Red-bellied Black snake found in the school grounds yesterday.

Fingers crossed for some pleasant weather next week as we look forward to seeing you at our Swimming Carnival on Monday!

BEROWRA PUBLIC SCHOOL MEDIA TEAM

We are currently forming a new Media Team for 2023. Everyone in Year 5 is eligible to join. The Media Team meets every Wednesday at lunch. Together we document the life of our school through photography and video and celebrate our school's achievements

COMMITMENT

The Media Team will run for the whole year. We meet at lunchtime on Wednesdays every week and you will need to attend every meeting if possible. At major events such as the sports carnivals you will be asked to capture photos and video footage for our website and newsletter.

PRODUCTION VALUES

You will learn how to create high quality video projects and productions. This means using professional lighting and microphones to make your video projects look and sound professional.

TV NEWS PACKAGE

You will learn how to design and edit a complete news package using iMovie and your iPads following a template. You will also have a chance to

document how you learn in class and make videos about important issues you feel strongly about.

BADGE

All Media Team members will receive an official BPS Media Team badge that you will wear with pride.

PBL updates

Membership of the Media Team is an important leadership role. The school is entrusting in you to show our school in a positive light. One very important responsibility of the Media Team is to create videos to change or reinforce positive attitudes and behaviour through PBL videos on various topics.

BEROWRA PUBLIC SCHOOL MEDIA TEAM AUDITION

Year 5 students who are interested in joining must submit an **audition video**.

TASK: Media Team audition video

Students must make a short video. There are 3 options.

1. Prepare a short video presentation on why you should be selected: what special skills and qualities do you have?

OR

2. Prepare a video demonstrating your camera/editing/interviewing/writing/research skills on a topic of your choice.

OR

3. "The Day that Changed My Life". Make a dramatic video about a day you'll never forget.

Videos should run for no more than 30-60 seconds. Students must prepare this video presentation in their own time, not class time.

DATE DUE: Wednesday 8 March.

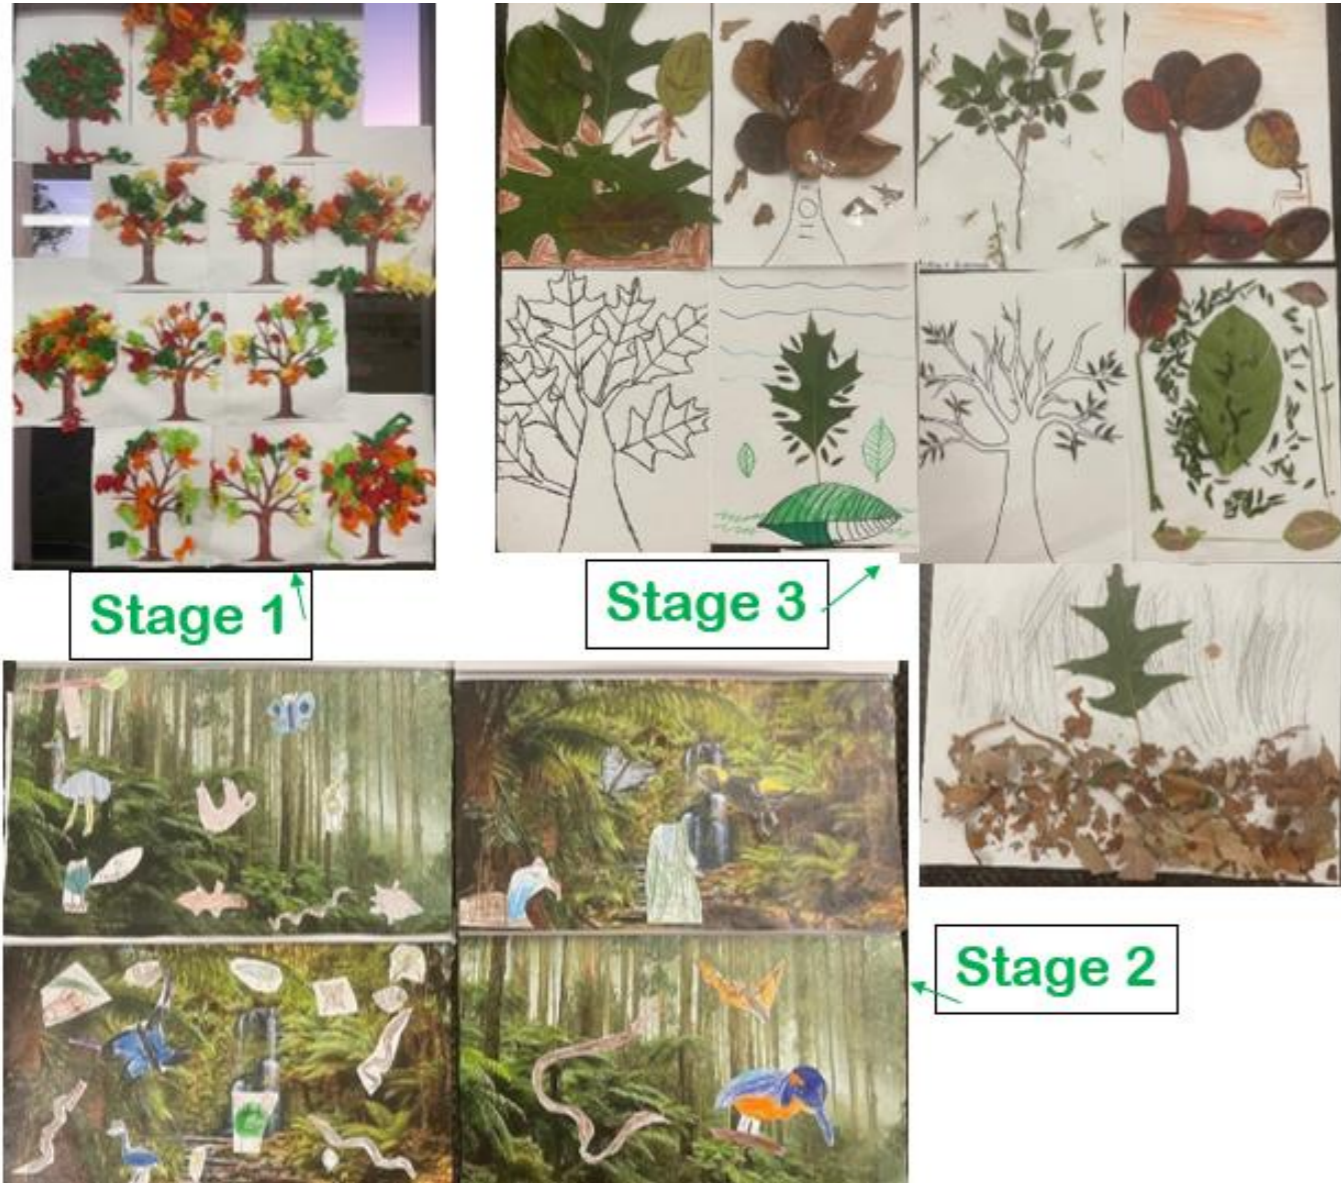

Please bring your video to school on a thumb drive (clearly labeled with your name and class) and hand it to your teacher or Mr Rutherford in the staff room.

PLEASE NOTE: ONLY STUDENTS WITH PERMISSION TO PUBLISH CAN JOIN THE MEDIA TEAM

Library News

In Week 3 we learnt about the Jewish holiday **Tu'Bishvat** (The New Year for Trees) and that it is traditional to celebrate by having a Seder (a learning meal), eating fruits and nuts and planting a tree. Here are some of the tree inspired artworks the students did after learning about Tu'Bishvat.

many students bringing in shopping bags from home to use as library bags, fantastic idea!

Library Days Term 1

Monday - 1/2K, 3/4B, 3/4G, 5/6S

Tuesday - KF, K/1T, 1/2P, 3/4L

Thursday - 1/2L, 4/5A, 5/6M, 5/6P

Next **Monday 27th February** is the beginning of the **Premier's Reading Challenge**. We are encouraging all students to participate in the challenge and over the next six months read their allocated number of books.

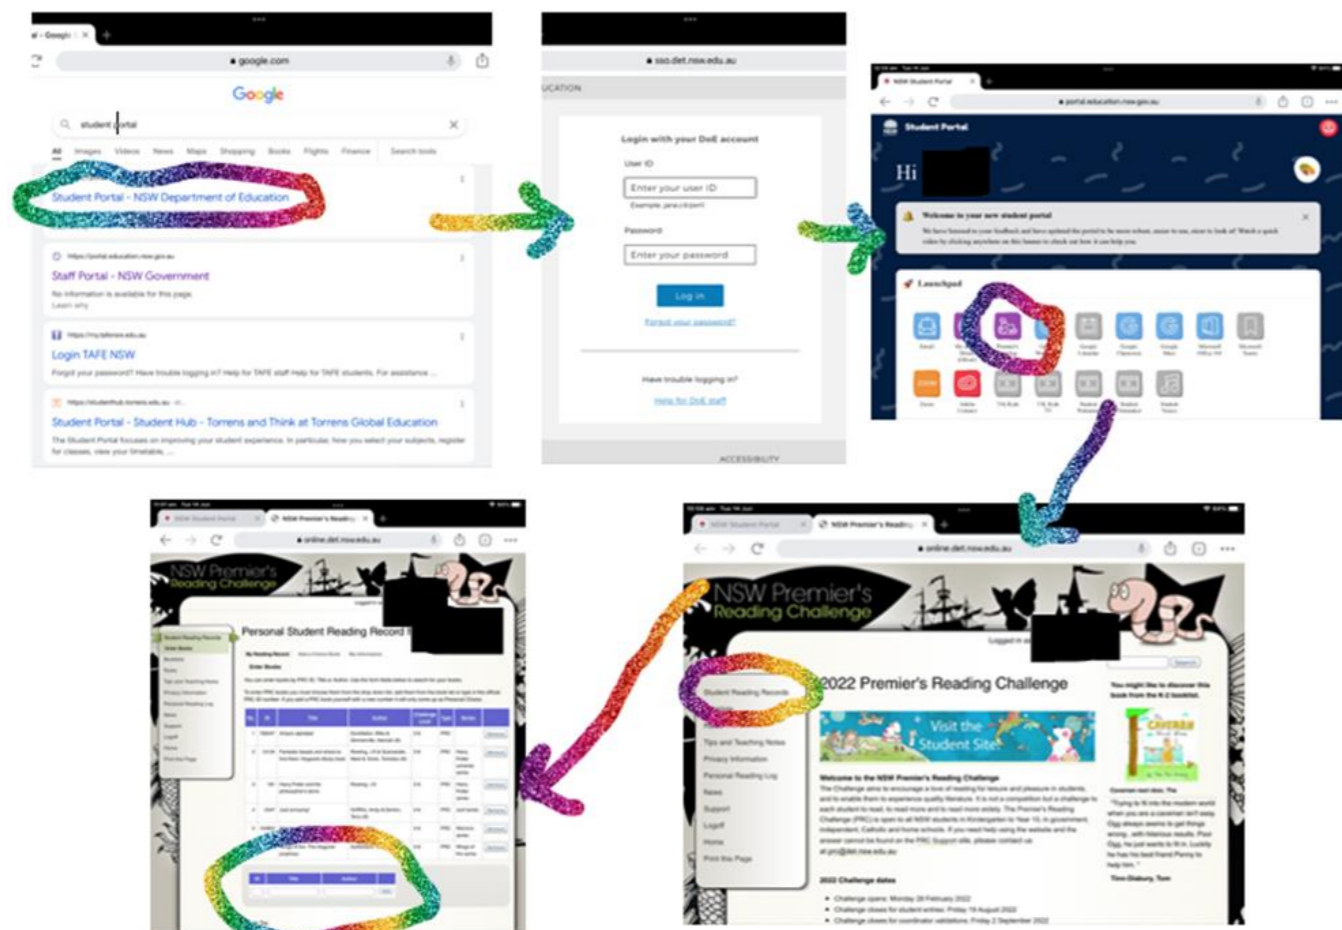

How many books do I need to read for the Premier's Reading Challenge?

| Challenge level | Total number of books to be read | Minimum number of PRC books | Maximum number of Personal Choice books | Booklists included as PRC book choices |
|-----------------|----------------------------------|-----------------------------|---|--|
| K-2 | 30 | 20 | 10 | K-2, 3-4, 5-6 |
| 3-4 | 20 | 10 | 10 | 3-4, 5-6, 7-9 |
| 5-6 | 20 | 10 | 10 | 5-6, 7-9 |

Last week we celebrated **Library Lover's Day** by going on a 'tour' of our library, familiarising the students with the different sections (Fiction, Junior Fiction, Non-Fiction, Picture Books, PRC shelves and Graphic Novels) and how to locate books. We also spent time discussing books, authors and topics that they enjoy reading and would recommend to a friend.

Thank you to all the students who are bringing **library bags** on their borrowing days and who are helping to keep our books in wonderful condition. We have had

Starting next week each class in years 1-6 will be shown how to log in to the Premier's Reading Challenge during their library lesson. The students have been shown this week how to find PRC books in our library to borrow. These are books with a sticker on the spine. The K-2 PRC sticker is red, the 3-4 PRC sticker is green and the 5-6 PRC sticker is purple. Below are the instructions for logging in at home. You will not be able to do this until the challenge officially starts but students can start keeping a list of the books they are reading now, to add to their list next week.

To log books on the PRC, students search 'Student Portal' on Google then log in using their regular school DET username and password (please ask your teacher if you are unsure). Click on the second purple tile 'Premier's Reading Challenge'. Students add books they have read to 'Student Reading Records'. You can search for books by typing in the title, click 'Add' to add the book to their reading log.

If you would like further information about the Premier's Reading Challenge (all the rules, book lists etc) please visit the website <https://online.det.nsw.edu.au/prc/home.html>.

Hi Mrs. Wallace, We would like to inform you that the sandpit is running low on sand. Kids have been scooping up sand and putting it on the grass. A solution to this problem would be to have a refill of sand. If we don't do something now then we believe that the sandpit will run out of sand. We were digging in the sandpit, in year one it was hard to dig to the bottom but now it's just a few centimetres to the bottom. If the school doesn't have enough money to pay for more sand, then we can help raise money. Thankyou for your understanding. We hope the sandpit will be refilled soon. sincerely
Elodie and Mika

ABOVE: Some real life persuasive writing which is so convincing we are getting more sand for our sand-pit. Well done Elodie and Mika!

SENTRAL PARENT PORTAL

#1

All parents have access to the Sentral Parent Portal and you can download the app to your phone

#2

You can download, save and print Semester 1 and 2 academic reports

#3

You can check your child's attendance

#4

You can provide reasons for absences without having to send a note or an email

#5

If you know your child will be absent from school on a future date you can provide an explanation in advance

DO WE NEED TEXT MESSAGES TO NOTIFY PARENTS OF STUDENT ABSENCES?

#1 The purpose of the system is to remind parents to provide an explanation for their child's absence

#2 You already know when your child is absent and can provide an explanation via email or on the Sentral parent portal. Do parents need a message to remind them?

#3 High schools often use this system to notify parents that their child is not in attendance at school. Is this a concern for you as a parent?

#4 Each SMS sent costs the school either 10 or 20 cents (based on the number of characters in each message which will vary depending on student names and surnames)

#5 As it is a bulk message system if there is a mistake made in roll marking procedures you may receive a false notification- causing unnecessary anxiety

Let us know what you think...

Important updates

TheirCare is running a Parent Information Evening on Tuesday 21st February 2023 at their Service from 5:30pm.

There will be snacks and beverages available to families during the information evening. This parent information evening is to inform families of our service, what TheirCare is all about, and how we support your child's needs, interest and skills. We thrive on creating a stimulating and exciting play-based program for all age groups.

This gives families the chance to obtain useful information regarding our organisation, staff, and service beliefs and values.

There will also be an information booklet for families to take away with them too.

Please inform either Rebecca or Jessica by completing the RSVP sheet on the parent table please. Or email us at berowra@theircare.com.au

Our Service has had some updates

Please come inside and take a look, we have had some curtains made by Rebecca for the children to have a more aesthetic feel to their environment when being immersed in their play experiences.

The children have been loving our weekly themes and have placed their artwork and learnings around the room for their friends and families to see. For our Galactic Guardians week the children designed their own solar system and have hung this from the ceiling, with a little help :)

We have also placed in the window as you walk up our staircase of the front veranda our handprints that we designed for our weekly theme of emotions.

We have also placed around the school and our building a QR Code for families to easily access our website to create bookings. These can be found at the parents sign in/out table, door access area, veranda and on the school fencing at the entrance of the school and above our TheirCare banner at the crossing.

Parent Happy Sheet now available!

Please help yourself to one of our Parent Happy Sheets.

These Happy sheets are here for families that would love to give us beautiful feedback on our Service and staff. These will be available on the parent sign in/out table, when you enter the main entrance in a vibrant colour in front of our feedback box, next to the Child feedback sheets.

We would love to thank our amazing families for their beautiful feedback this week!
