PRINCIPAL'S REPORT

Hats off to Teachers

Carolyn Stephens

PRINCIPAL (Rel.)

World Teachers' Day

Australia will celebrate the teaching profession on World Teachers' Day on Friday 25 October 2024. Let's celebrate Australia's teachers for their skilled work in educating, inspiring and supporting our young people. Hats off to teachers this World Teachers' Day!

This Friday we are asking our students and families to celebrate our teachers and thank them for all the work they do to educate, inspire and empower learners at Berowra Public School.

A big thank you to the P&C who are putting on a 'Mad Hatters Tea Party' for the teachers on Friday afternoon with lots of treats and a coffee van visit.

Look out for our 'Hats off to teachers' video coming to our website soon.

Tell Them From Me Parent Survey

Can I please encourage you to take the time to complete the 'Tell Them From Me' Parent Survey if you have not done so already. The data from the survey is analysed and used by the school to improve our practices. It is used to help track our impact of various initiatives in our Strategic Improvement Plan and supports us in

planning for 2025 and beyond. Click [here](http://nsw.tellthemfromme.com/thyy8) to begin

Cybersecurity awareness month

October is Cybersecurity Awareness Month and the theme for 2024 is Cybersecurity is everyone's business, reminding us there are simple ways to protect yourself and your family online. Students at Berowra have been engaging lessons learning how to be 'Cybermarvels' to ensure they are prepared for the digital world and foster an interest in careers in cybersecurity.

Navigating online friendships – transitioning to secondary school.

Moving to high school can be scary. Parents can play a supporting role in this transition. This webinar from the eSafety Commissioner is suitable for parents and carers of young people in year 6, moving to year 7 in 2025.

LOCAL ENVIRONMENTS

PETER LEARY

Berowra Public School
ASSISTANT PRINCIPAL

Last Thursday and Friday K-5 students were involved in an incursion called Environmentors run by Hornsby Shire Council. They learnt the importance of looking after our local environment and many students were inspired to make small changes which can have a big impact on our local environment at Berowra.

BRAND NEW BUSHTUCKER GARDEN

PETER LEARY

Berowra Public School
ASSISTANT PRINCIPAL

Berowra students were involved in the planting of our brand new Bushtucker garden earlier this week. The bushtucker plants were purchased with money from our Woolworths Junior Landcare grant. Representatives were chosen from each class to plant, mulch and water their chosen native plant. The garden will be complete by the end of week 2. Students are eagerly looking forward to the first harvest of edible bushtucker crops.

CENTRAL COAST CELEBRATION DINNER

Mrs Tennille Kolarik, our dedicated and expert Learning and Support teacher received this award for exemplifying the qualities of inclusivity and equity, which are the foundations of public education in NSW. I was privileged to join her at this celebration at Mingara Recreation Club along with other principals and teachers across the Central Coast.

P&C WORKING BEE

There was a very successful working bee on Sunday which has made our school look even more beautiful - thank you to Clare Salke for organising and to all the student, parent and teacher volunteers for their contribution.

Our Spring Fair is next month on November 16th and ride bands are for sale! Also there are still slots to sign up and help out on the day - pick whichever stall you prefer - the dunk tank is looking appealing to me :)

This week I'd like to highlight our wonderful canteen manager, Teresa, and assistant manager, Jess.

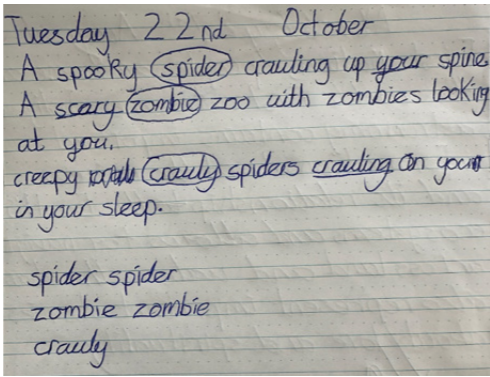

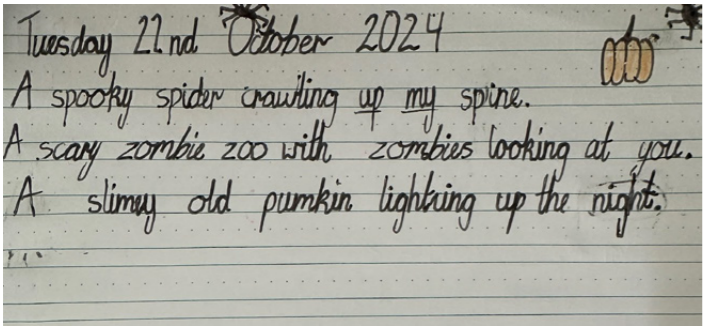

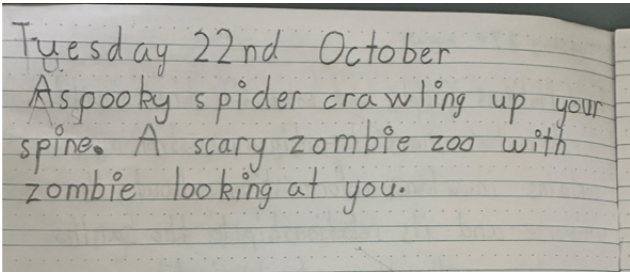

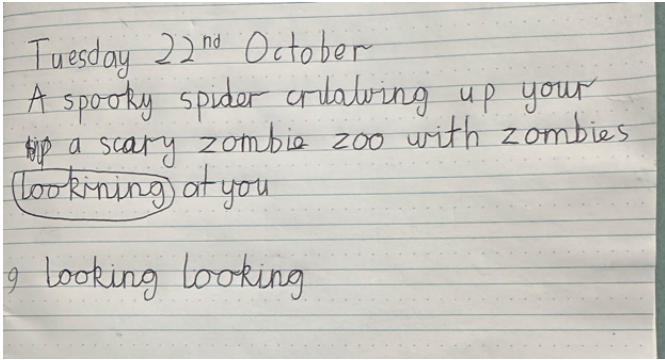

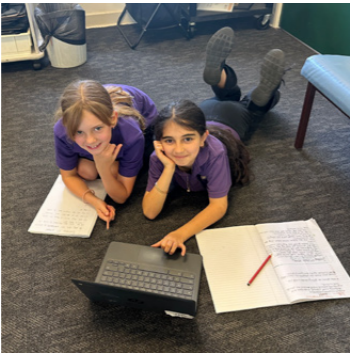

Hi my name is Teresa McKenzie. I am canteen manager. I have been at Berowra Public School for over 15 years. I have my two children Amy 30 Holly 25 who both went to Berowra Public School. I love seeing your children's smiling faces when they come to collect their lunches and snacks.

Hi I'm Jess Payne! I started volunteering last year & really enjoyed it and now work every Friday because it's the busiest day for lunch orders. I like having a chat while we work, and then serving at lunchtime and seeing the very good manners kids show to us and each other. My daughters, Emilia and Thea, are at BPS in years 3 and 1. Their favourite canteen items are sushi, pies, TNTs and Crispy Fruits.

34P practicing throwing techniques and researching Australian History.

Some Halloween handwriting from Mason, Maxine, Leo and Lachlan.

Some abstract art from Alicia and artwork from Jack based on the book "Piano Fingers"

Our jack-o'-lantern's glowing,
With a candle lit inside.
It sits upon our porch step,
A helpful, gleaming guide.

So those who come to spook us here,
The jack-o'-lantern greets.
You're welcomed with a toothsome smile,
As well as yummy treats.

To make sure that you know for good,
That when you hear our scream.
Children come knocking at our doors,
Because it's halloween!

- Elodie B.

Tricky Talks

Guiding students and their trusted adults to have honest communication about the reproductive system, foetal development, puberty, consent and protective behaviours, so you can navigate this time of development together.

The opportunity to participate in this valuable program was on Monday. For those of you who missed out make sure you look out for the program next year.

It comes highly recommended by teachers, parents and students and is a brilliant way to introduce those conversations which might be a little difficult to introduce with your own children.

SHADE

Icy,
dark,
always there.
A sense of relief!
Worry,
bright, always near.

But fear
Like a whisper in the murky frozen room,
is trying to close in.
Gloominess.
This shadow always present,
blocking the light in its path.
It is the bitter crisp of shade.
